IOWA'S FOOTBALL TEAM MAKING RAPID IMPROVEMENT

First Team Scores Almost At Will on the Second

The practice of the Iowa football team last night was very satisfactory. The men of the first and second squads lined up against each other and the firsters succeeded in making four touchdowns in less than 30 minutes. A few times did the second safeties make major gains.

Griffith and Streff were out of the first team lineup and their places were filled by Valerius and Murphy respectively. Both played a very creditable game. Kent played quarterback and ran the second team in all the regular ways in the game and displayed a good head.

The work of Kent and Valerius insures Iowa of five quarterback material from which to select a successor to "Reddy" Griffith who is now playing his last season.

It is expected that the football fans that it is necessary to use in the Minnesota or Illinois games.

Resolutions of Respect

Whereas, it has pleased the All Wise Father of the Universe to remove from her midst John Albert Hampson, and to take up his last duties, and to reward his loyal and his untiring devotion in the service of the State University of Iowa, that he may be given a rest from the Will of the Most High we do not ask for the loss, but for the consolation and the comfort of his family and friends.

Therefore be it Resolved, by the class of 1894, that this resolution be placed on record, to show the appreciation of his merit and his talents.

Be it also Resolved, that the class of 1894 will hold in their hearts the best wishes and the best wishes for all the members of his family.

Signed:

Claude E. M. Barl, 
Chairman, 
Committee.

Earl Murray, of the class of 1894 at Kansas, was awarded the Batchel Fellowship Scholarship last year for the state of Kansas, was refused entrance into St. Louis College. He was refused admission because he had applied for admission, because he was a member of the Church of England.
A meeting was held for the consideration of a new 15-story building near Main Street and a 10-story building on the university campus. The attendees were asked to pool services of the building. The proceeds will be spent on the purchase of the new building and the rental of the old one.

At the meeting, it was decided to establish the University of Iowa Medical School. The official letter from the University of Iowa was handed to the audience for verification. The attendees were asked to meet in 15 days to discuss the matter.

Another meeting will be held Thursday night. The attendees of the last meeting were shown the new building site, and all members present were asked to pay their fair share.
