$5000.00 FOR AN ATHLETIC FUND

Co-operative Plan by which "Money" is to be Raised for the University of Iowa Athletic Union

I have always been interested in athletics and became quite enthusiastic in the days of William, Watts and Edison and it wounded my state pride and vanity very much in later years to have Michigan and Minnesota do such woeful things to "Iowa's finest." It seemed about time that something be done for "all hands to repel boarders." I believe athletics should not depend entirely upon donations. Of course I know they do not entirely depend upon donations but now I am sure they should be put on a more independent basis. I believe the participants in the sports would feel better if they knew the funds required for the support of athletics had been earned by individual efforts of the student. Further that there are hundreds of students who are unable to uphold or uplift the standard of athletics at our university by individual prowess, but who would fail with delight an opportunity to lend a helping hand otherwise, if the chance only offered.

It occurred to me that the Puritan Mfg. Company would like to join hands with such students in an endeavor to make the Athletic Union of Iowa self-supporting. This can be done at practically no expense to us and with individual effort on the part of every one of the students. If the students are willing to donate their services as salesmen to sell our jewelry we will be glad to furnish the jewelry and to ship it to customers at actual cost and expense, thus turning to the athletic fund the salesmen's commissions, the profits and whatever ordinary expenses can be saved by this method by getting our product into the merchant's hands.

Figuring conservatively so as to give the merchant an extra good make, five per cent and interest money we would estimate the total cost and expense not to exceed 65 per cent, thus leaving 35 per cent of each sale for the Athletic Fund. This 35 per cent is made up of the following items:

Salesmen's Commission 15 per cent.
The usual house profit 15 per cent.

Interest on money about 2 per cent.

If there be loss on bad accounts and collections avoided under the proposed cash plan 3 per cent.

While endeavoring to help the cause of Athletics at the University is entirely sincere, it is my motive in making this offer is not entirely philanthropic and to succeed is necessary for us, not only to finance the excellence of our product but to introduce our goods to the trade of our state.

My good old mother used to talk to me to play with work but that I could occasionally mix a little work with play and do no hurt. She took particular delight in calling my attention to the fact that I had a butt in my hand and the rod on my shoulder and that before fishing it would be necessary for me to get some angle information. I have of times heard her say now there is a row of beans and there is the arrow. It will dig good and deep up one side of the row and down the other you will get all the bait you will ever need.

On the same principle we can help the Athletic Union, is pleasure) and at the same time help ourselves. Now in order to prove that we do not want to help our friends only when they can help us, we want to announce that we will make this offer so as to establish a permanent fund for athletics. We are willing and gladily do our part for just as many years as the students will do their part.

I sincerely hope the students will have always been interested in the proposition. 70.00 will be turned to him without any question whatever.

It is agreed that the $15.00 accompanying this offer is to be sent to the President of the Athletic Union who will turn over to the Athletic Union Fund, out of each $15.00 order, $5.25; the other $7.75 to be paid to the Puritan Manufacturing Company, subject to the return of the jewelry by the undersigned merchant, providing same is not satisfactory to him.

The purpose of this proposition is to free the Athletic Union from debt and to establish a fund for the expenses of the University football and track teams. It is hoped that this will enable the manager of Athletics to procure more efficient training facilities and to more readily provide for the necessary money to pay for professional coaches and trainers.

It is agreed by the undersigned merchant the terms on this $15.00 order are cash with the order.

To the President of the Athletic Union, Iowa City, Iowa:
You may place my order with the Puritan Manufacturing Company for $15.00 worth of jewelry, as per the above contract, to be shipped me on the terms and conditions of this contract and no others.

It is expressly understood and agreed that if this jewelry is not entirely satisfactory to me, I may return same within ten days of its receipt and that you are to return me the $15.00 attached hereto.

CONTINUED ON PAGE 2
The scheme has the probation during it were meritorious. Among the students who commend the scheme whom he has been teaching in the Puritans visiting in the University.

Miss Abigail Pearson '01 has been teaching in the Philippines visiting in the University. Supp. J. J. McConnell of Cedar Rapids will receive the degree of LL.D. from Coe this commencement.

The athletic Union the sum of $5.50 in return for his work and he gives the Puritan Mfg. a little wholesome advertising—exactly what it is looking for. Just to show what a good proposition it is for the athletic union man one went out in Iowa City yesterday and sold three of the fifteen dollar lots to Iowa City merchants, thus making almost sixteen dollars for the athletic Union in less than an hour. The scheme is the result of the proposition of a number of Iowa City's leading business men—men who have backed the athletic Union with their money during years past. They are naturally interested in the welfare of Iowa athletics and would not put their endorsement upon this scheme if they did not think it meritorious. Among those who commend the scheme are Max Mayer, Max Meyer and Missouri Lyon and Price all of whom have often given money and other support for the athletic Union.

There will be a mass meeting of members of the Athletic Union and others interested in Iowa athletics in the auditorium of the hall of liberal arts tonight at 7 o'clock. It is up to every student to be there. The matter is going to be explained there by Mr. Nelson General a representative of the Puritan Company. Addresses will also be made by Max Mayer, Coach Chalmers, M. F. Price and George W. Egan. A big crowd is imperative.

What Others Say
I have thoroughly investigated the proposition as made by the Puritan Mfg. Co. and consider it an excellent manner in which to raise funds for Iowa athletics. I hope the students will take hold of it and work it hard.

H. E. SPANGLER

This is truly a brilliant opportunity for the student to demonstrate her college spirit. You may quote me as heartily endorsing the proposition and you may send me one of the assortments.

MAX MEYER

It is a grand, good thing and deserves pushing. Every student should get out and hustle. Col. George R. Burnett.

It was Abigail Pearson '01 who has been teaching in the Philippines visiting in the University. Supp. J. J. McConnell of Cedar Rapids will receive the degree of LL.D. from Coe this commencement.

J. J. Louis '03 superintendent of the Harlan schools for the past four years has been elected principal of the Marshalltown High School.

All those interested in the university band are requested to show this interest in a substantial manner by handing in their subscriptions at this office or at Winnebago's or Brown's Cigar Store. Any amount will be received and appreciated.

J. H. Lees, '02 is to be in charge of the department of geology at the University of Colorado during the six weeks summer session and is also to assist in the Iowa Geological Survey.

Among former S. U. I. students who have been re-visited the University, this week are Sadie Kemmerer, '08, Blanche McLaughlin, '08, Dorothy Wickham, '08, Alice Curtis, '08, Marjorie Quigley, '08, Maria Campbell, ex. M.A.

Notice
Miss Montgomery's Dancing School and Assembly tonight at Fergus Hall.

The Band Island will run a special train to St. Louis Monday June 13th, leaving Iowa City at 4:15 p.m. arriving at St. Louis 8:30 p.m. $7.00 for the round trip.
