Dignity of squad makes "Sphinx" quiet

Finality of the "Sphinx" idea is a necessity of the situation. A small group of students--no membership--is something to bebildung to the faculty; and the faculty, in its turn, is something to be demanded of the students. The "Sphinx" is not to be the work of any one student, but rather a collective effort of the students. The "Sphinx" is to be a weekly publication, and its contents will be determined by the students. The "Sphinx" is to be a medium for the expression of the students' ideas and opinions. The "Sphinx" is to be a vehicle for the dissemination of knowledge and information. The "Sphinx" is to be a forum for the exchange of ideas and viewpoints. The "Sphinx" is to be a means of communication and expression for the students. The "Sphinx" is to be a reflection of the students' values and beliefs.

THE SEASON OF GOOD CLOTHES

"PLAY BALL" is the cry again. It means to men the season of outings and respite from duties of desk and office. What he can do to enhance the comfort and pleasure of these days, every man wants to do and yet so many fail to realize the possibilities of the season.

"Dress Right" is the first injunction. At the game and on the street are men who have faced and solved the question of dress. These men get the maximum of pleasure because they have prepared for it. They have taken the step which you can take easily and cheaply at this store.
