ATHLETIC CEREMONIES

Among them are DeFreese of the Sophomore Oratorical Association, all the republican classics and the old folk dances have been given up for a while. But more than that is the meaning of the experience and weight. As was predicted, Miller won his match with Illinois 600. It is not expected, however, that the Iowa wrestling team was put up "out of sympathy," and the round table on mathematically speaking, he is well worth the while. The Iowa wrestling team was put up "out of sympathy," and the round table on mathematically speaking, he is well worth the while.

There is a possibility that the team will be practicing the remaining part of the week and play the Davis Foster game at Ottumwa, John Fink was unwillingly allowed to come to those desires of becoming expert in the use of his apparatus. At the same hour on Friday, before the connection with the old folk dances movement. The old folk dances are being revived in the university gymnasium.

Not only that but also it is with all the applause made to measure the depth of the experience and weight. As was predicted, Miller won his match with Illinois 600. We have always been of the opinion that civilians should be the all-important characteristic of a Grocery Shop. Any array of commodities must have to understand this and we simplify such work of our success in this store to our efforts in this direction.

We do not buy your Groceries at the store where the best of everything and none you buy at the same time.

IOWA HIGH SCHOOL STARS ARE CHOSEN

ALL-STATE BASKETBALL FIVE ARE PICKED

Ottumwa Champions Get Two Places,
Sheldon, West Waterloo and Grinnell Center One Each

First team:
Forward, Sears, Ottumwa.
Forward, Hamrock, Grinnell Center.
Center, White, West Waterloo.
Guard, Wormwood, Ottumwa.
Guard, Abbe, Sheldon.

Second team:
Forward, Sadee, Ottumwa.
Forward, Mill, Sheldon.
Center, Lester, Ottumwa.
Guard, Ticktin, Sheldon.

These are selections for the all-
state high school basketball five. As
usual, the names given are open to
criticism. Some of the men are good
enough to admit of little doubt of
their fitness for the places; others are
merely pushed for the honors.

Hamrock, of Grinnell Center, is un-
doubtedly the most spectacular player
in the state. He has a tendency to
play in the gutter too much, but it is
really a wonderful forward. It is
impossible to keep him from shooting
baskets, as he can shoot from any
position and has a great eye. Nev-

n, of Ottumwa, is given the other
forward because of his spotting spirit
and all-around play. Schaefer is gen-

erally credited with more showy
work, but failed to show the class
needed in the all-important contests
for the state title.

Lester, of Ottumwa, Hobbs, of Sioux
City, and Ticktin, of West Waterloo,
are given places on the second team.

Barnes, of West Waterloo, present
themselves in making up the list, it has been
necessary to eliminate the nominees
for various reasons. The great
athletes refused to enter the recent
tournament, thereby making a fair
comparison of their merits impos-
able. Elliott, of Morningside, was with-
out much doubt the best center in
the state, but he was denied notifi-
cation in the middle of the season,
and after that the work of the Morn-
ingide five was not high-class. Gould
and Lohr are, however, valuable men
who would have to be considered if
they were possible to get any kind of a
line on their abilities.
