Minnesota Defeated Iowa

But Hawkeyes are Game to the End—Every inch of Ground had to be Fought for by Gophers.

Last Saturday was very cold in Minneapolis, but it was real football weather. Over 6,000 people witnessed two fast snappy games on Northrup field. The freshman of Iowa are observing no small amount of law and order. A team, heavier than theirs, Iowa’s first year men, on foreign ground, held the powerhouse of the West to 8 to 0 score in the first half. On the second half the Minnesota first year eleven scored, making the final 6 to 6. The Hawkeye freshman’s defense was very strong, but the offense was not. The score was 6 to 0.

The Varsity had a harder proposition in the Minnesota Varsity. The Gopher team weighed fifteen pounds per man more than the Gophers, and were not only fast, but played dirty ball at times. Although the score seems large to those who remained at home, those that saw the game can give the reason. The Hawkeyes played good football, everyone of them, all the time, and never lay down for a second. From start to finish Iowa’s gridiron stars were game, and played with zip and vim at every point. Minnesota was held for downs with zip and vim at every point. Minnesota was held for downs with zip and vim at every point. Minnesota played the best game they ever played.

"The Iowa Hawkeyes, playing a game of this kind, are not likely to make the same mistakes as the Minnesota seniors in their next game. Iowa’s players were very gritty. Everyone who saw the game has from his joy Octave-Philp hall never the strongest aggregation I an art exhibit and reception of no small amount. Everyone who saw the game has from his joy Octave-Philp hall never the strongest aggregation I an art exhibit and reception of no small amount.

KILITES BAND.

Those who heard the hand concert last evening had a genuine musical treat. All a rule there is a sameness to hand music that makes one weary when the concert is about half over, but not so with the Kilites. There was something new every selection. The selections varied from popular Scotch melodies to the dignified music of the Highlanders. The choir of the tenor solos, the artistic dancing, all made it a novelty.

Manager Rowley is to be congratulated upon bringing such attractions to the campus.

VAN DER ZEE AT ALEXANDRIA,

We are in receipt of a letter from Mr. Van der Zee, dated October 15. He is at Merton college, having arrived on the Wednesday previous to his writing. Mr. Van der Zee expressed his joy at finding a bundle of Iowaans waiting for him. He also sent regards to all Iowa City friends.

BATTLE APPOINTMENTS.

Commanding Officer Makes Appointment and Announces Important Changes.

Lieutenant Weeks, commandant of the cadre battalion, appointed a number of new non-commissioned officers yesterday afternoon for the purpose of filling vacancies. The new ruling, requiring only two years of military drill, went into effect at the beginning of the year. It is considered a part of the sergeants, who are usually members of the junior class, conscripted into the service of about half over, as may be necessary. “Hereafter,” said Lieutenant Weeks yesterday, “the officers, both commissioned and non-commissioned, will not be appointed until shortly after the beginning of the year in which they are to serve, and will be chosen solely for ability, without regard to their previous position in the battalion, except that only seniors may be appointed commissioned officers.”

The purpose of this plan is to encourage the cadets to better work and also to give the commandant a more direct personal supervision over the men under his command.

GOOD LITERARY WORK.

Octave-Phillis hall never had a larger or audience than last Saturday night. The hall was packed, not allowing chair room. The literary program has received praise from every side at the beginning of the year, and the society. Concert music rendered by the Mission Berry was enjoyed by all. The readings by Miss Van Denburg and Miss Effie Blum were delightful surprises. Miss Weber gave a learned discourse on Thomas Bailey Aldrich. The debate between Philip Borrich and Butterworth, Conaway and Frostick, was a decided demonstration of the elective system in education.

After the program the societies en- gaged their friends by the aid of a dainty chafing dishes. There was an unusual number of out of town guests who remained to enjoy the party.

The party dispersed at the latest possible hour, everybody declaring it was the best time they ever had.

NO SCIMMAGE.

The Iowa squads went through no scrimmage last evening, but were put through a thorough signal practice. Murphy’s knee is still in bad shape and Chalmers’ ankle seems no better.

KENT’S ANKLE, WHICH WAS NIGHTLY INJURED IN THE MINNESOTA GAME, MADE IT HARD TO PLAY LAST EVENING. NETHER Murphy nor Chalmers took part in the signal practice. The team is not in very bad shape, however, and Coach Chalmers will begin to work the Hawkeyes in shape to run up a large score on the teachers next Saturday.

A STRANGE MEETING.

If the sun is permissible, the university will have a genuine musical treat. All a rule there is a sameness to hand music that makes one weary when the concert is about half over, but not so with the Kilites. There was something new every selection. The selections varied from popular Scotch melodies to the dignified music of the Highlanders. The choir of the tenor solos, the artistic dancing, all made it a novelty.
