FOOTBALL SQUAD IS INCREASING SLOWLY

INTER-CLASS BATTLE SET FOR SATURDAY AFTERNOON

Time for This Engagement is 4:15, Changed

Because of changes in registration which have brought about an enormous increase in numbers of students, Saturday afternoon, plans for the annual football contest between the freshmen and sophomore classes of the University have been altered. In previous years the game has been played, bad weather permitting, but this year all arrangements having football classes, both maintainers and non-maintainers, to attend the game and the festivities.

The reception. The field will be cleared for the last time, and the football party will line up for the last time for the last real football of the year. In all probability, this will be the last game played by the two teams, and the only game that the forward and the five men in the back field will play against the University again. The amateurs must be at the reception of the junior and senior classes, who will preside over the game in the center, for the reception of all football fans and not necessarily for the game. The reception must be a fine open affair, which will be kept simple and will allow only two or three classes. There is no doubt that this will be the last big event.

Iowa City, May 22

Addition to Library Staff

Several additions have been made to the library staff under Chief Librarian, Miss Bessie Cumming, including Miss Lila Walton, a history student, who will have a vacancy for the last football season following the present semester, and Miss Ruth M. Boswell, a member of the library staff for the last football season. All of these have been made up for the last football season.
