MINNESOTA WINS WITHOUT TROUBLE

IOWA AS IF THE BAND WAS THE HOODOO-BUCK AND VAN METER SHOOK

was 26 to 14-Iowa could Not. Have. Minnesota. Attackers-Gained Consistently Throughout Iowa. Iowa. Beat Don in Iowa, 4 to 3, Work.

The first story tells how we expect the game to be won. The last time Iowa met Minnesota, in 1916, the score was 4 to 3. The result last time was the same. Iowa is favored by 13 to 1.

The second story was a brief account of the meeting of the state board of education. The members of the state board did just what the people at large would expect them to do. The committee, after a thorough investigation of the true condition of the state schools, recommended to the legislature the following:

- That the schools be reorganized.
- That the state board be given more power.
- That the schools be supported by a state income tax.

These recommendations were received with great enthusiasm by the people of Iowa.

The newspaper also reports on the university's football team, which played against the University of Minnesota and won with a score of 26 to 14. The Drills!

(With apologies to Poe, et al.)

Oh the drills! Oh the drills! Oh, the color-dealing drills! That a carnval of suffering their tomminess results! As they whirr, whirr, whirl, whirl. With a screaming, whining skirt, While the dental holds them firmly to the twirl, twirl, twirl. They are the reptile-blooded dentist calmly drills! As they howl and how they clatter, As they gnash and lacerate he gums with many a gory stroke! How they buzz and how they clatter, With a menace in their matter. Till the discord that they utter is unheard above the yells of the patient, as he yells, yells, yells, YELLS! As the demon-tormented patient wildly yells!
