The Middell Fund
Today the Y. M. C. A. is engaged in the work of raising a fund to support
a prominent alienist in his work in India. While we have not entered
deploying into an analysis of the matter,

or the worst a man's business to
keep him in good deeds at home, the
consensus of opinion seems to be that
it is, and we are willing to accept the
general verdict.

From the student body today.
