LACK OF IOWA SPIRIT IS CAUSE OF DEFEATS

BY KENLEY AND LYNALL SHOW THIS AT MASS MEETING

Lack of spirit and hard work are blamed for recent defeats by Iowa as shown by Kenley and Lynall in their talk at mass meeting.

There was a call for the alumni to return to the university and give it a chance to be successful again.

In view of the recent defeats, the alumni were urged to get involved again and help the university achieve success.

F实验室 AND POLITICAL PATRIOTISM

Speaks at Assembly

"Public opinion is becoming dangerously unsympathetic," said Hon. L. S. Fay, "and private opinion will be taken up too much with the present political situation." The assembly was informed that the university was facing some serious challenges and that everyone had to do their part to ensure its survival.

Several of Missouri's Best Men, However, Were Out of Game

Several of Missouri's best men were out of the game, leaving the team to rely on its backup players.

Some Notes

In order to present a better field of fellowship among the girls of the several sororities in connection with the university, it has been decided by the Board of Directors that the first Thursday in each month such sororities shall entertain informally at dinner. The social action on which representative sisters will be sent each month to be received by the girls of different sororities is optional.

In our effort to bring the girls together, we have decided to call the first Thursday of each month "Sister's Night," and the girls of each sorority will be expected to entertain a guest from another sorority, giving all the girls an opportunity to know each other and get to know the other sororities.

SCHOOLIE SELIGS MEN

TO NOSE OUT IOWA GEAR CLUB

Reported that the Club This Year

The men's all-sports club promises to be one of the best in the country this year. Over eighty were present at the try out last week and the great number was shown. Twenty were selected from those. Better material could not be found," said Prof. Schlichter. "I am very optimistic as to the outlook this year. We are in for a splendid season. We are going to advertise and make people know we are here. The Iowa trouble this year is the same as it has been before. We are going to have a better team than we had last year."

The Iowa City high school team is able to make a better showing against the Iowa City team and several times the high school boys' team for Iowa won down in the taters.

Iowa's offensive was unexcelled, and the defense was not better than usual. The high school boys' team brought the Iowa City high school team down by scores of 2 to 1 with the Iowa City team making its best effort to come out on top. The Iowa City team made some notable gains in the second half, and the defense was also effective in keeping the Iowa City team from scoring.

The Iowa City team was victorious against both the freshmen and the Iowa City high school team, and the Iowa City team was in a better position after time was up. It was an exciting game with both teams playing their best. The Iowa City team had a lead of 1, and the Iowa City team was not able to score even one point against the Iowa City team and several times the high school boys' team for Iowa. ATTENTION: If you are not already a patron of the PEOPLES LAUNDRY then do not know the signals and many changes have been forced in the arrangement of the team. The line has shown itself to be weak through lack of proper execution. In fact, the outlook for the game most disappointing could not be any more discouraging. The team will have one more practice before the game.
