All Have Had Lots of Good Experience in Library Work

NEW LIBRARIANS ARE NOW IN CHARGE

M. G. Wyer, B. A. '09 and M. A. 1900 of the University of Minnesota is the new librarian of the liberal arts library. Mr. Wyer has made a special study along this line of work. He spent one year as an assistant in the Minnesota university library, then a year in the New York State Library school at Albany. Last year he served as an intern librarian in Colorado College, at Colorado Springs.

Among the new assistants are Miss Lavina Steele and Miss Delta Sanborn who have each had a year's training in the Illinois State Library school.

Miss Steele comes to Iowa from the state library at Des Moines and Miss Sanborn from the Davenport city library. Mr. Wyer will also assist in the cataloguing department. Miss Strange and Miss Jones of last year's force are again working this year.

Many new books have been received into the library and many more will be added before the end of the school year. This has been made possible by the fact that the legislature nearly doubled the amount to be expended on new books for the coming year. The sum of $800 will be spent in purchasing new periodicals.

The majority of those recently received are for Dr. Patterson's course in commerce.

THE Y.M.C.A. gave a stag party at Cloe Hall to the men of the university last night.

The Freimans, L. I. hold their class election in the auditorium yesterday.

Dr. R. S. Peirce, ex-instructor in the history department, of the university is engaged in the same line of work at Ames.

Dr. Prentiss has appointed R. G. Grant and J. L. Fass as assistants of the sophomore medical class as professors. This is an honorary position.

Over one hundred students registered for one of Prof MacRae's biology classes and seventy-five were scheduled for Prof. Calvin's zoology class.

The following are the officers elected: W. S. Randell, president; J. W. Myers, vice president; Miss Hoefner, secretary. W. S. Johnson acted as temporary chancellor. Mr. Johnson and Mr. Royal were also named for president and several ballots were taken before a majority was obtained. The representatives and candidates for the board of directors were elected at a later meeting.
Arrangements have been properly completed for a Thanksgiving football game between Michigan and Columbus. The red scare line has made its appearance in the college journalism. The Minnesota Daily goes out a “Fire Extra” edition containing a very full and complete report of the destruction of the main building last week.
