NEW JOURNALIST FRAY TO BE INSTALLED TODAY

Iowa Journalists Get Kappe Chapter of Sigma Delta Chi

Douglas has been one of the strongest speakers in the state this year. With a strong voice and a clear pronunciation, he has been able to carry his point of view to a large audience. His debates are always well received, and he has a good reputation in the state as a debater.

The Iowa chapter will be the tenth in the country, the others being established at Michigan, Ohio State, Indiana, Ohio, Iowa, Kansas, Missouri, and Arkansas. The chapter will be the first to be installed in a state University in the eastern part of the country.

The lack of enthusiasm for the new dramatics is the national Iowa's track prospects are not those that are looking for Iowa's track men to graduate. It will be a significant year for the Iowa track team.

Among those named to play are:

Notice to Track Men

All track candidates, both varsity and freshmen, will report in the gymnasium in the university armory on Monday afternoon at 2 o'clock. The coming track season will be discussed by Coach M. A. Kohler and arrangements made for the season.

Baccalaureate Club

The Baccalaureate Club will be held in the physics lecture room on Friday evening at 7:30 o'clock. The program will be given by Professor Professor H. H. S. The club will be open to all students.

Training is beginning in track athletics

Prospects not much better than last year

Most of last year's Winners Will Be On Hand Again

This year's track prospects are not much brighter than those of last year. The track team will be under the guidance of Coach M. A. Kohler, who has made some changes in the lineup for this year.

The Baconian club will meet in the Baconian club's old room. The club will be open to all students, and the program will be announced later.

PLAYS AND PLAYERS

At the Caldera

To make a dramatized novel just

as interesting to the reader, who has

never read the book as it is to him

who has, is considered a most diffi-

cult task in playwriting. "Bird at

grading," George Middleton, the

dramatic, has succeeded in ac-

complishing this difficult feat, for

the dramatization of Meredith Nichol-

son’s new novel is easily understood

and stands in a field of its own as a

play.

The action takes place in the same

housey as that which became fam-

ous in "The House of Mirth" and "The

Candles," and the story is said to be

even more mysterious and inter-

esting than his previous work.

"Rosedale at Rosedale" will be the

offering at the Caldera opera house

in the near future, and if all inter-

est is any criterion, it will be wit-

nessed by a capacity audience.

TOPIC CHAIRMAN SECURED

BY ENGINEER ORGANIZATION

Wasa Club to receive Iowa Chapter of

 Theta Xi

Wasa has just reached here from

New York, where Theta Xi has just

closed its convention. This is a chapter

which has been granted to the society

from the University of Iowa. This

action comes as a result of a petition

from the members of the Wasa club,

The Theta Xi fraternity is one of the

older national engineering fran-

cisations in the United States. It

was organized at Rensselaer Poly-

tecnic Institute in 1864 and has

charters among such institutions as

Tulsa, Rensselaer, Cornell University,

Columbia, Purdue, Washington Uni-

versity, California, etc.

The Wasa club has been one of the

strongest organizations at Iowa for

several years past. It has always been

an exclusively engineering organiza-

tion. During the past year it has oc-

cupied a chapter house on Summit

street.

Library Society Programs

The Marshall Lava will have a

program of unusual interest this

evening in the form of a trial, in

which a young lady of Iowa City

will be defended by George A. De

Frances, who has been granted a

chance to handle a case of his

own, with damages of a transient

nature whose pet monkey is al-

leged to have bitten her chin so as to

disfigure her, thus marving her

chances for success in life. The

other societies, except the Irvingian,

who will dance with the Irvingian

society tonight, will hold regular

programs as follows:
