Chicago !

Nearly Two Hundred go to Help Iowa Win the Game.

Twenty left on the early train this morning which leaves at 1:45 a.m. and eighty left on the Rocky Mountains Limited at noon, so the one hundred mark was reached this morning. It was necessary to get one hundred to get the low rate of $6.25 the round trip. Fifty or more will go this afternoon and evening, making in the neighborhood of two hundred loyal Hawkeyes on Marshall field tomorrow. These, together with the best friends of Iowa that live in Chicago and vicinity will be able to cheer the "Old Gold" fighting men on to a victory, if it is so wished.

The team left on the noon train today, comprising nineteen members of the team who were: Naram, Fitz, Atkinson, Rockwood, Seidler, Some, Moore, Streit, Kent, McGown, Murphy, Chalmers, Greene, Toop, Krapp, Sniss, Fritzele, Washers and Roy White.

The team left in good condition and with the determination to win. Every member had a poster pasted to his suit case bearing the likeness of "P, M. the old Iowa mascot and the Iowa pennant.

A good sized crew saw the boys off and told them to run the Maroons off the field and a hearty rooter and the old Iowa fans were ready.

The team showed its great appreciation of its coach, John Chalmers, who was carrying his young son in his arms, by giving nine "oks for John Chalmers Jr. The fond father was greatly pleased.

Team to be at MT at Train.

The team will be met at the train and taken immediately to the Chicago Beach hotel where they will stay. Tomorrow morning signal practice will be gone through with by the Iowa eleven.

Game Officials.

Prof. Thorpe, of Iowa, will head the Basemen in the game tomorrow afternoon and Hogedin and Waldman of Chicago, men as umpire and refer the respective.

PRAISE FOR BAND.

Manager Jones cannot say too much in praise of the State university band, which played for the entire meeting in the Liberal Arts auditorium last evening. Mr. Jones didn't see Band Director Van Doerr until yesterday afternoon about playing for the meeting, and Mr. Van Doerr was going to Cedar Rapids, but said he would do what he could for him. Twelve of the men showed up and rendered music fit for any audience, however musical, and without a lead, or two, Iowa's band deserves a great deal of praise from every student and every citizen of Iowa City. They will soon be on their way to and the forty-piece band of the State university will go a long way toward raising its already high standard.

ENTHUSIASTIC MASS MEETING.

Prof. Brydon Preludes at the Meeting—Good Address Made by Football Enthusiast.

The band opened the mass meeting with several selections which were heartily applauded. C. L. Brydon took charge of the meeting and called upon Prof. A. G. Smith to address the audience, he being present at the Chicago/Wavanaugh game last Saturday.

Prof. Smith said in part that Iowa could beat Chicago and every Iowa man that could go to Chicago should do so. He said that Chicago played hard and long with the light Wabash team and had to fight for every inch they got. He said that we ought to beat Chicago and do better place could Iowa win a game than on Marshall field. "Go and see Iowa win or lose!"

Judge Toware next gave a pleasing address. "You can, by your assistance, ensure that the platform and the game shall be decided to the advantage of Iowa." He said that if defeat came Iowa should bear it smilingly and cheer the team, although not victoriously.

Henry Walter, last year's manager of athletes, called upon to speak. If a good crowd went with the team to Chicago and defeated them, the enthusiasm would run so high that we would go against Minnesota with the determination to win that game also, and would win it, too. As Manager Jones and Prof. Smith have said, we can beat Chicago. I do not mean that eleven men alone can make the difference, although it must each work to triumph, and Iowa ought to hold the Maroons in a close score. There is such a thing as Iowa defeating Chicago this year, but most of the chances are against it. Iowa should count a 6 to 0 score in favor of Chicago a victory and go to Minnesota confident of taking the Gophers' scalps. The weight of the two teams is about the same, although the Chicago team has the slight advantage. Iowa's lightness is apparent in her backfield, where Chicago is very heavy.

The Iowa team, however, all left this morning with the determination to win and to hold the Maroons. Every Hawkeye wishes the same thing and Iowa's eleven and a good crowd of renters ought to give Chicago the score of the season.

A VALUABLE MAN LEAVES IOWA.

Mr. Joseph O. Johnson, who held a fellowship in political science in R. C. U. 1, has gone to New York, and will enter the Drew Theological seminary. Mr. Johnson was one of the Morning young men in the University. He was a graduate of the Iowa State Normal school and later taught in the Brighton schools.

He then became the joint editor and publisher of the Cedar Falls Record. When this paper was sold to its present owner, Mr. J. W. Jarman, Mr. Johnson came to R. C. U. 1, to take advanced college work and has been gradu­ ued he has been pastor at Lisbon, Iowa, and now he has his connection with the State university and has studied for the ministry, and has been ordained. He has decided upon the line of work he will take up, and the degrees which should be obtained.

IOWA'S CHANCES TO WIN.

Hawkeye Eleven Will Exert Every Effort to Conquer Maroons.

Last Saturday the light Wabash University almost lifted Chicago off her feet and the Maroons succeeded after a hard struggle in defeating the Hawkeyes by sheer weight by the score of 25 to 0. Wednesday Chicago defeated Detroit by the score of 38 to 6, but Purdue did the same thing the Saturday before and Purdue has been very weak for several years—a great deal weaker than Iowa has been.

Since the 1900 game at Chicago, when the Hawkeyes defeated Chicago, 17 to 6, Iowa has met defeat at the Maroons' hands. But though Iowa triumphed in 1901, she has gradually getting back to her old standard and Iowa ought to hold the Maroons to a close score. There is such a thing as Iowa defeating Chicago this year, but most of the chances are against it. Iowa should count a 6 to 0 score in favor of Chicago a victory and go to Minnesota confident of taking the Gophers' scalps. THE PROPER THING

The Daily Nebraskan Saturday announces that university credit will be given for all work done upon the paper. The places are all filled by competition and such one appointed must have had a certain amount of English work, the amount depending upon the position upon the staff.

The editor must always be an up-perclassman in good standing. The candidates are required to submit their names and a record of their work in the school with their application. If they are identified with any special feature of school work it must also be mentioned. They must then prepare copy for a number of days and have it inspected. Later a selection is made from the best prepared candidates.

In this manner efficient service is assured and the editor-in-chief has the power to insist on a certain amount of work weekly from his assistants.

When the student has done a semester's work satisfactorily, he is given credit for it upon the course that he is trying.

This is as it should be. There is a great deal of valuable training in such work and the work is of such a practical nature that it helps many a student to solve the economic problems that he must meet. Nebraska is to be congratulated in taking this advanced step.

Congressman Dawson and President MacLean of the Iowa State University spoke at the laying of the cornerstone of the new $40,000 high school building on the north side yesterday afternoon before a large gathering—Dispatch from Clinton, Iowa.
