**LISTEN TO OUR SAY**

We aim to give our customers a clothes service which year in and year out, will mean their satisfaction. We do not make it a rule to sell goods "below cost" if we had we would not be doing business after fifty-one years of it.. but we do try to buy clothing we will be proud to see our customers in and we buy it under circumstances that we can sell it with our profit added at a price which is altogether reasonable. And just one thing more - we give our best attention to every detail of the business and always stand ready to "make good."

**A STETSON STRAW HAT**

A straw hat is the all important part of a comfortable appearance in the summer time. The wide brim in the salitor this year insures more protection from the sun than the prevailing styles of past years. They are right, too, or they would not have the Stetson stamp.

**Latest Styles. $1.00-$3.50**

If you wear Mansing Underwear in athletic, regular show or athletic and knee-length styles this summer you will look RIGHT. If you wear Manhattan shirts you will look RIGHT. They are priced RIGHT here.
