BOOKS OF INTEREST LISTED IN LIBRARY

NO. 8, Weyer, University Librarian, Manager bowes Music Department.

The university librarian, M. G. Weyer, has had a large number of books collected and classified, making up a number of "auxiliary books" and books relating to business, in such a manner that anyone may enter readily for information. These books have been creating some interest, but the student body, as yet, has not realized the full benefit of them. Convenience is the only reason for which these books have been made. The books include some very interesting works, and it has been seen that there is a great deal of different views on the top floor of the library building is offices for the various departments.

LOBBYING IN RECENT: BENEFIT LADIES' HOME

Dra. Helen McCreery, President, has just received a letter from the Iowa City Women's Club, stating that the club has raised $500 to aid the work of the club.

MUSCATINE TOSSERS TAKE STATE TITLE

DEFeated Ottumwa 12 to 5 in Iowa Gym

Leading "I" men Charger and "Determine Right to Honor"

Game Earns Played

Deported basketball, the free passing and passing kind so much advocated, was on exhibition in the Iowa city armory last evening, when the Muscatine and Ottumwa, Y. M. C. A. men met here to battle for the state title. Muscatine gets the honors in an even game, winning 14 to 12 by some consistent work.

The free passing game played, allowing their opponents to get a lead and then playing desperately to cut it down. The Muscatine men, however, played better than their rivals and their handlers did the better ball, better and lacked the teamwork that the Ottumwa gave away.

The men from the river town went away in a flying start, taking a lead that was increased to 9 and then lifted to 11 and 13 and two free throws by Ottumwa. Ottumwa then got started, and by the half of the half had advanced to within one point of the game, the count standing 8 to 7. At this stage of the game Ottumwa went in for a strong drive, hitting the board to within one point of the game. The game ended 11 to 10.

Miss Virginia Cronk, who was to have played Lucy in the play of "The World's League last year, namely, the "closed" for this play. One of the unique scenes is that in the corn of the player's center, the "high-brows" will give the "fourth" for the night.

Misses to Headline, what gives additional interest to the cast. In her place Miss Carolynenae, Broadie, of the play, will give the Iowa audience another chance to see the "high-brows" in their work as actresses, The two male characters are expected to be security strong, and one is supported by a man who has been careful in his scenes before the audience tonight. The scenes will be on sale Monday morning at Witters' bookstore.
