Board Incorporates
The Iowa university board of athletic control believes in doing business on strict business lines and at its last meeting decided to incorporate under the state laws just as any other business organization would do. The object of this action is to relieve the individual members of the board of the any obligations that are incurred by them as a body.

IOWA-CORNELL MUSK
(CONTINUED FROM PAGE PAG E

"I do not think it is putting it too strong to say that I consider it unpatriotic in the Cor
nell management if they send down the last second team to play at Iowa City last Saturday," said
Guy Brewer, who represents Ames in the conference. The Cornell management is certainly
cruel to critics and will probably have troubles in getting games with other colleges of the state.
One of the difficulties seems to be that athletes at Cornell are not under faculty control.

The Michigan-Columbus football game has been declared off.

Prof. L.M. Byers of the law department is in Des Moines to attend the Iowa-Duke game.

Professor and Mrs. Wells are enjoying a visit from the latter's parents, Mr. and Mrs. Lane of
Boston Mass.

Irving Institute has elected the following freshmen to membership: Kelley, Andrews, Fund
Hammard and Boyd.

Moore Lewis, Schenectady, Des

Garision and ElBERT A. W. We were
elected to membership by Philo
mathians Friday night.

Louie Holl, L. C., arrived last night from Mexico City, Mexico and will again register in the
engineering department.

The upper class men at Michi
gan compel the freshmen to wear in different colors showing the department to which they belong.

The sophomore medical class showed their appreciation and regard for Dr. Prentiss by
going in a body to the doctors house yesterday and assisting in putting out the fire. The blaze
however, was of short duration.

K. K. Kawakawa, the Japanese
representative of the university,
has written an article in the local papers of the Japanese
exhibit in St. Louis on the Chin
ese neutrality question. This
article was written in reply to an
article delivered by Dean Gre
go on the same subject.
