Recital Was Good

State High School Field Meet To-morrow

Over Three Hundred Athletes Will Compete on Iowa Field For the State Championship Honors

Every train entering Iowa City brings high school athletes and their supporters for the big contest to-morrow. The many days of rain and cold were forgotten at the appearance of the bright sun in a clear sky today and the weather forecast for tomorrow is favorable. The hotels are rapidly filling with high school representatives. All work in the university will be suspended and it will be open house at all the buildings.

Speculation is rife among the officials as to the result of the meet but no general favoriue has as yet been expressed. The high school schools is larger than last year and contains twenty-eight hundred entries from Sioux City, West Des Moines, Marengo, Newton, Eldridge, and the Shakespearean scene by Miss Velben and Miss Cower, who were among the business men. The audience at the recital filled the auditorium.

Tonight also in the liberal arts auditorium, Miss Edna Pearl Stone will give a recital from "The Spanish Gypsy," by George Bizet. Miss Stone has exceptional ability as a harpist and her work is certainly to be of a high standard.

Hawkeyes Makes Hit Studies were almost completely forgotten this morning on the appearance of the Hawkeyes. Every stairway in the hall of liberal arts was filled with students taking time out to get their copy for publication. The universal criticism of the Hawkeyes is a good one, and all purchasers are pleased. At noon the first assignment of 250 had been practically disposed of and none of the out of town orders had been filled. The entire number printed, amounting to over a thousand, had failed to find a good market.

No objection was found with the additional number of the Hawkeyes. Hawkeyes and it is generally agreed upon. An extra half dollar was spent for value received. The large number of illustrations and their good printing are pleasing. The book is remarkably free from typographical errors in view of the fact that it was put out on short notice.

State Tennis Tournament

The state tennis tournament between the teams from Ames, Ankeny, Dallas Center, Des Moines, Fort Dodge, Grinnell, Grinnell, Marshalltown, Ottumwa, Quad Cities, and West Point. The main meet will be held tomorrow afternoon at 1:30. At eight o'clock on the main court will be given by the varsity band and glee clubs. The regular business meetings will take place Saturday morning in the auditorium.

A spirited letter has gone out from some one in Iowa City to the state to the effect that no small rate was desired and that this was sanctioned by the business men of the city. The false statement went on to say that the merchants here would not be benefited by the meet in any way and they by no means desired a boom. Fortunately enough Iowa City merchants are too wise to be taken in by the matter early this morning and sent telegrams to dispatches to all the state papers denying the report. While in many respects the high school meet will be directly benefited, they have been given their aid for purely unselfish purposes and for the good of the university. The dinner to-morrow noon at the Armory is given entirely by Iowa City merchants, businessmen and individuals in many other ways. It looks very much as an intention of someone, not a resident of the city to kill the custom of holding the meet here.

Judges of weights-J. G. Chiadnas, Dr. J. B. Miner.

Judges of Jumps-E. Barlow.

Judges of Toss-Up-Prof. B. H. Herr.

The meet will be the best since the organization of the association. More high schools are entering teams every year and more enthusiasm is shown in high school athletics. The truck will be fast and it is very likely that state high school records will be broken.

Continue to Win

The varsity ball team continued to play in winning form taking the game from Penn yesterday by a score of 8 to 2. The team returned from the trip last night and will commence preparation for the snappy game with Hamline tomorrow. The Col. W. G. Dow, of Cedar Rides, is in town on interurban business.

Middletonian is Out

Is Alumni Clinic and Memorial Number

Contains Full Account of Memorial Exercises and Descriptions of the Clinics

The May number of The Middletonian's present year is an excellent copy of the banner year of 1920 and is called the "Alumni Clinic and Memorial Number." The cover and text are printed on excellent printing paper, the Old Capitol and the frontispiece of the old print is selected for the fine work that was put in by the late Dr. William Drummond Middleton, which was dedicated at the recent game with alumni doctors. The magazine also contains a front view of the same building and also a cut of the oil painting of Dr. John Walter Har- rison which was dedicated at the same gathering.

The introductory article is an account of the memorial exercises. The speech of Dr. Hier- ration, the speaker of the day, is one of the most delightful of the heap of the bust of Dr. Middleton, is given in full and is an excellent summary of his career, the man who did so much for Iowa's medi- cines. President Mac Lane's speech in the name of the employees of the O.R.I.& P. R. K. who contributed toward the bust, in the name of friends, and in the name of the university. The article continues with E. R. Baly's article on the Middleton Memorial which is the record of the memorial portrait of Dr. Har- rison, Dr. McClinton's eulogy, and closes with a short speech of acceptance by Dr. Prentiss in the name of the University of Iowa. All the speeches are full of sincerity and show the high regard in which Middleton and Harriman were held.

This is one of the interesting papers read before the clinic was held. The Campaign Against Tuberculosis by Dr. J. H. Sauer, of Clarion, Iowa. This paper appears in full as also does a paper by F. P. Fullerton, Funeral, Leslie Mason, Jack Streiff.

The town of Osamos, Lyman country, South Dakota, is located on the west bank of the Missouri river, opposite Chamberlain. With the completion of the Lyman county extension of the Chicago, Milwaukee & St. Paul railway, Osamos will become the distributing and shipping point for a populous and productive area larger than the state of Vermont. The town is beautiful, well drained, has the advantage of railway and steamboat transportation and is bound to become one of the largest and best business and trade centers of South Dakota.

About June 1 there will be a sale in town lots offering excellent opportunities for real estate investors. Business men who are seeking good locations for mercantile enterprises will do well to identify themselves with Osamos. Watch for dates of auctions for the sale of Osamos town lots.
