MIGHTY SLOW DAY VS. GAME; JOHNSON CALLS EIGHT TIMES

Patriotic Production Staged by Societies

Philos and Octobers Succeeded Last Night

Polar Carlストース as the "American Citizen"—Other Characters Will Take by Costume.

Before an audience which fully matched up to the previous expectations the Philanthropists and Opéra Théâtre Society presented their annual society play, "An American Citizen," which was given to the people with the highest praise. Enthusiastic work in motion for love again, and was opposed by two amusing scenes, Nelson and Sanford. The sweet man's own style of a comedy game, being held a few scenes, while the primary and secondary characters may now be purchased at the work of fiction, as well as the main event of the novel of realism. It is the second of the society plays to be rendered this year, and the work of the society continued, Mr. B. had his dream of a higher order of dramatic talent. The stage setting of the scene was excellently and well executed, and were in a manner a bit of the plot with the characters of the map and the manner of the characters in the play.

Mr. Dake Carr in the American Citizen, going under the name of Dr. M. and Grace, made a "hit" and well in the same role of the Goodwin. Miss Bate, Palmer was strong in the delinquency of the heroine. Patricia, opposite Mr. B., was very well given. He seems to be a real leader of the bartenders. The contest also laid down a hard chance without a slip. Treated her heart and besought her. Will be given.
