IOWA CITY, IOWA, SUNDAY MORNING, FEBRUARY 28, 1910

Number 99

PETERSON IS CHAMPION OF VARSITY WRESTLERS

WINNERS ALSO DECIDED IN OTH-
ER CLASSES FRIDAY.

Zastrow Victor in Lightweight; Mil-
ler, Middleweight; and Thom-
as in Featherweight Class.

In the wrestling finals held Friday
afternoon and evening in the univer-
sity armory with Jess Reimer of Des
Moines as referee the four champion-
ships were decided, each in straight
falls as follows: Peterson, champion
of the heavyweight division; Zastrow,
lightweight; Miller, middleweight,
and Thomas, featherweight.

The first bout held was that be-
tween Pike and Zastrow of the light-
weight class, the latter returning vic-
tor in two straight falls. Pike was the
champion in this division last year
and exhibited his old time skill, but
the freshman half back proved to be
slightly the superior in all depart-
ments of the game and won out after
a hard fight with the ex-champion.
The two falls went in 28 and 29 min-
utes respectively.

The artists who next appeared were
Peterson and O'Connor of the heavy-
weight ranking. Although the falls
went to the former in comparatively
short time, 10 and 12 minutes, yet
the husky O'Connor put up a stellar
exhibition and at one time had the
new champion all but touching the
mat. Referee Reimer especially com-
plimented these two contestants for
their work.

The bidders for the middleweight
championship, Miller and Webb, pro-
longed the first fall for 58 minutes.
Webb was the aggressor in this match
and evidenced a great amount of
skill considering his newness to the
game. The second fall went to Miller
in the brief time of 4 minutes, the
shortest fall of the carnival.

Thomas and Elwood of the feather-
weight class were the last on the pro-
gram. Thomas won two straight falls
in 11 and 5 minutes. Both of the ban-
tams were exceedingly clever and
probably put up the best match of the
entire program.

After the finals were completed,
Reimer went on the mat with cham-
pion Peterson and showed the inter-
ested spectators his favorite holds to-
gether with those most used by Cham-
pion Frank Gotch. In speaking of the
matches yesterday, Reimer expressed
the opinion that the heavy and feath-
erweight entrances put up the best
performances.

Medals were presented to the four
winners after the program last even-
ing. They were carefully selected by
Director Schroeder and are appropri-
ate rewards for the strenuous efforts
put forth by the men both in train-
ing and in the final matches.

Zastrow who won the lightweight
medal will probably challenge Miller
of the middleweight division. If these
two men can agree to get together
the match will be held at the armory
in a few days.

Physical Director E. G. Schroeder
is given much credit for the success
of the wrestling tournament.

GLEE CLUB IN INITIAL TOUR HAS RURALITES SPELLBOUND

Musical Prodigies Hold Forth in Uni-
ty Church, ———, Ia.

The Iowa glee club has taken its
first trip of the year. Early yesterday
morning a rumor spread abroad in
the city that the followers of the god
of song had gone to Marshalltown,
or Boone, or to some similar locality,
and friends of the organization at
once hastened to verify or deny the
report. It then developed that the
glee club did not go to Marshalltown,
but that at an early hour yesterday
the members, taking transportation
by means of bobsleds, proceeded from
Iowa City in a direction somewhat
south by southwest, for a distance of
approximately eight miles, arriving
finally in the neighborhood of Unity
church. Here the singers were taken
in hand by the good people of the
neighborhood, and were entertained
until the time for the concert arrived,
—some at the home of the village
blacksmith (?), and some at the resi-
dence of a postmaster (?).

When the hour set for the concert
arrived, the club was greeted by an
audience which packed the church to
its fullest capacity of 125 souls. Only
slightly impeded by the immovable
pulpit and the church organ which
compelled a somewhat unusual form-
ation on the floor the singers proceed-
ed to entrance the listeners with song
and melody, not even slackening in
fervor when the kerosene from the
lamp overhead began to leak and
drip down upon those gleaming shirt
fronts. The audience was held spell-
bound, and greeted the close of every
selection with uproarious applause,
and compelling several encores to
each. At the conclusion of this, their
first outside concert of the year, the
followers of Pan departed amidst the
plaudits of the admiring multitude,
returning, as they went, via bobsleds.

Engagement Announced.

Doctors Leon and Laura Branson
announce the engagement of their
daughter, Gertrude, to Mr. Lafayette
Douglas Mitchell of Oklahoma City.
Miss Branson, L. A. '08, is a student
in the college of law, and Mr. Mit-
chell, L. '09, is engaged in the practice
of law in Oklahoma.

Engineers Have Motto.

On the inner doors of the college
of applied science building the fol-
lowing motto has been placed: "The
best asset the engineering profession
has is its reputation for honesty. It
is the duty of every engineer to pre-
serve that reputation unsullied."
Engineer News.

Orchestra Concert Success.

The university orchestra gave their
first concert under Mr. H. J. Bar-
num's direction in the auditorium
Friday evening. The most popular
pieces were the "Poet and Peasant"
overture and the "Gay Musician",
selection by the orchestra, the aria
from "Don Carlos" and "Summer,"
vocal numbers by Miss Proffitt and a
trombone solo "Ave Maria" by J. Q.
Adams.

CORNELL IS DEFEATED; BEST SCORE BY KLIN

LOCAL RIFLE TEAM MAKES 1773
TO EASTERNERS' 1732.

Two Remaining Matches will be Easy
For Hawkeyes—Triple Tie is
Probable.

Iowa defeated Cornell (Ithica, N.
Y.) Friday by a score of 1773 to 1732
in the rifle shoot. Klein led the local
team with 185.

Iowa meets the U. S. Veterinary
college this week and the University
of Nevada in the last match. Both are
expected to be easy victories.

Though no reports had been heard
yesterday from Columbia and Wash-
ington State it was believed that they
won their matches thus continuing
the triple tie. Washington State
meets George Washington University
and the University of Idaho in the
remaining matches and will probably
win both though the last named team
has been making good scores in the
recent shoots. Columbia is pitted
against the University of Louisiana
next Friday, and the last match for
the easterners will be easy so that in-
dications point to a triple tie at the
end of the contests. Following is the
result of Friday's shoot:

Klein	88	97	185
Bruins	88	96	184
Shepard	82	97	179
Minnick	84	94	178
Baird	84	93	177
Corso	81	94	175
Wieman	82	93	175
Leeper, J. S.	81	93	174
Williams	83	91	174
Leeper, L. R.	80	92	172
Cornell	833	940	1773
			1732

Prof. Fisher at Assembly.

Prof. C. R. Fisher, head of the un-
iversity school of music, is to give
his inaugural address next Wednes-
day at assembly. Each of the heads
of departments who came here this
year will give an inaugural address.

Engineers to be Minstrels.

With the best dramatic talent in
the department enlisted, the special
cast selected from the college of ap-
plied science is practicing faithfully
for a minstrel show to be put on in
the auditorium March 17. Nearly
thirty men are in the production and
all are enthusiastic over the songs
which are being put to popular music.
Fancy dancing will be one of the
features.

Rockwood at Baconian.

Prof. E. W. Rockwood addressed
the Baconian club Friday evening on
"Food Preservatives, with special ref-
erence to Sodium Benzoate." The
speaker described experiments which
were carried out by the reference
board of the U. S. department of agri-
culture, in which complete chemical
and physiological observations were
made. He said that as now used in
ketchup, sodium benzoate was harm-
less, as it was found to have no effect
on persons when used to the extent
of three-tenths of a gram per day.
The lecture was discussed by Profes-
sors Nutting, Woodward and Stewart,
and Mr. Estes and Mr. Wolesensky.

STUDENT WAITERS ON STRIKE; NEGROES SOON SUBSTITUTED

Ultimately No Student Employees in
Hotels.

Because of the employment of ne-
gro waiters in the dining room of the
Burkley Imperial, seven student wait-
ers walked out yesterday noon fol-
lowing the refusal of their demands
for the discharge of the negroes. As
a result, Manager Albert Burkley has
dispensed entirely with student help
in the dining room. He also imme-
diately engaged a crew of negro wait-
ers who arrived early this morning
and who donned the discarded aprons
"Student help has not been profit-
able, anyway," said Manager Burkley
last night, "and I am glad the oppor-
tunity has come to put in salaried
help. Students feel above their jobs,
and, instead of feeling a sense of
gratitude toward me, they feel they
are doing me a favor to work for me.
Ultimately, if the trial of salaried
help proves successful, I shall dis-
pense entirely with student help in
the hotel. This will deprive twenty
students of means of self help."

Dining room girls cannot be ob-
tained for love or money, according
to Manager Burkley. This condition
is so general that the hotel men of
the state at their convention last
week in Des Moines resolved to em-
ploy negro and Chinese help in their
dining rooms. They declare that they
are forced to make the move because
girls will not work in kitchens or
dining rooms but prefer office work.

Humanist Notice.

The Humanist society will meet at
the home of Mrs. Mable M. Volland,
914 Iowa avenue, Monday evening.
Prof. F. C. Eastman will present a
paper.

Engineering Lecture.

Prof. Luckisch of the physics de-
partment is to give a paper on "The
Induction Motors Run as Generators"
on Monday at 4:30 p. m. in the en-
gineering building.

Heinzman to Topeka?

That the Topeka Y. M. C. A. is an-
xious to secure the service of Secretary
Harry L. Heinzman of the local as-
sociation is shown by the following
story which appeared in the Daily
Kansan:

"The presence of Harry Heinzman
'06 at the state Y. M. C. A. conven-
tion at Topeka last week started a
move in that city to secure his re-
turn to the work there. At present
he is student secretary at the Univer-
sity of Iowa, at Iowa City, but he was
in the Y. M. C. A. work in Topeka
for a year after his graduation. Dur-
ing his senior year in school here, he
was president of the university asso-
ciation and was also prominent as a
star on the 'Varsity football team.
The work outlined for Heinzman in
Topeka is that of student secretary
for the whole city. In that position
he would be in charge of the Y. M. C.
A. at Washburn, the medical school
and law associations and the associ-
ation work in the high school."

AMES AGAIN DEFEATED; IOWA DOUBLES SCORE

HAWKEYES WIN EASILY WITH
COUNT OF 24 TO 12.

Ryden in Leading Part—Murphy's
Record Still Unsullied—TeVel-
trup as Vaudevillian.

Coach Griffith's basket-tossers
handed it to the traditional foe from
Ames in the most approved way last
night, overrunning the Aggie quintet
by a score of 24 to 12 on the armory
floor. The game was never in doubt
from the start, although Mosher of
Ames got the first basket after two
minutes of play in the opening per-
iod. Schmidt followed for Iowa with
a basket, however, and Ryden and
Stewart slipped the ball through the
big ring in quick succession, putting
the farmers definitely to the bad.

The game as a whole was perhaps
the cleanest played on the local floor
this year, and the effect of the new
"era of good feeling" was apparent
on all occasions. Viewed in the light
of the Grinnell and Minnesota con-
tests, the play of both teams was
slow, and this probably accounts for
the absence of rough work.

The only question after the first
five minutes of play was as to the
size of the score, the Hawkeyes work-
ing the ball down the field at will,
but missing several easy shots under
the basket, particularly in the second
half. Four of Ames' points came from
free throws, Mosher and Herbert
showing great proficiency in count-
ing from the foul line. Chappell slip-
ped in a basket, Mosher got one, and
TeVeltrup engineered a couple. The
big Dutchman also furnished an ele-
ment of comedy throughout the game
by his bewilderment as to just where
to throw the ball and his frantic ef-
forts to break away from his guards.
Ryden starred again for Iowa, get-
ting five baskets and playing the floor
in whirlwind style. The guards never
knew where to find the Des Moines
boy, and he was in every play. Capt.
Stewart showed strongly also, and
the work of the two Hawkeye for-
wards was the chief feature of the
evening's play.

Murphy added another game to the
list in which he has held his forward
to no goals. The football star camped
on the trail of Captain Herbert at all
times and the Ames leader never had
a shot at the basket. Thomas played
a good defensive game, and in addi-
tion got two field goals, one the long-
est and most sensational shot of the
evening. Schmidt at center put up a
good game against his big opponent,
and had him worried at all stages of
the contest. He also got the first
basket for the Hawkeyes.

Follow... is the lineup and sum-
mary:

Iowa.	Ames.
Ryden	RF Mosher
Stewart (C)	LF Herbert (C)
Schmidt	C TeVeltrup
Thomas	LG Chappell
Murphy	FG Walker
Goals from field: Ryden 5, Stew-	
art 2, Schmidt 1, Thomas 2, Mosher	
1, TeVeltrup 2, Chappell 1. Goals	
from foul: Stewart 4, Mosher 2, Her-	
bert 2. Referee: Hackett of Drake.

PHYSICAL EDUCATION.

Recently a group of men like Sargent of Harvard, McCormick of New York, and others including Walter Camp, all experts on the physical man, drew up a new plan for our system of education. They demanded that physical, as well as mental fitness, should be required of all students. Their purpose was to sound the warning to present America that the strong physically are growing stronger and that weak physically are growing weaker because each tends to do that for which he finds himself best fitted.

Camp declared that the two classes of college men, the athletes and the grinds, who hold wholly incompatible visions of life, should be closely associated. He held that each class had invaluable assets for the other; that an association of types was highly desirable. An interchange of purpose and ambition, a mutual outlook upon the ends of education, he believed would produce a needed type of manhood and womanhood that, being physically and mentally balanced, would prove a good investment for the state. In a word the great Yale athletic expert holds that athletic games discipline the mind as well as the body and are fully as necessary to the health of the mind as the educational training.

There is a modern appreciation of the need of a sound body; in the belief that age should take a part in the sports of youth; that adults should carry on suitable means of physical exercise to the end of their days.

These are the things that make for a better and a happier race. Camp's idea is not new; it is simply a reversion to the truth concerning the com-

plete and happy man. We may not see this new type of man for a generation, but if Camp's idea is carried out now, those who come after us will prove the importance of that bit of wisdom concerning the sound mind in a sound body.

COCHRAN IN LAST LECTURE: SUBJECT, TASKS OF LEADERS

Shows Importance of Foreign Missions in Religion.

Reverend Joseph Wilson Cochran gave the last of his series of lectures on religious topics at the auditorium on Friday at 4:30 on "The Tasks of Leaders." This is the last of a series of addresses which Mr. Cochran has been giving this week, the series itself being the first of a number which will be given here each year by various clergymen.

In opening his address, the speaker took up the discussion of the spirit of the age and the keynote of the twentieth century, speaking of the problem of wealth and the significance of its accumulation in the hands of a few.

The Rev. Cochran discussed, the main body of his topic, the real tasks which leaders in thought are called upon to perform. Among them he listed the following: A new address to the intellect in religion; the Christianizing of public education; the socializing of the gospel message; the unification of organized religion; the Americanization of the alien; the redemption of the city; and, last and most important of all, the world-wide establishment of the kingdom of God. In this project the speaker considered foreign missions as indispensable and as being beyond the experimental stage; and concluded by showing the responsibility of the American people in the evangelization of the world.

Witmer Pleases Scientists.
Describing the workings of the
modern psychological treatment of
retarded children by expert methods

in the laboratory clinic, Prof. Light-
ner Witmer, of the University of
Pennsylvania, gave an instructive ad-
dress before the Classical club in
room 213 of the liberal arts building

Thursday evening. Dr. Witmer also
addressed the students in psychology
and education on "Retardation and
Social Progress" Friday morning.

Cook will Speak.
George W. Cook, dean of the col-
lege of dentistry and a graduate of
the University of Iowa in 1890, will
give the feature address of the an-
nual state dental clinic to be held
here March 8 and 9. He will be on
Tuesday's program. His subject is
"Science and Dentistry."

Indications point to a full attend-
ance at this clinic.

PERPLEXING QUESTIONS.
The pastor will preach a special series of sermons on these subjects as
follows:
Sunday Morning. Sunday Evening.
Feb. 20. "Is God knowable?" "Does conscience make cowards of
us all?"
Feb. 27. "Does it matter what we believe?" "Whither am I drifting?"
Mar. 6. Do sin and sorrow disprove "Is there anything in heredity?"
the goodness of God?"
Mar. 13. "Are miracles credible?" "Can a dead man speak?"
Mar. 20. "Does death end all?" "Is the gospel worn out?"
Mar. 27. "Does God answer prayer?" "Is Christianity its own vindication?"
Morning service at 11:00. Evening service at 7:30. Good music at each
service.

ANNUAL DENTAL CLINIC
CONVENES NEXT WEEK

MARCH 8 AND 9 ARE DATES SET FOR MEETING.

Good Program Has Been Arranged to Begin Tuesday Morning—Clinics Begin Wednesday.

On March 8 and 9 will be held the seventh annual alumni clinic of the college of dentistry. This is an institution for both students and alumni. Demonstrations will be given by men high in the profession and extensive exhibits of dental tools are made by manufacturing companies.

Following are the officers of the alumni association of the college of dentistry:

President, Dr. J. B. Monfort, Fairfield; vice-president, Dr. J. G. Hildebrand, Waterloo; secretary, Dr. H. H. Gardner, Williamsburg; treasurer, Dr. J. J. Booth, Marion; Supt. of clinics, Dr. F. B. James, Wilton Junction; executive committee, Drs. F. E. Miller, E. A. Rogers, W. S. Hosford; ethics and membership, Drs. F. T. Breene, C. W. Bruner, Geo. P. Kier; publication committee, Drs. T. J. Cameron, H. H. Gardner, C. A. McElderry; entertainment, Dr. R. H. Volland; master of exhibits, Dr. H. Morrow; badges, H. C. Pelton; Clinical assistants, Drs. C. W. Wilkinson (operative), H. E. Mitchell (operative), W. E. Spence (Prosthesis).

The program of this year's clinic will commence on Tuesday, March 8 and is as follows:

Tuesday.

9 a. m. Registration—Hall of dentistry.

9 a. m. Pathological club meeting—Room 17.

2 p. m. Pathological club meeting.

3:30 p. m. Business meeting of the Alumni Association.

3:30 p. m. President's address.

7:30 p. m. Lecture, "Science and Dentistry" by Dr. Geo. W. Cook, of Chicago.

Paper, "Dabbling in Arsenic" by Dr. F. W. Frahm of Pella.

Liberal arts auditorium.

Wednesday.

9 a. m. to 4 p. m. Clinical program dental infirmary.

A full program of clinics has been arranged and the names of the doctors giving them will be printed in an early issue of the Daily Iowan.

Twenty exhibitors will have tools on exhibition all day Tuesday.

To Abolish Athletics Gradually.

It is reported in the Des Moines papers that the majority of the state board of education is in sympathy with Chairman Trewin's opinion in regard to intercollegiate athletics.

According to reports gradual measures will probably be taken by the board tending toward the abolishment of all except interclass contests at the three state schools.
