The winning oration will be submitted to the committee of the Hamilton club of Chicago, as was customary from ten other schools. This committee will select the four best orations which will be the subject of the final contest in Chicago next winter. The four men selected to compete in the final will have all their expenses paid to the Ili-

The winner of the final contest is also en-

ISSUING OF TWO BOOKS PROBABLE

The Resolutions Will Come Up
Before Professional Classes For Ratification

The junior annual agitation, caused by the resolutions circulat-

men law committee, and favora-

ly passed at the last meeting, will come up before other professional students who will soon enter.

As the resolutions the embryo session all that for the fall stu-

dent, they will, without doubt, be approved. Before making their final action, the committee, it is understood, con-
sidered representations of next year's junior and professional classes, pharmacy and college.

Airway the thing of the past as it has gone down in history. Twice the public has clearly demoted the title of Iowa.

Unconditionally, under a sign of the Cross, Trainner Jerry Delaney took a less than meet for the first time in good condition. He set the mark of the Normal men for a week but the change in weeks has been slight. While the result was surprising those who had bought and Brown before the contest an outcome.
