WILL ELECT MONDAY
UNIVERSITY YELL MAKER TO BE CHOSEN

Garretson and VanMetre Are the Candidates—Method of Election

Candidates for yellmaster:
Garretson, S. H., 1st year
VanMetre, R. T.

The nominations for university yellmaker, closed at the office of President MacLean yesterday noon. The two men who were placed before the student body for this position are named above. The election will be held tomorrow, and the race will probably be an exciting one. Both men look to be active in part in leading the yelling during the last football season.

The position for yellmaker will take place Monday from 8 o'clock until 12:15. Every student or member of the faculty will be eligible to vote. Slips of paper will be provided and each voter will be permitted to deposit signed ballots after registering. Ballots to be placed in boxes scattered about the campus. The votes shall be counted under the supervision of Secretaries Mosley and Dunlap, and the man receiving the largest number of votes will be declared the winner.

It is to be hoped that the students will take an active interest in the election Monday. The ability of the new yellmaker will probably be tested at the big baseball game with Minnesota next Saturday.

New Discus Record

Captain Swift will have strong competition in the discus throw this season. The battle last night between Illinois and Iowa was the dual meet between the two opposing states. It is the dual track meet this year, between Illinois and Iowa. Captain Thaddeus of the Illinois team hurled the discus a distance of 122 feet, 8 inches, setting a new college record. Captain Swift's record is 125 feet, 10 inches. It is said that Rodman's throw was a perfect exhibition. Illinois won the meet by a score of 71 to 55.

The engine in the power plant has been repaired and the lights are again on in the varsity building.

J. W. Cross, who graduates from the law college in June will continue his studies this fall and has joined the Zetagamian society.

Chester Mann, the Drake state sprinter, Wednesday afternoon ran a memorable dash on the Drake track in 9.4-seconds, but a fifth of a second slower than the world's record and equal to the state record made by 'Olympian' of the Club. Mann was aided materially by a strong wind at his back, but at that his performance was even more remarkable than it was. The suggestion of a good man continues with that of the faculty, and faster than anything done in the state since the days of Rush.

IOWA BEATS NORMAL
WON AT BASEBALL YESTERDAY 10 to 4

McGregor Starts Things off with a Lousy Three Bagger—Feature of Game

The baseball team had "pick-ups" yesterday at Cedar Falls, taking the Normalites into camp by the score of 10 to 4. The score was quite as lucrative as it was as when the pedago gues played here, the former record being 15 to 0 in favor of Iowa. The field was muddy which made the play somewhat slow. Crawford was in the box for Iowa and held the normalites down in good shape. However, the teachers got the start of Iowa, running in two scores in the third inning, one of which the fourth however McGregor started things off with a big nasty three bagger and the teachers lost their heads. When the inning was over, Iowa had five hits, no errors and was up 10-0. The normalites scored one run in the fifth and two on North's two gagger. Van der Steeg made a sensational high catch in the fifth. The score

Mosley Commission Praises Iowa

In the report of the Mosley Educational Commission which visited Illinois in behalf of English educational interests, Iowa university is mentioned very favorably.

T. Gregory Foster, the member of the commission from here who visited the university, states in his report that the teaching of English here is in Iowa, Chicago and Illinois, a very high plane, and that it has an influence upon the English and the classical languages have in England. He recommends this change highly and praises the system of the university in other ways.

The Irving-Philo ball game is being played today.

The Hammond Senate baseballists defeated the Irving in a good game yesterday at St. Louis. The lawyers' battery were Hamp ton and Broeker, and the Irving's had Morgan and Hutchinson in the points.

Max Meyer's scholarship baseball cup is on exhibition in the Hands' window. The winner must have a 90 per cent average and scholarship combined, as usual in Mr. Meyer's annual university meeting.

Daily Cardials—At Iowa all members of the student body as well as the faculty were eligible to vote for the Rhodes scholar ship candidates. It would be interesting to know the sentiment of a good man con tinues with that of the faculty, and faster than anything done in the state since the days of Rush.

MAY DEBATE KANSAS
JAYHAWKERS WANT CONTEST NEXT YEAR

If Wisconsin Declines Offer Will Be Accepted—Irving Elected Debaters

The University of Kansas wants to debate Iowa next year. At the meeting of the debating league last night a communication from the Jayhawkers was read asking for an opportunity to engage with Iowa in a forensic contest next year. The matter was not finally decided last night. If the Iowa-Wisconsin match is pulled off next year there will be no room for Kansas. However, if Wisconsin repeats this year's trick, the Iowans will be glad to take on Kansas.

In anticipation of the customary debate with Wisconsin next year, Irving last night elected two preliminary debaters to meet the Zenos. E. R. Hildi be was elected leader, and Ben F. Wyland second. The Iowans have not yet elected their men.

MINNESOTA WEDNESDAY

Probably the biggest baseball game of the season for Iowa will take place next Wednesday after noon when the ball team from the university of Minnesota will be here to meet the Iowans on Iowa field. Minnesota has been playing strong baseball this year, as she has done in years before, but it is a common practice for Iowa to defeat her this year and this year is expected to be no exception to the rule. The game will be played at 3:15 o'clock. A big crowd is expected.

WIN TENNIS EASILY

IOWA TOO MUCH FOR NEBRASKA

Good Games on Iowa Courts

The Iowans tennis players kept up the pace they established yesterday and won all of their games this morning from Nebraska. Bailey and Wood won the first two sets in doubles from Iowa and Scrivner, 7-5 and 6-2. The third set stood 8-3 in favor of Nebraska when Iowa defeated Scrivner and was made up. The game was postponed until Monday.

Bailey defeated Scribner in two straight sets of singles this morning. Bailey (1) beat Cassidy (N) 6-3, 6-4. Monnett (1) beat Scribner (N) 6-2, 5-7 and 6-4.

Yesterday's complete scores were as follows:

Iowa
Bailey (1) and Moulton (2) beat Cassidy (N) 6-3, 6-4.

Iowa High School Record Broken

Alfred Anderson a Sioux City High School boy established a new school record yesterday in the Northern Iowa High School field meet, covering the half mile in 2:08. Anderson will probably come to Iowa next year and these records were made yesterday. He won the meet with five points to Sioux City's 41 and Algona's 27.

M. M. Moulton L. V. of Storm Lake content with the firm of Moulton & Edson was in the city yesterday.

The Kappa Kappa Gamma sorority will be entertained by the Iowa City Alumni of the Iowa City chapter at the home of Mrs. Groves, at 37th and Polk, May 21. The entertainment will be in the nature of a May tea party.

**Graft**

In a February editorial in the Iowa City Republican, the subject of graft on the newspapers is dealt with with ungloved hands. Among numerous other state matters the following:

"The chief university grafters are the athletic association and those who represent it."

Another statement follows:

"But the newspaper in a college town is not the only sufferer from the graft. The business men get it good and hard. They have to spend large sums for advertising in college publications, when such advertising is absolutely worthless."

No doubt if someone would suggest to the editor of the University the grafters of the Continental, who would heartily favor the proposition. Of course it is of no value to Iowa City. It is a small matter for the state to spend a million dollars annually in the erection of buildings and in the employment of Iowa City labor. It is a still smaller matter for fifteen hundred people from all parts of the state to come here to Iowa City and spend a half million dollars annually with Iowa City business houses.

And yet the athletic association and student publications which are necessary adjuncts to the life of the university are termed "graffers" when they ask for several dollars worth of advertising. Granting the truth, for the sake of a discussion, of the argument that the money thus spent is thrown away, the merchants are after all not very heavy losers.

Schulze, the University of Michigan's greatest hurdler, who was thought to have the hurdle events in the coming western conference meet within his grasp, has been declared ineligible to compete by the board of control.

A Snap on Pipes

I am selling all kinds of pipes. Not the L. W. no good one of the pipes because, not that I do not want to sell good pipes but once a year and then sell it to frauds.

I am selling all kinds of pipes. They are all first-class pipes. They are all of the best materials. I am selling them at big reductions from the regular price of any pipe that I am selling. They are all first-class pipes. I want to be over in any town in the country if you have a pipe shop I want to be over.

The pipes include all of the latest styles and makes. From those pipes are of the highest grade. There are no pipes that will do for business, it is an easy matter to distinguish them. It is an easy matter to distinguish the pipe shop. I want to be over.

The Sigma Chi fraternity has made a three-year lease of the Senator Clark residence at the corner of Clinton and Davenport streets. This house is now occupied by the Beta Theta Pi fraternity but the latter chapter will move into the Bloom property, recently purchased. The Sigma Chi fraternity is now living in the Dr. G. T. W. Patrick property on Duncan street. The new move will give that chapter one of the very best fraternity houses in the city.

North Clinton is growing to be a frat center. It is said that the new chapter of Sigma Epsilon is negotiating for the property on the northeast corner of Davenport and Clinton. If the deal goes through it will place three chapter houses on that corner.

ASSIST HIGH SCHOOLS
PUBLIC SPEAKING MAY BE STRENGTHENED

Work of that Department Receiving Increased Recognition in Iowa

Among other things which will come before the board of regents of the university at the coming June session will be a request from Professor Henry K. Gordon of the public speaking department for the appointment of Miss Ethel Elliott as an assistant to the chair of public speaking at a nominal salary. The duties of Miss Elliott would be to assist the high schools of the state in dramatic, oratorical, and other similar work coming under the department, as Miss Everts has been doing, and also to do some work as instructor in the university.

During the present school year the department has been superintendent nine plays over the state, one in this city, two in Ottumwa, two in Cedar Rapids, one each in Osceola and Marion, as well as two in the university itself. The work among the high school has been done in response to call from those schools showing that there is an urgent demand for it.

The department has shown an increase of fifty per cent in the number of students in it during the past year. Miss Elliott has been retained for the summer session.
