Lincoln was known briefly by the name of Bob, and as a matter of fact by the name of Bob, he had little melody. He had that clair-voiced speaking ability...his voice was known in modern times. By the early 1850s, Lincoln was known to all who knew him.

The Place of Greek in Modern Education

The special feature of the first meeting of the Association for the Promotion of Greek Education, was a lecture by Professor G. B. Worley of the University of Nebraska on the "The Place of Greek in Modern Education." The lecture was delivered by the Professor on May 15th, and was well attended.

Lincoln known well
by only two friends
(Continued from page one)

He had no faith in the ability
of man to control the forces of nature, but in the
possibility of using them to advantage. He
was a frank and open-hearted man, with a
fondness for nature and a delight in its
beauty. He knew the value of hard work and
was willing to do his share of it.
