It Looks Easy

When a man appears at the
game who is dressed distinct-  
ively a good many wonder how
he gets the effect he does and
without any seeming effort.  
You can wager he has used
discriminating taste but per-
haps the secret, lies in his
knowing WHERE TO buy.
Max Mayer doesn't look for
customers—he looks for the
best makes of clothes he can
buy and he knows that cus-
tomers are sure to come.
