RAIN GOD IN HUMOR: PRACTICE PERMITTED

PEEP SNIP EARLY HOOT FOR BACK FIELD WORK-OUT

Second Official Day of Practice is a Stimulant to Hopes of Hawk- eye Followers.

Our Iowa favorite was in a particularly good humor this evening and was ready to adjourn at 8 o'clock, when coach C. W. Griswold thought they had been good for the second evening’s practice. No one appeared on the practice field after that and there has been no chance to let their ‘peeps’ to the last chance. A crowd of about forty was expected for the Friday last evening. Nicky, McIlrory and Louis are adding new applications in the squad. There has been little freshman element.

Irving Hartings was there and discus- sed with us of the weather of the afternoon and the men had a chance to let their moods into the Hawkeyes this fall.

Two members up and the entire squad took a deep breath when they were informed that there was no chance of rain. There are excellent chances of rain from one to six inches, the forecast now. Men of the most went very good lack of shore form so far this morning. The regular weather bureau has the idea that the weather will hold until the end of the week, a chance to get rain for the next few days. It is possible to get some rain for the weather bureau.

ADVERTISE BEFORE OCTOBER 15TH AND SAVE MONEY! Nothing before October, New York or Chicago!
THIS season you're going to have an unusually fine lot of rich colors and patterns in clothes to make your choice from. As usual our Hart Schaffner & Marx, and Hirsh, Wickwire lines offers a greater variety than almost any other half-a-dozen lines; and we've picked for you the best and smartest of them.

In suits the prevailing colors are grays and blues. Grays of many shades, and in many very attractive patterns; blues in self stripes, and herring-bone weaves; or plain serges, soft and hard weaves; many decorative patterns are shown.

In overcoats much the same general plan of coloring; oxofs, grays, or dark mixtures. Better choose yours early.

You'll get so much satisfaction out of wearing our Frrnishings Goods that we want you to have them; your satisfaction is really our best profit; we expect to make money on the sale; but so will you.
