Hunt of Michigan Defeats Bailey in Hard Match—Doubles to

Chicago May 30—Special to the Iowan!

The "Conference" lawn tennis meet opened yesterday with some hard focus, and the meet was

caused by the fact that the lack of the draw brought the best men and teams against each other. In the singles Hunt of Michigan, generally posted as the winner of the tournament, drew Bailey of Iowa, neither man having lost a match this season. Hunt won, and his vic-

tory was due to the fact that his play steadily improved through out the match. At first Bailey had all the best of it, winning the first set 6-0, and having the game 3 in the second and be-

coming several times within one point. This seventh game was the critical point of the match and each man afterwards had a large share of the tennis, but Hunt made

took twenty points to win the game, which if it had been won by Bailey would probably have caused Hunt's defeat. Hunt won it however and his play constant-

edly improving from this time on, he was never again in danger, the final score being 2-6, 6-2, 6-1 in Hunt's favor. The number of earned points was remarkable.

The lower made no errors in his match, and Hunt made more errors than in the first set which he won, but Hunt has sixteen placed in the second set. The set while in the first set he only had

four. Moorhead of Chicago beat Reeve of Iowa 6-2, 6-2. 61. James of Northwestern fought gamely to revenge his de-

fate by Monnot of Iowa two weeks ago, and forced Monnot to two deuce sets, but the Iowa man was too steady and won 8-6, 6-4.

Bingham and Moorhead of Chicago played stubbornly to beat Michigan in the title doubles match played, but Michigan was too good and did not allow Chi-

cago a game. Michigan won in straight sets 6-0, 6-0, 6-0.

It is not believed more than eleven Michigan men played in the meet, a fact which will duplicate her permanent perfor-

mance of two years ago, and in which which seems to have a chance, and Iowa was defeated by Chi-

cago, in an extremely close match of three deuce sets only an 8-6, 6-4, 6-4, won by Michigan.

Cast Being Trained by Public Department—An Experienced Cast

One of the most entertaining numbers of the whole commencement program is the senior class play, "The Trenches," given in going class of the college of lib-

ral arts. The committee in charge this year has taken espec-

ial pains to select a play well adapted to the tastes of诅-

bers of more than ordinary ability and also select most suit-

ed to the played chosen.

Under these conditions "Sibyl" by C. M. O'Brien, "One of Oliver Goldsmith's comedies has been chosen. Although a comedy the play has more than ordinary literary merit and an interesting story. The D. L. members of the cast have had more or less experience before the footlights and the ladies especially have been prominent before university stone, Iowa

The cast this year for the first time, is being trained from the beginning by Professor Gordon and Miss Everts of the public speaking department. The play will be presented in the opera house, June 13, the Experienced cast.

Graduate Club Entertained

The Graduate Club was pleasantly entertained last night at the home of Mrs. Elizabeth Sherwood. It was the annual meeting of the club for the election of officers. Mr. Fred Albert was chosen president, Miss Chawner vice president, Mr. D. Strosnider secretary, and Mr. C. G. Wassam treasurer.

The report of the retiring president Mr. W. E. Beck showed the club to be in a flourishing condition. Preparations are already being made for the entertainment of the national federation of graduate students which will meet here next winter. The publication of a graduate handbook is also under way. This handbook will contain the names of all those who have received advanced degrees at Iowa, also of those major and minor subjects, the titles of their thesis, and catalogue number of the thesis in the Library. These handbooks will be published annually and will be exchanged with other graduate schools. The Iowa Club which is pushing the movement will urge the other schools to adopt our size of book. These can be bound together and each club will then have a complete record of graduate work in the United States. This will be of great value to those pursuing the same line of work.

After the business meeting the time was spent in social chat. Mrs. Samuel Haynes sang several solos which were much appreciated. Light refreshments were served.

Medics are Banqueted

Dean Guthrie gave a banquet to the graduates and seniors of the College of Medicine and the nurses of the Training School at the Imperial Monday night. F. L. Blythe acted as toastmaster in his usual dignified manner. C. L. Smith and Agnes Stryker responded for the seniors and E. J. Juergens and E. R. Walker for the juniors. Miss Hobby, Clara, Albert, Mueller, Dary and Whitcomb gave impromptu toasts. Dean Guthrie who did not arrive until late in the evening, responded to the call of the guests and gave a short address.

808 S. Stockwell, head of the normal department of the University of Wyoming will visit the university during the summer.

On June 13, 15, and 27, the Rock Island will sell coach tickets to St. Louis and return for $7.00 limited to seven days returning. June 15 is Iowa day at the exposition and every body in Iowa should be there.
