GEORGE G. BARTH, Grocer

We have always been of the opinion that cleanliness is always an important factor in a Grocery Store. Our array of customers have come to understand this and we attribute much of our success to the Continued Business to our efforts in this direction.

Way we buy your Groceries at the store which sells the best of everything and some money at the same time.

The Pure Food Emporium
6 and 8 South Dubuque Street.
Y ou're not so much interested in the remodeling of our store as we are, of course; we don't expect that. But it is an event of some importance to you; because it means a better store; and that means a greater opportunity for us to be of service to you.

This is an old business with a young spirit, and that's as good a thing to say about a business as about a man. We're making it a better business all the time; the minds of our employees, the idea that we shall succeed when we make it a better business; and doing business right along.

The benefit we get from your trade depends on the benefit we give. You may be inconvenienced during our building changes; we shall make as little inconvenience as possible. Come in any way: it's a step toward better service for you. We'll be here to welcome you; and doing business right along.

New models for Spring suits and overcoats are now ready: smart, lively, snappy styles; young men's clothes that are different. We can do exceptionally well for you at $18, $20, $25 and $30
