Iowa City, Iowa, Sept. 16. (Special to the Daily Iowan)—Mount haga college is getting its first news service since 1909. It is believed that this is the first of its kind in the State of Iowa.

At Hollisett's, first call for practice on September 15, nearly one hundred students reporting, and prospects for the new year's team is very good. After the first time this fall they have worked in the making of the big game. The number of persons present at this first meeting were not only the members of the team, but many of the faculty and staff of the college.

The team is well up to its usual standard of excellence and is said to be the best team in the state. The players are said to be in fine shape and are expected to be ready for the first game.

CLOTHES

With "Soul"—"Life"
and "Expression"—

Clothes of
Real "Class"—
"Refinement"
and "Dignity"—

That's the kind of college clothes you'll find when you come here to choose your new Fall suit, topcoat, raincoat or overcoat from the world's foremost makers of good clothes, ADLER-ROCHESTER, N. Y. We have chosen the newest and most becoming fashions—the elegance of which will instantly appeal to every up to date college man who appreciates "refinement in dress". We "frown down" on so-called "freak clothes". We do not sell them here. Freak clothes and freak methods are not in the Willner standards. Here you'll see only such styles and qualities as the best dressed men and young men in all the Metropolitan cities approve of. To afford the widest possible variety we display the best apparel in all the handsomest styles from nine leading American makers of high quality clothes. All at popular prices—

$12.50 to $30.00

Understanding the tastes and whims of the College man, we have chosen our great Fall stocks with extreme care, admitting only such models and such grades as we were certain to pass muster with the most exacting precision. We thoroughly understand the fastidiousness of "VARSITY FOLKS"—and we've prepared for you all in a splendid manner. Here are the latest and handsomest fashions in all men's wear. You will delight in this exposition of new Fall apparel and we take pleasure in welcoming you and all your College friends to view it. Our polite, attentive, courteous service will continue "in vogue" to the pleasure of all who realize its meaning and its worth.
