Iowa Will Probably Be in New League Next Year.

The regular treaty for the 1911 university debating teams will be held at the same time and at the same place. The speakers will be allowed seven minutes before the judges, the coaches, Prof. W. E. Jones, and the three faculty members of the council, Prof. Askel, Stanford and R. A. Wilcox.

So far nothing definite is known about the question for intercollegiate debate next year, but it is expected that the Nebraska will be a thing of the past, Wisconsin having withdrawn. Present indications are that the speakers will be a must in the future.
