Students Attention

We wish to take this method of thanking the students of S. U. I. for past favors, and having carefully considered the present situation, have been forced to the conclusion that neither the photographer nor students have received fair play from some of the picture committees this year, and for this reason we have decided to make the following great offer which has never before been equalled in the history of Iowa City photography.

$2.00 per doz. Townsend $2.00 per doz.
$2.00 per doz. Photographs at $2.00 per doz.

Just think of it! Duplicates $1.75 per doz.
The Greatest Offer Ever Made in Photographs

This offer to students only, every student regardless of what class you belong.

NO COMMITTEE GRAFT. Deal straight with the photographer.

Why pay $3.00 per dozen for inferior work when you can get Townsend's work, The BEST for $2.00

This offer good only the balance of the school year

A hint to the wise is sufficient.

Get your individual photographs at Townsend's

The above offer refers to the same size photo and style of finish made heretofore at $6.00 per dozen.

Mr. Townsend will be in the Studio personally to oversee all the work, and as usual the quality will be all that is desired.

Sit at once and avoid the rush
