HUNDREDS TO GO FROM HERE

Iowa will Send a Big Delegation to Des Moines Tomorrow

The members of the Iowa track team which will look after the interests of the Old Gold at tomorrow's meet at Des Moines, left here at 4:47 this afternoon for Des Moines. They will arrive in the Capital City at 9:30 tonight, in order to get a good rest before entering into the big events tomorrow.

The Iowa team met with a bunch of hard luck when it was learned that Ithaca could not enter in the mile run because of a swollen gland in his leg. He has been ruled out in good shape and was counted on giving a good account of himself. Schoolchok will enter the mile for Iowa.

Local deposters do not believe there will be a very good chance for first place although they hope that Iowa may by some streak of good luck land in Iowa. Iowa can count on approximately 25 points from Deals and Davis, divide the first six events Iowa may land the pennant. Iowans may be counted upon to win first or second in the shot put; first and third in the discus throw; second in the quarter mile; third in the 220, first or second in the two mile and first in the mile relay. This would give the Old Gold about twenty-five points and many of those in position to know that twenty-five points will win the meet. Iowa will have a good crowd of rooting on the field. The special teams which will take the Iowans to Des Moines will leave here at 7 o'clock tonight. The Iowans arriving in Des Moines at 10 o'clock.

The same train will carry the Grit from Des Moines. There is plenty of excitement along the way to keep the passengers from getting asleep. The team will return tomorrow night at 10 o'clock arriving in Iowa City early Sunday morning.

Iowa's entries in the state meet will be as follows: 100-yard dash—Coyle, White and Harker; 200-yard dash—Coyle, White and Riva; 40-yard dash—Ezmer Davis; Half mile—Scheenk; Mile run—Scheenk, Shaw and Collins; Mile relay—Miller, Crosson, Young and Davis; Half mile relay—Rivers, Coyle, White and Miller.

The Iowa track team is composed largely of students from those counties which are most largely represented here. It is likely the Iowa county crowd will be the first to organize insamuch as the movement has been taken up by that crowd most enthusiastically.

The committee from the seven counties were chosen by the meeting of the Iowa track men at the last assembly for the purpose of inspecting the financial needs of the university and the students' booster clube which was inaug.urated shortly after the general assembly visited this city for the purpose of inspecting the financial needs of the university and was being perfected as rapidly as possible.

The plan adopted then was to push the organization of county clubs across the state in so far as attendance to work in conjunction with the alumni will soon result in the organization in good shape in county clubs composing the student's booster clubs from those counties which are most largely represented here. It is likely the Iowa county crowd will be the first to organize insamuch as the movement has been taken up by that crowd most enthusiastically.

Iowa Wins Again

Iowa won another game of baseball yesterday—not strangely, for in Iowa the famous triplets were pitched by the Doc Three.

Scheenk, who is a right-handed pitcher, is one of the best in the state. Harker, who is a left-handed pitcher, is another good one. The Doc Three is a Boys' League team, and is composed of several Iowa City boys, and is one of the best in the state.

**MUST** young people select their life partner and their occupation on a sentimental basis rather than by deliberate judgment. The best profession is but little about their team. W. H. Bremmer, member of the names committee from Iowa, claims that the state university has but little show for first honors. He even claims that Captain Swift has only a chance to win first in the discus. It is true that Swift is not doing as well this year as a year ago, but there is no one who does not believe what Swift will win the discus with ease. Cade of Ames, however, is making great progress in the event and in the Ames-Draake meet last Saturday did better work than Swift has done in competition this year. Negotiations were closed this morning which will result in taking the S. U. band to Des Moines. It will go on the special train which leaves here in the morning at 7 o'clock. The band is expected to make a hit at Des Moines and do its full share in stirring up enthusiasm and getting out a crowd.
