There's More Than One Way to Kill a Cat...and there's more than one way to be well dressed without "blowing" all your "dough." Think it over. Where's the tailor that gets $8000.00 a year for designing College clothes? Get out your spy glass and see if you can find one in Iowa City. The designer of Willner's College styles gets over $8500.00 (SOCIETY BRANDS) — APPLE-Rochesters' designer gets over that. Doesn't it appeal to your reason that these men "ought to forget more" over night about clothes designing than any local tailor? Why, certainly. Let us show you our College Cloths. Skilled in the country. $20 to $30.

Seniors Take Notice

At the close of this week we will be unable to take any more Cap and Gown orders and we advise those who have as yet not taken advantage of our splendid offer to do so without delay.

The Chicago Cap and Gown house who are supplying us, requires sufficient time to fill the order correctly and to get proper service as we demand from them, it is imperative that our order is sent in by Saturday.

All orders placed with us this week will receive our prompt attention.
