STATE CHAMPIONS
IOWA TENNIS PLAYERS WIN TOURNAMENT
Next Meet Will Be Held on the Varsity Courts—Complete Score of Matches
At the annual business meeting of the Iowa Tennis League of which J. G. Monnet is chairman, it was decided to completely revise the constitution for the next year, and the State tournament for 1906 was awarded to Iowa and will be held on the varsity courts.

Iowa won the state tennis championship in singles and doubles at Cedar Rapids Thursday, Friday, and Saturday of last week. Monnet represented Iowa in singles and Cogswell and Monnet in doubles. The surprise of the tournament was the win, which with the Iowa doubles team went through the tournament and especially their one-sided victory in the first round. The final round. Ames was almost a favorite, yet the varsity team played as if unbeatable and went through the tournament with a score of 6-2, 6-0, 6-1, winning at one time eleven consecutive games. In the singles, Cugleman of Coe put up a good game.

Blatherwick of Grinnell lost largely through over anxiety and his own errors. The real match of the tournament was that between Monnet and Cugleman in singles. Stanton, as he did in the doubles, proved too much for Cugleman, and the second set and the first two games of the third, but at that point Stanton reversed matters and took four straight games, putting Cugleman out of the match. It was then Monnet's turn to lead, and he was never equal to win and gave his opponent just three points in the last six points played.

The complete score of the meet is as follows:

Doubles: First Round—Cugleman and Monnet, Iowa beat Goodyear and Cugleman, Cee 6-3, 6-3. Stanton and Cugleman, Ames beat Hulbert and West, Grinnell 6-8, 8-6, 7-6. Second Round—Stanton and Cugleman, Iowa beat Goodyear and Cugleman, Wallas, State Normal, 6-0, 6-0. Cogswell and Monnet, Iowa, beat Cugleman by default. Final Round—Cogswell and Monnet, Iowa beat Hulbert and Cugleman, Ames 6-2, 6-0, 6-3.

In the last minutes some tennis sight in the K. P. hall.

ANNUAL INSPECTION
CAPT. TOMPKINS REVIEWS IOWA CADETS
Excellent Showing Made—Competitive Drill for Coast Guard
This Afternoon
The university battalion received its annual inspection under the direction of the United States war department yesterday afternoon. Captain Frank Blatherwick of Grinnell was inspecting officer. The full ceremonies of dress parade and guard mount were carried out by Colonels Hurst and the student officers, and the battalion was inspected by Captain Tompkins. Music was furnished by the university band. The drill was held on the grounds just east of the armory. Although the drill had been recently leveled and prepared for the use of the battalion, a large number of spectators were present.

Last evening, when seen by a representative of the Iowa Captain Tompkins expressed himself as being thoroughly pleased with the drill held yesterday. Notwithstanding the disadvantage under which the battalion has been laboring for some time, in a lack of a suitable place for the drill, Tompkins, nevertheless, declared the officer, an excellent showing was made. Captain Tompkins commented especially the evident ability of the officers in charge both of the battalion and of the various companies.

Captain Tompkins is acting as judge at the drill this afternoon and in the several cadet companies are competing, the captain of the winning one to receive the standard and a place in the competition. The most critical point of the drill is the line of cadets for which the two companies on the line are to be held. This is to be held by the two companies of the 11th Cadet.

Nowell and Cugleman will represent Iowa in singles. The real match of the tournament was that between Monnet and Cugleman in singles. Stanton, as he did in the doubles, proved too much for Cugleman, and the second set and the first two games of the third, but at that point Stanton reversed matters and took four straight games, putting Cugleman out of the match. It was then Monnet's turn to lead, and he was never equal to win and gave his opponent just three points in the last six points played.

The complete score of the meet is as follows:

Doubles: First Round—Cugleman and Monnet, Iowa beat Goodyear and Cugleman, Cee 6-3, 6-3. Stanton and Cugleman, Ames beat Hulbert and West, Grinnell 6-8, 8-6, 7-6. Second Round—Stanton and Cugleman, Iowa beat Goodyear and Cugleman, Wallas, State Normal, 6-0, 6-0. Cogswell and Monnet, Iowa, beat Cugleman by default. Final Round—Cogswell and Monnet, Iowa beat Hulbert and Cugleman, Ames 6-2, 6-0, 6-3.

Bigma Chi will entertain tomorrow night in the K. P. hall.

MUSICAL PROGRAMS
CONCERT BY APOLLO GLEE CLUB TONIGHT
Dr. Gilchrist Will Give Organ Recital Next Saturday Evening
Tonight, at the Congregational church, will occur the first public concert of the Iowa Apollo Glee Club. This organization, although organized only recently by a number of the desiderate students, is one of the foremost musical clubs of the university. The program this evening will consist of several vocal numbers by the club as a whole, together with solos by prominent individual musicians. Among these appear the names of Miss Wallace, soprano; Mr. Davis, baritone; and Mr. Beibelman, baritone. Miss Boyce has also been secured to give one of her renderings. These persons are the ones who accompanied the club in its recent trip to Masonic Victor, and other towns in this part of the state.

Gilchrist Concert
Professor James G. Gilchrist will give a concert Saturday evening at the Trinity church. Though very much in the nature of a private matter, all are invited and no admission will be charged. Professor Gilchrist is organist at the Trinity church and was induced to give the concert by the urgent request of many university and town friends.

The program is as follows:

Wagner
1. Overture
2. Prayer
3. Approach to Cathedral
4. Wedding March
5. Bridal Chorus

Handel
Symphony No. 2
Allegro-Adagio-Minuet-Trio
Concerto No. 2 (2nd movement)

Beethoven
March of the Priests—Adeste Fideles
March of the Angels—Adeste Fideles

Mendelssohn
Normal This Afternoon
The varsity ball team lines up against the Normal nine this afternoon. Iowa defeated Normal last week by the score of 10-3 at Cedar Falls. Kent will probably pitch for the varsity.

Rumored Protest of Hamilton
It is rumored that Hamilton of State Normal, likely winner of the sprint, and 440 at the state meet, has been protested on good ground.

LOW RATE SATURDAY EXCURSION WILL RUN TO DES MOINES
Ames Is General Favorite In State Meet, Will Not Be the Iowa Victory Is Probable
Arrangements for an excursion to Des Moines and the state meet Saturday have been successeful and Manager Walker announces a $2.25 round trip rate. There is a larger train bill which reaches Des Moines at 11 o'clock, returning, the train leaves Des Moines at 8 o'clock. A similar excursion which ran from Grinnell, coupled to the Iowa trails train, was put in this Saturday. A portion of the grandstand has been reserved for Iowa rodders and tickets are on sale at the book store.

All rodders are requested to get their seats in the Iowa section as the competition will be very keen. Dope on the meet is plenty but rodders contain prophesy ciously. No matter what they do, they will not meet unconditionally. Ames is the general favorite throughout the state, yet Ames men themselves are not over confident. The state will be the best ever held and the five larger schools, Ames, Drake, Normal, Grinnell and Iowa will range within a few points of each other. Iowa drops predict 2 to 3 points for the state, but Iowa has the total amount. The high jump is universally conceded to Iowa. Bart, of the Drake faculty, competed in this year's meet and received his credit. Parsons has also more than a chance for a place in theRepresentation. The competition is limited, but that is far due to Iowa and on the track the Iowa boys are at the top of the list. There is a large number of Des Moines with the exception of the two big events, the mile relay and the field relay. A large number of Des Moines will be put in Iowa, Ioway has made this distance in 3 min. 5.5 sec. in the strongest kind of competition against the Ames runners.

Iowa can hope for very little from the state. The third in the Old Gold from the Des Moines meet is rumored to be at least 200 yards from the first man. The 110 hurdles is rumored to be at least 100 yards from the first man. The hurdles are probably pitch for the varsity. The state meet was won by the Iowa men last week and will probably pitch for the varsity.

Conference Information

Instructions from the secretary-treasurer of the conference graduate committee to Manager Walker announce that preliminaries in the quarter mile will be run on Friday afternoon of the week preceding the main meet, so that there shall be only nine starters in the finals. Preliminary races will also be held in the pole vault the same afternoon only those contestants going 10 ft. 6 in. qualifying for the finals. There will be a relay race, provided there are four entries and three starters will be required. The discus which is to be used in the contest has for the first time been accurately described as follows: The discus shall be of smooth hard wood body, without finger holes, weighted in the center with lead disc and capped with the brass band with steel ring on the outside. The weight of the discus shall be four and a half pounds; outside diameter eight inches; thickness in center, two inches. No other than the above discus can be used.

Opportunities at Oacoma, S. D.

The town of Oacoma, Lyman county, South Dakota, is located on the west bank of the Missouri river, opposite the city of Yankton, South Dakota. The population of the Lyman county extension of Tipton, Missouri is 8,000. The Oacoma railway, Oacoma will become the division town of the Denver & Rio Grande railroad. Oacoma has a splendid and productive area larger than the city of Rapid City. The town site is beautiful, well drained, has the advantage of highway and railroad transportation and is bound to become one of the most important trade centers of South Dakota.

About June there will be a sale of town lots offering excellent opportunities for profitable investment. Business men who are seeking good locations for mercantile enterprises will do well to identify themselves with Oacoma. Watch for dates of excursions for the sale of Oacoma town lots.
