All Off For The State Meet To-morrow

Team Left This Afternoon and Routers Follow in the Morning—
Many Records will be Broken

This afternoon at 3 o'clock the Iowa track team will leave Des Moines for the state meet tomorrow. Forty-six men were taken along, one of the smallest squads to enter the contest. The personnel of the team as announced by Coach Delaney last night is as follows: Runners—Davis, R. S. Hilman, R. H. Hayes, B. A. McMenam, M. Schwinn, L. Chalmers, J. J. Mether, W. G. Whittaker, D. S. Clark, and C. H. S. Smith.

The excursion train from Iowa City will follow tomorrow morning leaving the Rock Island depot at 2 o'clock. The members of the team have planned to go and the Iowa delegation at the state meet will be larger than ever before. A section in the center of the grand stand at the Polk county race track has been reserved for the Old Gold Room, in which party band will play all probability out-yall any school but Drake. The train leaves Des Moines tomorrow night at 8:30 arriving in Iowa City about midnight. The state meet has always been the one great contest in Iowa track contests. All the larger colleges will send teams and at least three think they have a chance for first place. The meet will undoubtedly be the best ever held in Iowa. No one team has a cinch on the result and from present indications it appears that the total number of points, 144, will be almost equally divided between the three teams.
