CHICAGO INTRODUCED TO JUNIOR YEAR-BOOK

ADVERTISING MEN THERE LEARN OF HAWKEYE

Examiner Peter Storey of Edgerton Advertising Agency to Interest Champaign Officials

That the managers of the 1913 Hawkeyes are leaving no stone uns

turned in their efforts to advertise this year's annual is shown by the following extract, freely clipped from yesterday's Chicago Examiner, the heart of the sketch is well known to the

student body:

"Come to the Blackstone at 8 o'clock. A gentleman who is entertaining this large audience appears to have a large audience appearing to have a

number of practical ministers of the law

C. C. Quill the twentieth year.

This week's issue is devoted to the history of the Y. M. C. A. in the United States. The V. M. C. A. championship of the states will be decided tonight when the Ottawas and Muscogeeans will clash on the floor. There has been intense rivalry between these teams all winter, since they have succeeded in defeating the strongest V. M. C. A. teams in the state. Both teams have won some games from each other and tied, the results of the game being determined by theInfante. There will be a special train of "returners" come from each city accompanied by a band. One team will have three former Iowa men who helped to make branches in that institution.

Manager Kellogg will referee the game and has acted in the same capacity before between the two teams. A recent meeting of the Mercers in London led to the formation of the club. The game tonight will start at 8:00 and with the help of the rivalators who will come "with their" teams, it is expected that a hard fight will be kept up. The Y. M. C. A. basketball team will be very successful for the present generation of students at Iowa, no strong "T" issues having been seen here since the old 1883-84 season, with Rugge, Mike Ryan, "Mutt" Stewart, and others, and in come down for battles with the Iowa team. Occasions and Sunset will have been there for some time. The game tonight will probably be one of the most exciting in the history of the Iowa Y. M. C. A. games. The team will have the opportunity of playing in the next two weeks and is expected to win all its games.

A GREAT $15,000 ALTERATION SALE

COAST & SONS

You Have a $50,000 Stock of High-class Clothing & Furnishings To Choose From

SELLING BEGINS TOMORROW

Store Closed TODAY to mark down and arrange the stock.

During the present month we begin the Rebuilding and Alteration of our entire store. Commencing with an entirely new front and the installing of new fixtures and rearrangement of the store throughout. No limit to the expenditures is made, in order to keep abreast with a growing business that demands greater facilities and increased capacity to serve our customers. For months preparations have been going on. Plans of the architects have been completed only after thorough investigation of every detail that should make this one of the finest stores in the State.

A GREAT QUANTITY OF THE PRESENT STOCK MUST BE DISPOSED OF, to allow the builders to go ahead with the work, necessitating a restriction of room that has made a drastic sale of this kind absolutely imperative. It’s a foregone conclusion that only unusually low cut prices will obtain the desired results.

NOTE: Mr. J. C. Pirath, a Special Sales Manager, has been engaged to conduct the sale. His instructions are emphatic and allow of no half way measure to turn this great amount, ($15,000.00) of merchandise into cash at once.

STOP—and think for a moment what it means when a store of this kind places a proposition like this before you—where you know every transaction is guaranteed or your money back.
