yesterday that the state "V" basketball championship would be decided in a game to be played here Wednesday night between Muscatine and Ottumwa teams. This is another new feature of state wide interest, which has been brought to Iowa City and should prove an exceptionally interesting one. The teams which will fight it out for first place in the suspension ring have both played notable basketball this season. Muscatine defeated下降town three times and divided honors with Ottumwa in a recent game. Suspension is entirely out of the running. Waterloo would have had a hand in the final outcome, but the team of the northern city's association has disbanded, leaving Muscatine and Ottumwa as the only two possible claimants.

Iowa will reframe the match here Wednesday night, as they will also be in the state high school events.
