Cleared 2,000 on Past Season.

Manager Henry Walker Left Athletic Union in Good Condition.

Has Submitted His Report for Year Ending July 1, 1905—Two Thousand of Indebtedness was Canceled Off—Old Debt Half Wiped Out.

Henry G. Walker, who retired this summer as general manager of athletics of Iowa University, has submitted his report showing receipts and expenditures for the year of his management. It shows that $2,000 of indebtedness was cleared off, and that about the same amount is left, although if all the donations promised the association were paid, the indebtedness would be almost wiped out.

The report, which is self explanatory, follows:

By way of explanation it may be said that one-half of the manager's salary, $500 00, is charged to the account of football and the remaining $500 00 is divided between baseball, track, and other sports. The $500 paid by the Athletic Union toward the salary of Mr. Chalmers as coach is charged wholly to the football account.

From above statement it will be seen that we have paid the entire running expenses of the year, have applied almost $1,800 00 on old accounts, and have on hand a cash balance of $181 19. The books are accessible to anyone interested.

Chas. W. Johnson Address University Men.

The Y. M. C. A. held their first meeting Sunday afternoon in Irving hall. Chas. W. Johnson, general secretary of the Des Moines Y. M. C. A. was the speaker. The subject of his address was, "A New Experience," and it was intended especially for the young men who are entering the University this fall for the first time.

Mr. Johnson spoke of the temptation which beset a young man in the University, such as strong drink, gambling and dishonesty in securing credits. He made an earnest appeal for a strict morality. Said he, "A man coming away from home for the first time may think he can derive a little from the straight course, and still not go very far wrong. But that man does not realize that, no matter how little he may deviate in the beginning, he is continually going farther away from the right course."

In urging Mr. Johnson made an earnest appeal to the new man to accept Christianity and to shape their lives after the pattern of Christ.

Irving hall was well filled with men who listened to Mr. Johnson's address. The male quartet rendered two very appropriate and inspiring selections, and the songs were all of an enthusiastic, hopeful character. It is hoped that these Sunday afternoon meetings may be of great use in strengthening the religious life among University men.

Close Hall Improved.

During the summer Close Hall, the home of the Christian associations, has been repaired and made more attractive in many ways. The office, main hall, reading room and leisure rooms were repapered and a new steel window opening was put in the leisure room. At last year the building will be open every day and evening, Sunday included, and every student is welcome.

This makes the fourth issue of The Daily Iowan, and we have been pleased with the assistance and encouragement that students, faculty, and business men have given us. We believe that all of the above realize the necessity of a truly representative college paper, but no single interest or person can make this paper what it should be. We need the help of all of them, the students, faculty, business men and people of Iowa City in order to succeed. It is impossible for us to see you all personally. We are in school, but will get to you as soon as possible. If you get the paper and do not care for it, notify us at once so that we may correct our list and not continue our errors.

In this issue you will find a coupon which gives you our lowest price each week. Do not wait for our solicitor to come to you. Cut this out, sign it and hand it to us. This will save us much valuable time and insure you prompt service.

If you do not receive your paper regularly, let us know. We are revising the number list and it is taken time to get all the changes in address. The carrier boys are new and have not learned the town. We will appreciate your help, and try to meet it.

PROFESSOR ALUMNUS VINDICATED.

- Some time ago a sensational suit was filed against Geo. W. Egan, of Iowa, by a young lady, charging him with assault. A short time after he filed an affidavit saying that she had been coerced in the matter by certain men who wished to injure Mr. Egan, and that there was no truth in the charge.

Later another charge of the same character was filed by Mrs. Daisy M. Hunt. Concerning this there is the following special to the Register and Leader:

"Logan, Iowa, Sept. 25.—(Special)—Mrs. Daisy M. Hunt this afternoon dismissed her alleged $5,000 criminal assault case against George W. Egan, Tom Dennis's attorney, at Logan. "It is alleged in the dismissed file with the clerk of the district court that the charges were false and that she was induced by her husband, Henry W. Hunt, to bring suit for the purpose of private gain and to injure Egan's reputation. "Both cases against Egan are now dismissed."

This will be good news to Mr. Egan's many friends, who have from the first refused to believe him guilty.

Coe College Plays University of Iowa.

With several hundred loyal rooters, Coe college of Cedar Rapids, on an excursion train on the Interurban, invaded the University city this afternoon. The Native Blood was crowned, every available seat in the grandstand and every bit of good standing room around the field being taken. Carriages decorated with the old gold colors of the University and while missed goal, the red and yellow of Coe were blended with one another in the great throng.

The Coe Line-Up.
The Coe line-up averaged up 150 pounds.

Nickerson played center, Carson and Swearengen guards, Ratcliffe and Titkam played the tackle positions, Aston and Townsend ends, Whaley, quarter-back, Bieter and Martin were half backs and Pink played full-back.

The Iowa band of 36 pieces paraded around the field before the game and made a big hit with the crowd and singing great applause. Prof. Stryken led the Iowa rooters and thus, begat the singing.

Iowa Line-Up.

Steph, center.
Fitz, left guard.
Naran, right guard.
Siewicz, left tackle.
C. White, right tackle.
Streff, left end.
Moore, right end.
Murphy, left half-back.
Green, right half-back.
McGowan, full-back.
Kent, quarterback.

Coe's Line-Up.

Coach Bryant gave out the following line-up:

Nickerson, center.
Carson, right guard.
Swearengen, left guard.
Ratcliffe, right tackle.
Titkam, left tackle.
Aston (Capt.) left end.
Townsend, right end.
Bluster, left half-back.
Martin, right half-back.

Pink, full-back.
Whaley, quarter-back.

At a quarter to three the Coe college squad entered the football field and the Iowa squad a few minutes later. The two teams went through a short signal practice and then Reference Codron and Umpire Smith, of Cedar Rapids, called the teams to line up, and V. L. Tremore, of Council Bluffs, kicked off 20 yards at 3 p.m. Governor Cummins was not able to be present to kick off. Crecco White got the ball on kick-off and fumbled, and Coe got the ball on Iowa's 25 yard line. Coe lost the ball on downs and Murphy, of Iowa, ran 30 yards with the ball. Crecco went 15 yards but, was penalized 15 yards, and Kent punt 35 yards. White of Coe ran around right end for 3 yards. Crecco punt 25 yards and Murphy was downed in his tracka. Crecco made 5 yards around left end. Murphy failed. McGowan made 7 yards. Kent punt 12 yards to Murphy who got the ball. McGowan made 10 yards through Coe's line. Schwiin was pushed over for a touchdown. Time 6 minutes. Crecco White missed goal. Score 0, Coe 6.

Kent kicked off for Iowa. Coe failed to make first down and punt, but White of Iowa blocked the kick and Coe retained the ball by a loss of 3 yards. Coe punt again and Kent was downed. Green made 5 yards through Coe's line. Green hurt. Time called. Murphy made 2 yards. Murphy made three yards again. McGowan failed. Murphy made 1 yard. McGowan made 1 yard and Schwiin went over for a touchdown. "Cresco" White missed goal. Score 6, Iowa 0.

Coe kicked 40 yards to Iowa and Kent returned the ball 15 yards. "Cresco" White gained 2 yards around right end and Murphy gained 6 yards around left end. Kent pointed to Coe and Shouter returned the ball 3 yards. Time up with ball in center of field. End of first half, Iowa 16, Coe 6.

Second Half.

Watchorn went in for Fitz. Iowa kicked 45 yards off to Coe and Martin returned the ball 20 yards. Coe failed to make first down and punt the ball 26 yards. Kent taking it back 10, Greene and Moore, both failed to gain and Kent punt 20 yards. Martin of Coe fumbled and Iowa got the ball. Fritzel went in for Green. Streff gained 10 yards; Murphy made 5 yards around right end. Fritzel failed to gain. "Cresco" was pushed over 35 yards for a touchdown. Kent kicked out to White. Kent kicked.

IOWA GYMNASIUM AND ARMY—ATHLETIC HEADQUARTERS
SMART chaps are always eager to inaugurate the new season in advance of the throng. We shall hold our opening display of Fall and Winter overcoats much earlier than the other shops because this is a shop that doesn’t cater to men of average ideas.

You swagger young fellows around the young twentys who to-day are dictators of proper clothes will find College Brand Clothes laid out for choosing tomorrow. They are nearer to the custom-tailor idea than any ready-to-wear garments have ever touched. They have all the little trickeries of special measurement—as much, if not more, swing and dash to them, and certainly an equal degree of fitting perfection.

You can’t find clothes just like College Brand Clothes because there ‘ain’t none’, and different from clothes for men of settled tastes.

They are custom shoulderéd—custom draped—the clothes are custom clothes—the cut is in the cut of custom shops. Every point has been strained to make them outstandingly clever without straining your income in their buying.

College Brand Clothes cost no more than any other good sort of ready-made clothing—this resemblance, however, is only price-deep.

The moment you leave the cost ticket out of calculations they are no more like any other shop's stock than last year’s College Brand Models are like this Fall’s.
