CLOTHES
—With “Soul”—“Life” and “Expression”—
Clothes of Real “Class”—
“Refinement” and “Dignity”—

That’s the kind of college clothes you’ll find when you come here to choose your new Fall suit, topcoat, raincoat or overcoat from the world’s foremost makers of good clothes, ADLER-ROCHESTER, N. Y., we have chosen the newest and most becoming fashions,—the elegance of which will instantly appeal to every up-to-date college man who appreciates “refinement in dress”………We “frown down” the so-called “freak clothes”………we do not sell them here………Freak clothes and freak methods are not in the Willner standard………Here you’ll see only such styles and qualities as the best dressed men and young men in all the Metropolitan cities approve of.……To afford the widest possible variety we display the best apparel in all the handsomest styles from nine leading American makers of high quality clothes.………All at popular prices,—at $12.50 to $30.00

Understanding the tastes and whims of the College man, we have chosen our great Fall stocks with extreme care, admitting only such models, and such grades as we were certain to pass muster with the most exacting precision.……We thoroughly understand the fastidiousness of “VARSITY FOLKS”—and we’ve prepared for you all in a splendid manner……. Here are the latest and handsomest fashions in all men’s wear.………You will delight in this exposition of new Fall apparel and we take pleasure in welcoming you and all your College friends to view it.………Our polite, attentive, courteous service will continue “in vogue” to the pleasure of all who realize its meaning and its worth.
