This is the advertisement that I have in mind about... — Every- thing new but the news. Our com- mercial men are now in shoes, boots, and suits in style and patterns. They begin at $1.50 and end at $15. And the reverse we ask for will be continued right through the month. The store will be open for business in and after the Fourth of July. They were not as our prices are cheaper. This is far only for your summer tops. Lots of people are picking this week. None that we own is cheaper, but it is very good.
