Team Contemplates Making a Western Trip During Winter

C. P. Schenck, manager of the S. U. I. football team, today received a letter from Walter McLaughlan, manager of the Yale University team asking for a game. Mr. Schenck has been thinking of making a western trip, and would like to have a chance to meet New England teams. Manager Schenck said the matter would be turned over to General Manager Walker upon his return from Chicago. He believes the contest can be arranged and selected.

Middletonian Out Soon

The Middletonian is a weekly journal which has been keeping pace with the remarkable growth of the college. The publication has made numerous improvements in its appearance, and seems before a splendid future.

The magazine will be issued three times during the academic year instead of two, as demanded by the rapid strides that the medical college is taking. The subject matter will be more technical and more readable, and it will be devoted to the best interest of the medical student, voicing their desires and ambitions.

The editorial staff consists of: Fred Albert, editor-in-chief; Robert A. Lindeman, associate editor; C. A. Noland, Business Manager; N. D. Wells, Doktor; B. H. Miller, Freshman editor; W. H. Smith, Junior editor; and W. S. Johnson, alumni editor.

The contents of the first number will be issued about December 1st. The contents will be секрет, most of them involving the activities of the students and the progress of the school. The magazine will contain articles on the history of the college and other interesting topics.

IOWA WINS FIRST PRIZE

 Prof. W. J. Moore, chief of the department of zoology, in the St. Louis exhibition, has recommended the award of the first prize to Iowas for its historical contribution. The silver medal will go to Curator Albritch of the collection of whose treasures and displays is made, and also silver medal will go to Professor C. H. Blessing who is chief of the exhibit. This recommendation by Prof. Moore is made to the satisfaction of the committee, who will approve it. It is understood that hey will visit the school to see the display and give their opinion on the exhibits.

Awards of the first number will be issued about December 1st. The contents will be secrets, most of them involving the activities of the students and the progress of the school. The magazine will contain articles on the history of the college and other interesting topics.

Cheap Rates for Voters

Students who wish to go home to vote may get fairly low rates according to the following statement circulated by State Chairman Spence of the republican party.

The republican state central committee has in receipt of a notice from the national committee that, at special meeting of the Western Passenger association which comprises the rail lines running through Iowa, the question of making rates for students who go to their homes to vote was taken up, and it was decided to make a rate of one fare plus two dollars for voters presenting certificates from the proper officers. Tickets will be on sale November 6, 7 and 8, and in the meantime all of their reduced rate, voters will be required to obtain from the county chairman, a certificate which they must present to the ticket agent when purchasing their ticket. The state committee will furnish county chairmen with a supply of these blank certificates, and railroad agents will be advised by circular letter from the Western Passenger association of the rate. When purchasing a ticket the voter will be required to sign a receipt which is printed on the back of the certificate, and also to sign the certificate under the signature of the county chairman.

College Publications

The IOWAN notes with pleasure the general improvement in the quality of the college papers this year over that of last year. A number of the middle western papers have increased the size of their publications making a page of five columns instead of four. Among this number are the Minnesota Daily and the Illini. The Illini has also banished advertising from its front page making a much better looking publication.

The Minnesota Daily is running on the order of a newspaper and is filled with snappy readable stuff day by day. The Michigan Daily and the Chicago Maroon are the same dignified, conservative publications as last year. The former prints seven days a week.

The Daily Californian issued by the students at the University of California is still the marvel of college newspaper and maintains the lead without any doubts. It consists of four seven column pages each issue and rivals many daily newspapers for “makeup” and enterprise.

The University of Chicago has presented to the University of California a complete set of the annual publications.

On September 1 Columbia University at last completed its course and changed its name to George Washington University. The change was made by the Columbia Board of Trustees as the name of Columbia was so often confused with Columbia at New York.

The Flora De Yoe Company close their three nights engagement at the Opera House tonight in the play entitled "The American girl." This will also close the entertainments at 10, 20 and 30 cent admissions for some time.

Miss Marie Herites, the Bohemian violin virtuous, who is visiting in this city for a few weeks and has given one concert in this city to date, is to give another to be held in the auditorium of the world's masterpieces: "M. e. Herites, though only twen years of age, possesses an amount of feeling and artistic sense which is the dispar of musicians who measure their careers by twen years. Wherever she has appeared her high standard, whose requirement she fulfills to a degree that has amazed professors on both sides of the ocean, has been maintained and the wonderful power of music has made monsarch's pause in admiration." A new fire house has been installed at Stanford, which will be manned by a corps of students who will be trained in practical fire fighting.

Bar Nebraska Men

Chancellor E. Benjamins Andrews took summary action against alleged professionalism in University of Nebraska athletics, and as a result John Bender, right half back, and John A. Fenlon, tackle, are no longer members of the varsity football eleven. The chancellor, before whom the matter came to him for final action, refused to certify to the eligibility of the two players.

The charges of professionalism against both men were brought before the athletic board. As a result the two players had been held out of the team to the point of suspension from the team.

Manager Davis said that it was not the province of the chancellor to pass on the eligibility of the men but of the athletic board alone, and the latter had disapproved the charges of professionalism. He intimated the men would continue with the team.
