YOUNG men in college, young men in high school, young men in business or professional life, young men who are well on in years, but who like to be smartly dressed: All such men appreciate the importance of clothes; the value, from a social or business point of view, of having your clothes fit well, tailored right, correct in style, and of real quality of materials.

None of us, men of any age, can afford to neglect these matters, and it is so easy to be just right about them that nobody ought to be excused for neglecting them. When you come to this store—convenient to get to, with a cordial welcome ready for you—and get into one of our suits or overcoats that Hart Schaffner & Marx made especially for us, there’s no excuse for you if you’re not as well dressed as any man you ever saw. The clothes are right in every particular; the important thing to you about Hart Schaffner & Marx clothes is, that you know they’re right as well as we do.

Young men especially will like the Shape maker suit; an entirely new idea in clothes making; the trousers will not slip down even if you wear them without a belt. You’ll find this Shape maker a help to the erect, athletic figure which nearly all men are glad to have; we want to show you this new, unique idea in clothes; sold only by Hart Schaffner & Marx dealers. We’ve got it; and you’ll want it when you see it.

You will find in our FURNISHING GOODS DEPARTMENT the largest variety of the newest styles in men’s furnishings shown in the town.

In our Hat Department you will see the best styles from Stetson, Imperial and Hawes lines.
NEW BUILDING AND CHANGED CURRICULUM

Professor Percy Birdseed is Secured
From University of Missouri to
Institute in Property

It is expected that the year 1910-11 will be the greatest in the history of the college of law. Having in a splendid new building, fitted in every way for the needs of the college, with a greatly changed curriculum, and with an able teaching staff it is thought that the college will make a distinct advance.

There has been an important change in the faculty of the college of law. Prof. P. Birdseed, recently of the University of Missouri to make this year, will be succeeded by the resignation of City-Attorney Henry W. Walker. Professor Birdseed was graduated from the University of California, and spent four years at Missouri.

The work of the new professor will deal largely with civil law and procedure.

The change in property has been greatly changed and strengthened, being increased to over two pages of text.

Course is Changed

As a matter of fact, the whole law course of three years has been worked over. It will demand more work of the student than in the past and will give him a more complete knowledge of law with the essays included.

During the summer months, the library has been made up, several old bound volumes being for the most part continuations of series, having been started. Several large pictures were hung in the library. The late Professor Lawlor's mementos, Judge John L. Jones, Chief Justice Lake, Marshall are included in the list of new pictures.

Gregory Aird

Wide and variously occupied have been the law professors during the summer. Mr. Gregory Aird has been abroad all summer and has been widely and variously occupied. He has been in Chicago, in a student pastor this year as well as give Director Schroeder a chance to the regular pastor, Dr. D. W. Wylde, has been in Canada and to the end. Prof. D. C. Heimick was at Clear Lake for two weeks. Librarian L. M. Person spent a short time in Chicago. Prof. E. A. Wind was in Iowa City all summer supervising the building of a new church.

Student Pastor

The Presbyterian church will have a student pastor this year as well as the regular pastor, Dr. D. W. Wylde, Mr. F. P. Gunderson of Iowa City, has been asked to take up the work here. The new student pastor is an alumnus of the University of Chicago and from the McCormick Theological seminary of Chicago. It is believed that an exceptionally able man has been selected. Dr. W. Wylde is also working among the four hundred volumes, having been transferred to the library. The late Professor Lawlor's mementos, Judge John L. Jones, Chief Justice Lake, Marshall are included in the list of new pictures.

SCHOEN IS PLANNING FOR ACTIVE GYM SEASON

More Class Work Will Be Required During This Season

"I expect to have larger gymnasium classes by far this year than last and to do more advanced work," said E. G. Schroeder, director of physical training yesterday. "I have planned out a line of work for this year that I think will prove to be exceedingly interesting."

There is an increase in the requirements for the men who are enrolled to take gymnasium work this year. Three hours work straight through the year will be required by the university of the freshmen and sophomores who do not take the full. This extra hour per week will give Director Schroeder a chance to do some advanced work with the seniors.

MORNINGSIDE TRAINS
TWO WEEKS AT OMAHA

HOLLENSCHMIDT'S MEN WILL BE IN SHAPE OUT 1.

Iowa's First Game Will Call for Good Work on Part of Hawkeye's Men.

The first game for Captain Ur-\[?\]'s men this year will be with Morningside college of Sioux City on the local athletic field. The date for the encounter is October 1. There are several reasons why this game should be a hard tryout for the Hawkeyes.

Under the direction of Coach Hill, the Morningside squad has been in camp near Ouaus, la., for the past three weeks, giving this time the coach has been drilling a big bunch of men in the rudiments of the game and the new formations necessary under the new rules. Hillier is thought to have a strong team this year. He has a number of veterans on the team and in addition has some former high school stars. The camp will be broken up before 60% and this period will begin serious work on Sioux City Memorial.

According to the stories coming from the camp at Omaha coach Hillier does not intend to use the forward pass frequently this year, it being claimed that the play is not a dozen on the new rules. However, the report is taken with a grain of salt as the general opinion given is that the forward pass will be far more popular this year than ever before.

VOLUNTEERS ARE SELECTED FOR GAMES THIS SEASON

Prof. A. G. Smith Announces Names of Men to Act in Games

The officials for the games in which the Iowa team takes part this year have practically all been selected. Many of the names are new.

Former Iowa football players are on the list of officials and will undoubtedly work in many of the important games this year.
