Committee to Consult With Agents

Wednesday, Thursday at 1:00

The university dramatic club at a late meeting has decided to hold its regular fall troupe in a few weeks and in the interest of the appearance of the men and women of the club has arranged a consultation for them with a committee of club members any time Wednesday afternoon, October 19th. The try outs will be conducted in Room 14, Liberal Arts, and the blood committee members will be very glad to advise them to the fullest possible extent any of the contingent for the club's sketch arena.

Hold a member of the club: "As there are only twenty-five days left and that a few minutes differently spent each on those days may bring in a return of $25; that's a dollar for the rest of the month. That is a proposition not to be needled. All we want is a twenty-five minute skit, a full story concerning Iowa, what you get is not sold merely in terms of gold. Think it over and now get the head." The supervision and judgment of certain faculty members will make the skit harmless. The club is seeking and the members who have found any such story for this purpose. A further statement made will be known so as definite arrangements have been made.

University Club to Hold Dry Days Only

The supply is practically exhausted and will take some time coming to the registrar's office daily asking for calendars.

Reserve and Promotional

Prof. F. C. Enskis, registrar of the university, met representatives of all Greek, Jewish, fraternal, and other organizations, at the artesian chamber of the Old Capitol building last night to discuss ways and means of keeping track of members who are de- linquent in scholarship and also to suggest a possible remedy for those who have already become morally delinquent in their new surroundings.

Reports regarding scholarship are to be sent forthwith by the various chapter houses.

Dr. Franz Rempfer, M. D., of Wadson, Iowa, was at the hospital Wednesday.

IT WILL SURE

In your education a broad and broad preparation? Or is it merely "some- thing" you're after? I am told by a university student that it is difficult to find a man who is a real scholar in the true sense of the word. One man out in the world and his name is "rural." He knows a great deal about all the sciences, but he has never been in a college or university. He is true to his name, and he is the type of student that I have heard of in some small colleges. He is the kind of student that I think will make future history.

The more I learn about the man who is slow, the more I learn about the man who is fast. I am told that the man who is fast is the type of student that I have heard of in some small colleges. He is the kind of student that I think will make future history.

The more I learn about the man who is slow, the more I learn about the man who is fast. I am told that the man who is fast is the type of student that I have heard of in some small colleges. He is the kind of student that I think will make future history.

ON IOWA CITY POOL
This Town Cause of Cedar Rapids. Texas. Not Playing Basketball.

From a close-up of the Coal Division of the University of Iowa, we learn that the local basketball team will be playing tonight at a hotel in Iowa City.

They never do something different, and the same old, same old. We don't know what's going to happen.

But no fiascoes have as yet been reported from the Coal Division aggregation, but it is understood some of the players are going to make a road trip to Iowa City for their own entertainment.

Over 1911—High Schools

Sending Many

Iowa City, la. Oct. 1—Attendance records prepared in Iowa this year are satisfactory. The state university admits 1910 applicants entering from these schools must be 1910. Applicants entering from schools outside of Iowa are shown.

Almost each of the students who lived another year. Including high school students a total of 126 from the high schools of the state outside of Iowa.

The number of students who were among those in the high schools increased over last year and in 1911 there was a marked rise of over 15.8. Applicants entering from schools outside of Iowa is a marked gain from that 27. accredited high schools of the state without examination.

Debs Mass Meeting

The Debs held a monster mass meeting Thursday night in the Dental building. More than two hundred of the men, many out in the meeting and talk like the main feature of the evening. Speeches were made by Dr. H. V. Voland and Mr. Whinery on behalf of the dental faculty and by Mr. R. A. Fenton in behalf of the upperclassmen.

Debs Masses had been predicted the Iowa went down on the street and gave vent to some of their enthusiasm. After giving their yells and a dance they quietly dispersed.

Professor C. H. Weller left yesterday morning for Cedar Rapids on a business trip.

J. B. Greene, M. D., has returned from a business trip to his home in Saukville.

Almost every one of the Iowa schools are from other colleges in the state of Iowa.

An additional 81 of the new entrants came from colleges outside of Iowa. This plainly demonstrates the high place which Iowa's state university holds in the estimation of those in the educational institutions of surrounding states, including high school students a total of 126 from the new class outside of Iowa.

The number of students who entered from unaccredited high schools increased over last year and in 1911 there was a marked rise of over 15.8. Applicants entering from schools outside of Iowa is a marked gain from that 27. accredited high schools of the state without examination.

careful of the people you deal with and the company you do business with.

BECAUSE

If your dealer is not reliable your purchase may be worthless. And if your company behind the piano is untrustworthy, your dealer may be helpless looking after good guarantees. Any piano company will give you a guarantee, but usually it is a conditional guarantee under certain conditions for a period of 5 to 15 years.

If you deal with us there is no uncertainty.

GLEE CLUBS AND CHORAL SOCIETIES TO TRY OUT

University Musical Organizations to Meet First of the Week

Many Will Try Out

Prof. Gustav Schoettle announces the first meeting and try-out of the university orchestra for Monday evening at 7:30 at the liberal arts hall. A record breaking attendance is looked for as this is the first time in several years that the orchestra will be put on a firm and permanent basis.

The choral society will meet on Tuesday evening at 7:30 o'clock at the liberal arts hall. The first rehearsal took place a week ago and the attendance was very encouraging. It is possible to accommodate a few more singers. Not as it is with the other university organizations. the townspeople are invited to this tryout, by Prof. Schoettle.

Historical Society Elected

At the monthly meeting of the Board of Curators of The State Historical Society of Iowa on Wednesday evening, October 2nd, provision was made for the publication of a volume on the "History of Indemnity for Work Accidents in Iowa," written by Professor E. A. Downey. The following persons were elected to membership in the Society:

Mr. R. H. Durbin, Iowa City.
Mr. Charles L. Goodwin, Waterloo.
Mr. Henry D. Hanson, Union.
Mr. Harvey Ingham, Des Moines.
Mr. Frank E. Kiesow, Denver.
Mr. Jacob Van der Zee, who has already made many valuable contributions to the publication of the society, was elected Research Associate for the current year.

Cross Country Prospering

About thirty men continue to appear for cross country work, and Coach Kellogg is much encouraged by the outlook. While he is making no predictions, he declared that prospects are much better than they ever been before for a strong cross country team. The first home race will be held on October 12 over a two-mile course.

Dr. C. B. Rusbuhl, M., 74, of West Liberty, was in Iowa City Wednesday on business.

Dr. Jespersen, head of the department, has gone to Baltimore to read a paper before the surgical convention which is now being held in that city. Dr. Jespersen is recognized as an authority on all surgery work and it is a great honor to be asked to read a paper before this convention because there are scientific men from all over the world that come to this convention.

Delta Tau Delta will entertain at a dancing party at their chapter house Friday, Oct. 11th.

The Johnson county medical society met Wednesday evening. The program consisted of some of the best papers on medical subjects. W. B. Board, of the board of education is in Chicago.

The Marshall county Medical Society held its regular meeting in Marshalltown during the week. The main part of the program was a paper by Dr. C. F. Howard on "Typoid Fever."
Dr. Jespersen is in Baltimore attending a meeting of a surgical society.

We hear that the Delta Tau Delta is getting along nicely after undergoing an operation in Chicago.

Dr. William D. Kunian, Iowa '09, has been appointed assistant superintendent of the sanitorium at Oakdale.

The Senior ball girls gave a theme party for Miss Dorothy Recruitment at the house of Miss Edna Allen on Iowa avenue Wednesday evening. They report a big time and lots of "party." Miss Barnhart was a juster year but is not school this year. She expects to be married to Mr. Morris Coyle of Portland, Ore., the middle of this month. They will live in Oregon.

Pandum Try Outs

The try-out for the Pandanus players, the new dramatic club of the university will be held in the Natural Science auditorium, next Thursday evening October 12th. There are several vacancies in the club this year and it would be well for any wishing to do dramatic work in the university to try-out before the club on next Thursday night.

Will be a series of illustrated booklets.

The Musicale Catalogue for Preparation Work has already commenced in the university catalog. Previously this catalog has not been issued until the middle of June. This year, however, there is a great promise to have it completed by the first of March. Accompanying the catalog will be a series of illustrated booklets. This is a feature that was originated the past year and has proved a great success.
NEVER before in the history of clothes-making have the well dressed young men of this city been offered better clothes, livelier styles, more new and snappy features than we're now offering in the new Varsity line, created by Hart Schaffner & Marx special designers of young men's clothes.

The models are expressly for young men; the fabrics specially chosen for young men; and many new features have been added which will please the critical young college and high school fellows; and dressy young business men.
