BY E. H. HAMMOND.

Delfany Gege to Romans,

Dear Delby,

After my first reading, I am left with the impression that you have accepted a position on the Boston Globe for the summer. We will fill this post as assistant sporting editor. Considering the circumstances and hardships under which you worked all season, you succeeded very well. It is true that your next year may be more trying, but it is probable that you will leave, the east.

"I'm an American," the first woman to have been awarded the Pulitzer Prize for reporting, has said.
