We Are Going to Experiment on Prices
We lowered our prices from March 1 to 15 and it greatly increased our business, so the prices will be permanent.

WE BELIEVE THAT THE LOWER PRICES WILL CAUSE MANY MORE PEOPLE TO QUICKLY LEARN THE VALUE OF OUR THRUGH METHODS OF CLEANING AND PRESSING.

These are the lowest prices ever made in Iowa City for High Grade Work. They are lower than the prices in Cedar Rapids or Davenport. We have a metropolitan estab­ lishment and will meet Chicago prices. The most modern facilities make it possible for us to do the best work at the lowest prices. Remember our cleaning does not mean gasoline brushing or dipping, but the perfect cleaning that a modern plant can accomplish.

The Hawkeyes will attempt to weep a victory from the Maroons. Ring's men have not been hit by the slightability rules yet, although it is said that information to show that Captain Boyle played on the Garry, persons, professional team last season has been turned in. The Chicago authorities, however, have given the captain a clean bill, and he will play against Iowa unless further developments take place. The rumor as to the chances may have been unfounded, or the chances may not have been sufficiently substantiated. At any rate, the fact that the Maroon team has not yet been broken up makes it one of the strongest in the nation, according to the position and the Hawkeyes will have their hands full when they meet Pappy's hopefuls.
