Track "I" Awarded

Athletic Board Met Last Evening

Manager H. G. Walter Announces That He Is Not a Candidate for Re-election

The board of athletic control held an important meeting on Thursday evening. Some of the track "I's" and the athletic in

signa of honor for track work were awarded. This granting of the athletic emblems is only an intermediate, as other men on

the track team will undoubtedly become eligible for "I's" and in

turn. Track "I's" were awarded last evening to Davis, Smith Mc-

Mahon, E. E. Barker and Donovan. The A. I. U. insignia was

granted to Stanfield, Brown, Barker and the members of the

two relay teams who ran at the normal meet. Some of the men

who composed the relay teams have since won "I's" and will be

given the A. I. U. insignia. Those who will receive the A. I. U. are Kimecic, Stan-

field, Durkee and Brown.

Manager of athletics Honry G.

Walker also announced to the board that he was not a can-

didate for re-election. Manager Walker's services have been

highly satisfactory to the board and it was with regret that the

members heard the announce-

ment. Manager Walker desierably desires to devote his attention to his law work next year.

A committee composed of Pro-

fessors Smith, Courners and

Fred Moore was appointed to re-

ceive applications from any stu-

dents who are candidates for the

position of manager for next year. This committee will ac-

quaint the applicants with the changes which have been made

in the duties of the manager and will submit the names of can-

didates to the athletic board at the next meeting. A book-keeper will be employed by the board next year.

Await State Meet Final Work-Out Given Yesterday

Team Leaves for Des Moines Tomorrow Afternoon—Prospect Brighter

After two days of rest the varsity track team composed of twenty-six men leaves tomorrow afternoon over the Rock Island for Des Moines. Coach Dolezal, Ed Rude and Manager Walker accompany the team which will arrive there Tuesday night. The team will stay at the Savery Hotel. The men are in a

fortunate condition for the state meet, as the most important contest of the year for Iowa track ath-

letes. The dope artist still thrives and although his task to pick a winner is very difficult frequent attempts are made. First place combination for the two mile, with Grinnell and Iowa with Grinnell a possibility. The Iowa men base their hopes of victory on their relay teams which will cut into the Ames and Iowa teams. The Iowa Agricultural College cannot figure on more first places than Iowa.

Davis has best chance for the 440 winner Hammerlin, hunt or not. The Normal printer will have preliminaries to run in the 100, 200 and 400 yard dashes and will be tried out more or less for the finals. Young and Shaw should get six points in the half mile, Riley or Stanfield, three in the one mile, three in the two mile, Barker and Parsons in the three in the half mile, their time will be a factor and the varsity men are prac-

tising for ten points in the rel

ief runs. This makes a total for Iowa of 36.

Amen should get three or four in the hurdles, one in the hun
tred, fire in the mile, eight in the two mile, five in the hammer, three in the shot put and five or six in the discus. The team has made a total of 35 or 36.

Grinnell is given ten in the hurdles, six in the high jump or in the long jump, and three in the high jump and possibly three in the hammer, making a total of about eighteen or twenty points.

The date for the Sophomore debate has been set for Wednesday, May 15th.

Pres. and Mrs. MacLean entertain

the members of the senior class. After the social hour the students, with the exception of the cheerleaders, will gather in the student union at noon. As a result of a meeting last night the varsity band will be formed and will play a field trip to Burlington, Saturday.

Dr. Paul S. Peirce, formerly instructor in the university and now assistant professor of American history, is visiting friends in the city.

The first "Carnegie Tags" were named yesterday by the commission in charge of the $5,000,000,000 given by the iron-

master. Three silver and six bronze medals were awarded and of the bronze medals one is awarded to Lavinia Steele, until recently connected with the

university and now occupying a similar position in the state library at Des Moines.

Miss Steele, it will be remem-

bered, cared the life of George

Johnston on the ninth of last December when Mr. Bill in company with a number of friends were sledding on the Iowa river. Mr. Bill in sliding over a patch of ice, which was at least twelve feet of water and was unable to get out, the river was too thin to afford a hold, until Miss Steele came to his assist-

ance. Since the incident the heroism that the medal comes to Miss Steele has been revealed.

Ivy Lane gave an informal dancing party this afternoon.

At Other Schools

“The Superannuated Professor” is the title of the play to be given by the Chicago seniors. Prof. Dunne R. Stuart of the Greek department at the University of Michigan has resigned his position with that institution to accept an assistant professorship in the classics at Princeton.

Lightbody, the winner of the mile race in the recent dual meet with Michigan, tauntingly beckoned to his opponents before him to hurry up. The Michigan Daily takes occasion to criticize caustically this suckerism of the Marcon runner.

The boycott of the Morgan Park students against the academic corporation was declared on Friday morning and they ate breakfast again in the dining room, after having been absent from two meals.

Anyone having the following copies of the Iowan can sell them at the Iowan office: Nos. 3, 4, 5, 6, 7, and 8.

The June number of McClure’s Magazine contains an interesting article on “The College Athlete,” by Henry Nash. The same number also contains a clever article by Hooler Volter, entitled, “An Apology for Going to College.”

The Rock Island will run a special train to the State Fair Meet at Des Moines Saturday May 27, leaving Iowa City at 7:30 a.m., returning leave Des Moines at 9:30 a.m. for the round trip. Tickets good only on special train on date of sale.

**VACATION**

How are you going to spend your summer vacation? Would not it be better for you to acquire a knowledge of stenography and typewriting by attending college? More students of the Capital City Commercial College, Des Moines, are now defraying their expenses partially or wholly by attending college by doing shorthand and typewriting work. Furthermore, a knowing shorthand and typewriting will help you greatly in class and lecture rooms. If you are going to a position in a bank or business house, shorthand will prove to be an excellent stepping-stone.

The C. C. C. will remain in session during the summer months. Special inducements for college students who enroll for the summer term. Most of the expenses may be earned by those who are making their own way through school. For detailed information, Address;
