TAKES MONEY TO HAVE ATHLETICS

ASSISTANT SECRETARY GIVES REPORT OF DEPARTMENT

Football Has Been Biggest Gain, Accounts in Excellent Shape

Field 84 at 8:40 for meeting.

Yesterday a statement of the financial condition of the athletic department of the state university was issued by W. H. Bates, assistant secretary of the state university. This statement, which was presented to Prof. T. H. Brown, secretary of the board of control of athletics, shows the department in debt to the extent of $17,813.29.

This would seem to be an enormous amount, but such is not the case, for the department has been run as a business. The general situation is considered excellent, and much praise is given the board for the work it has accomplished.

The biggest drain on the department has been the football affilia-

tion with the university. The following statement, taken from the above where much of the money goes:

Receipts above, Miscellaneous gifts, $1,374.74; Cornell games, $1,420.20; Oregon, $8,010.72; Northwestern, $411.30; Minnesota, $827.80; Washington gifts, $1,449.00; Minnesota games, $1,531.23; Football games, $1,102.70; Washington tickets, $1,103.70. The total debt of the football department was $18,471.29.

The following figures which will give an idea how much it takes to run the athletic department of the university:

There was a net loss on football of $12,345.93.

There was a loss on track of $1,731.82.

There was a net loss of $1,023.46. This is the last report that will be issued by the assistant secretary, as his position has been abolished.

signal practice, and had four teams in action, while Thomas got three freshmen "forks going," and had four left over." On Captain Harnson's
counsel, Coach was at work. Hawley is in the place of the absent Trickey as guard. Thomas himself assist guard
linebacker and tackles as right and left tackles, Von Lackum and Bursky
at the wings. Curry at quarterback
and Pirc and the two fullbacks
in the backfield. The line-up, of course, was a temporary affair, but did well enough to start.

About the last thing on the program was a "rubbermatch" scrimmage
between the varsity aggregation and
the "President's" freshmen. Tackling and
dodging practice, work with the
dummy machine and the dummy
and unlimited other performances
filled out the day. Curry, Curley,
Davis, McCartney, Melson, Dick
among the backs showed especially
good form in dodging through the
tacklers, making it evident that speed
at least, is not to be entirely absent from the Iowa line-up this
year.

Thirty-six freshmen turned out
last evening to begin the first week
of real work under the direction of
Coach Hawley. Among the new
men turned out was Trickey, the mighty guard, was again charging
the line, whatever the defense. Of course, they don't want to show
any sign of weakness in the coming
meets, so they are not likely to
start any "jerk" or "scratch" play.

men. This means that the drills on
Tuesday, Wednesday, and Thursday
