GOPHERS SHUT OUT

IOWA PLAYS A BRILLIANT GAME OF BALL

Johnny Voss Pitched a Star Game Allowing but one Hit—The Score

The speed and curve of one Johnny Voss combined with sharp, clean fielding by every member of the Iowa team proved too much for Missie hit yester­day afternoon, and the Gophers lost to Iowa by the score of 4 to 0. The wily googers battered away at the atmosphere in scandalous fashion, and not until the ninth inning did they succeed in even finding the ball. Then one tall man swung wildly and hit it. By some sort of luck it is safely and the Gophers take the second. He was so surprised that he almost missed first base. However, the next man struck out and it was all over. Minnesota only twice got runners to second base. The star plays by the Iowa men are too numerous to mention:

A Snap on Pipes

DON'T BE A PIPE SMOKER BUT A PIPE SMARTER

I'll admit that I am not a pipe smoker. Not that I could make the going out of the pipe handsome, but I like to observe the pipe in use once a year, and then put it on the shelf. The pipes have been made as long as the art of smoking exists. Enough have been made to last for the entire history of man’s tobacco smoking. The pipes vary as to forms, dates, wood, and design, but all are interesting. In the time of the Biggies there were pipes in every size and make. From the fancy apple bowl would pipe to the most ordinary pipe. Shells are the man’s pipes. In the foreign countries there are in stores a large variety. And while you are buying a pipe don’t forget:

CONTEST PROMISES TO BE
VERY EXCITING

All of the Colleges Have Strong Track Teams this Year
Preliminary Meets

Hardly ever before in the history of the state athletic association did things seem so promising for a great event as they do now, looking forward to the state meet in Des Moines on May 28th. Nearly matched teams, large crowds assured and record breaking athletic stars to compete makes an event which will go down in history a sure thing. Unless there is a team which will unexpectedly sweep the field, the meet will probably be undecided until the last events are run off. So it was last year. Not until the last two events were over was the result known.

This year the teams are, from the records made, even more evenly matched. Drake has defeated Grinnell in an overwhelming victory. Ames did the same and by almost exactly the same score. Iowa did wonderful things at Minnesota and Normal and Coe held a dual meet at which records were made which cause the larger schools, counting on points in certain events, shiver with apprehension and desire that Normal and Coe were not in the running. Cornall will doubtless bring a few point winners though the track team from that school has been heard of out little during the past few weeks.

The result of the Ames Drake dual at Ames next Saturday will do much to straighten the matter out though there will be little satisfaction in the result by state meet time. Should Ames defeat Drake, or Drake Ames does not follow that a corresponding victory will come at the state meet. Points which can be won in a dual meet will not be forthcoming at the state though there will be great glory in a victory next Saturday and much rejoicing, the supporters of neither team will feel confident of a repetition at the state meet.

The Rock Island will run a special train to Des Moines Saturday May 28th on account of state field meet. Train leaves Iowa City at 7 a.m. arriving at Des Moines at 10:08 a.m. Returning trains leave Des Moines at 10 a.m. and 8:45 for the round trip.
