---Plenty of Time To-day and Tomorrow---

Don't worry about not being able to have your new spring suit or top coat on time. We are here to relieve you of this worry. Let us do that for you.

Come here any time tomorrow up to closing time 10:30 P. M. and we will dress you complete for Easter, and save you money besides.

Just try on a few Adler-Rochester garments and any of your own free, will you? You might as well bring to the store the best you ever owned — first on account of their perfect-fitting quality. Secondly, for the variety of handsome patterns, and third on reason of prices — $20 to $30, and a complete and classy assortment at $35.

In our other lines you will see the products of eight foremost clothes makers. We'll show you the new shades of gray and blue in domestic and foreign fancies, priced at $15.00 and $18.00, with a strong showing at $17.50.

If your pocket book happens to be a little tight come to us any way, as we have about as nice a selection that could be found in a town of this size, or even larger. The prices are $10 and $13.50, comprising blues, grays and blacks, and mixtures in all sizes.
