NUMBER 52.

## HAWKEYE MANAGERS BUSY ON ANNUAL

EDITOR-IN-CHIEF VINCENT AND  
MANAGER REED GETTING  
PLANS COMPLETED

Junior Annual Will Be Representative, Each College Having Reserved a Given Space—Joke Boxes Placed in University Buildings.

"The best Hawkeye yet," is the ideal set by Editor-in-Chief Vincent and Manager Reed of the Junior annual, and they are busy working toward the accomplishment of their purpose. During the summer vacation and since the beginning of school they have been busy arranging the general plan of the book, allotting the space to be devoted to the different departments, preparing the arrangement for photos and illustrations, and attending to other details that go to make up a high grade college annual.

The general design of the book will be new throughout, several original features having already been planned. To glean suggestions for other good ideas, the editors have the use of a dozen annuals from other colleges and universities, which have been placed in the Hawkeye office.

The 1914 Hawkeye will be representative in every respect. Each college will be reserved a certain amount of space for their exclusive use, so that engineers, medics, dents, pharacents, and laws will contribute their share toward turning out a real all-university annual.

For the success of the numerous department the co-operation of the students is absolutely necessary. For receiving contributions of this kind, boxes have been placed in the university buildings, and if everyone puts in all the funny things he or she sees or hears, the editors will have a splendid collection of jokes from which to select.

### Cotillion Tickets Today

Word has been received that the decorations for the sophomore cotillion have been shipped, and immediately upon their arrival work will begin on the first of the big formal of the year. The cotillion this year promises to be one of the biggest parties ever staged at Iowa. The members of the committee refuse to disclose any of the plans, but content themselves with stating that the decorations will be something never seen at Iowa before.

Tickets will be placed on sale at Whetston's today at one o'clock. The music will be announced in an early issue.

### Alpha Xi Delta Initiates

Alpha Xi Delta last evening initiated the following members: Vera Coleman, Dolliver; Marguirete Saunders, Iowa City; Hazel Housh, Winfield; Grace Meyers, North Liberty; Dolly Cotter, Winfield; Sherman, Ft. Dodge.

## FRESHMAN PARTY A BIG SUCCESS

Freshman Party Friday Night Was Largely Attended and All Had A Splendid Time

Last Friday night, the freshmen met at the armory for their annual party in one of the best times ever recorded. The crowd was large, and yet everyone was well taken care of, so that there was no inconvenience of any kind. Too much credit can not be given the committee for the excellent plans that were devised, enabling everything to be done without the slightest disorder.

The programs gotten out were very beautiful. They were in fine leathard coverings, and neatly arranged.

Splendid music was one of the features of the evening. This, together with the fine floor, aroused the Terpsichorian ardor to the highest pitch, and made everyone feel that the evening was one of the most enjoyable spent here at the university.

The chaperones of the evening were the Misses Klingenhagen, Daley, Geyer, and Dr. and Mrs. Wassam.

### Fussing on the Wane

"The social life at Iowa has received a severe set back since I was in school," remarked one of the alumni when informed of the many restrictions in fussing and how the authorities had placed the ban on all dances except those given Friday and Saturday nights.

"During my college days," continued the grad, "we tripped the light fantastic every night and chaperones at that time were almost unheard of. In those days it was an ordinary occurrence for the fair co-eds to entertain four or five gentlemen callers each day, and then take part in the toe treading joys of the evening.

"No, it is true," he replied in answer to a question of an amazed sophomore, "our lessons did suffer as a result and I suppose that is the reason why the faculty deemed it wise to do away with a little of the frivolity. As a matrimonial agency," he went on, smiling, "this school always has been a failure because these college cases, no matter how serious they are at the time, rarely materialize."

### Vacation Begins Wednesday

Rest for the weary students of Iowa will begin Wednesday noon when school duties will be suspended for the Thanksgiving recesses. There will be four days and a half of vacation during which time many sons and daughters of Old Gold plan to eat turkey and cranberry sauce at home while others will seek out some friendly restaurant or boarding house and enjoy their feast in Iowa City.

School will take up again at 1:30 Monday afternoon. This will give students who have gone home opportunity to spend Sunday there before returning.

## FRED B. SMITH HERE NEXT WEEK

WORLD FAMOUS SPEAKER WILL  
SPEAK HERE ONE WEEK  
FROM THURSDAY

Smith Was Born on a Farm Near Iowa City—Attended the University Here Will Draw Large Crowds at Every Address.

There are few religious characters in the world more interesting, intense and unique than Fred Smith, who comes here for a series of meetings December 5 to 8. He is of especial interest to Iowa City people because he was born on a farm near Iowa City and because he was a student at the university here.

When asked if he had been a pious youth he replied, "No, I had not. As a salesman of agricultural implements I traveled from town to town and did business with merchants. I readily engaged in excitements that were dangerous, after the business of the day was over I wanted to do something. Furthermore I did it. At a village on the edge of an Indian reservation. I played billiards all night. When I left that joint it was after daylight Sunday morning. I was ashamed of myself and remorseful.

"Now, I had always felt that if I ever joined the church I should preach. Accordingly I meant to stay out of the church if for no other reason. But on that Sunday morning, miserable, humiliated and disgusted I began looking for a meeting house. Since none was in the village, I drove seven miles to a home mission that stood alone on the prairie. But I got there after the morning service was over. I waited until the night meeting. While the minister was preaching I stood up and said: 'I want help this very minute.' Thus I was converted.

The power of Smith is both physical and spiritual. In gymnasium trunks he would look like a pugilist or a wrestler. His shoulders resemble the crage of a mountain. Power is seen in his physique, in his grayish eyes, setwide apart, in his nose, jaws and compact face.

### Notice Football Men

All members of football squad be at the armory at 11:15 today to have picture taken.

### Basketball Call Out

Varsity basketball candidates are requested to appear on the floor at 3 o'clock this afternoon ready for work. Be in suits ready for practice at that time.

Floyd Thomas, Coach.

### Notice to Degree Candidates

Registrar Ensign has issued the notice that all students intending to get their degrees next February should call soon at his office and sign the application blank. This applies to students of all colleges.

## IOWA TO MEET FIVE SCHOOLS

Five Conference Games in Basket Ball to be Played This Winter by Iowa

The conference basketball games will start January 11, when Wisconsin plays Illinois at Champaign. In all there will be sixteen games, the season closing March 8. The first conference game played by Iowa will be against Northwestern at Evanston on January 16. Only two conference games will be played here, Minnesota on February 15, and Northwestern on March 1.

The following schedule was made out by big eight representatives at Chicago Saturday, and is complete for the present.

Jan. 11—Wisconsin and Illinois at Champaign.

Jan. 16—Northwestern and Iowa at Evanston.

Jan. 17—Iowa and Chicago at Chicago.

Jan. 18—Iowa and Illinois at Champaign.

Jan. 21—Illinois and Purdue at Champaign.

Feb. 5—Illinois and Indiana at Champaign.

Feb. 8—Minnesota and Illinois at Champaign.

Feb. 11—Northwestern and Illinois at Champaign.

Feb. 15—Minnesota and Iowa at Iowa City.

Feb. 21—Illinois and Wisconsin at Madison.

Feb. 22—Illinois and Minnesota at Minneapolis.

Feb. 26—Chicago and Illinois at Champaign.

March 1—Northwestern and Iowa City.

March 7—Purdue and Illinois at Lafayette.

March 8—Indiana and Illinois at Bloomington.

### Over Five Thousand Saw Game

The exact figures of the Wisconsin-Iowa game cannot be computed yet, but a rough estimate puts the number over five thousand. Manager Kellogg of the university's athletic department is busily at work counting up the sole of tickets both before and during the game. The exact figures can be given in a day or two. Every seat was sold, and hundreds were standing about the fence around the field.

### Philosophical Club Notice

The Philosophical club will meet this evening, November the twenty-sixth, at the home of Professor and Mrs. A. G. Smith on the west side. Professor R. M. Stewart will read a paper on "Some Historical and Interpretative Aspects of the School Support Problem."

### Humanist Society Meeting

The Humanist Society met last evening at 8 o'clock, at the home of Prof. S. Bush, 215 E. Fairchild. The paper of the evening was read by Dr. F. M. Foster of the Latin department. Prof. F. B. Sturm of the German department gave the report.

## PLANS ARE LAID BY G. U. COMMITTEE

PLANS UNIVERSITY ORGANIZATIONS IN EVERY COUNTY IN IOWA

Big Rousing County Club Rally December 19 in Auditorium—Reunions to be Held During Holidays All Over State.

At a meeting of the Greater University Committee held yesterday plans for the county club meetings to be held in vacation were formulated. The report of the sub-committee in charge of the work follows:

S. U. I. Reunion fortnight, December 23 to January 3.

Plans S. U. I. organizations in every county in Iowa.

The purpose of this meeting may be summarized as follows:

First: If you have a county club, set the date for the annual meeting during "Reunion Fortnight".

Second: If you have no county club, or your county club has ceased to exist, organize one.

Third: To arouse enough enthusiasm before Thursday December 19, to have a big rousing county club rally in the auditorium—to show on that date that an S. U. I. reunion is to be held in every section of the state of Iowa, and in many surrounding states during the holidays.

Under the first point the suggestion is, that if you have a county club, correspond with the officers immediately in order to set a date during "Reunion Fortnight" on which the greatest number of alumni, former students, and undergraduates, with possibly high school seniors, can attend your function whether it be a dinner, reception, smoker, or a meeting to elect officers for the ensuing year, and discuss the following subject: "How can the County Club be Most Useful to the University?"

Under the second point, if you have no county club, correspond with the leading alumni in your vicinity. We have some lists ready for you and you can have access to a card file from which you can obtain suggestions as to the "livest wires" among the graduates and former students in your county or city with whom to correspond relative to the making of one of the links in our massive chain of S. U. I. organizations.

Point third: This is to be a big county club rally just before vacation to inspire more organization work and to hear reports on the plans for holding S. U. I. jollifications which will eclipse anything ever before attempted here.

### Pan-Hellenic Notice

A special meeting of the Pan-Hellenic council will be held at the Iowa Union at seven o'clock this evening. This meeting is very important.

Published every morning except Saturday and Monday

Managing Editors and Business  
Managers  
Office Hours: 5:00 to 6:00 P. M.

Tuesday Morning, Nov. 26, 1912

#### JUST A WORD

A few days ago the Student Central Committee held a mass meeting in order to impress the student body of the importance of boosting for the engineers during the Thanksgiving vacation.

When you go home, tell your people, your friends, and all interested in the welfare of the university, just how the situation is at the present time. If you can possibly call a meeting, of the business men and towns people of your home town, while you are home do so. Put up the plain facts to them and we can safely state that they will see the situation in the right light.

If you are not up to the minute on the engineering subject, see one of the engineers or call at the Daily Iowan office and we will give you literature and all the information necessary.

We have a difficult fight before us and it is necessary that every one of you students lend your support by this means.

#### ANOTHER SEASON

The football season is over, the tennis season is over; the cross-country season is over; the hockey season is over. The basket ball season opens; the wrestling boxing, fencing, rifle shooting and gymnasium season opens.

The men and women who have taken part in the activities of the first of the season have done nobly their part. It is now time for another set of men and women to take up these activities and make a success, bring honor to Old Gold and to themselves. Iowa spirit has never been better in the history of the university. There has been much upon which to build spirit and enthusiasm this fall and from the present outlook there is going to be a repetition of the past season.

During the interval between the football season and Thanksgiving vacation we shall not have time to think of much except the home going but let us come back next Monday refreshed and ready for the fight to make Iowa the greatest of universities.

#### Fourteen Letters Awarded

Fourteen letters were awarded to members of the Iowa football squad by the board in control of athletics at its meeting last evening. The men given the letters are Captain Hanson, Clemens, Kirk, Trickey, Houghton, Buckley, Gunderson, Von Lackum, Meloy, Curry, Dick, Parsons, McGinnis, and Van Meter. The I. A. U. insignia was given to Carberry, Bowen, K. Brueckner and W. Penningroth.

#### Mortar and Pestle Notice

Dr. C. S. Chase will deliver an illustrated lecture on the subject of "Patent Medicines" before the Mortar and Pestle club this evening.

FIGURES SHOW  
IOWA STRONG

Saturday's Score Does Not Show  
Up Relative Strength of Two  
Teams

Was Iowa completely outclassed by Wisconsin in the final big game Saturday? Another way of arriving at a definite answer to this question is herewith presented. Following are the figures showing the gains of both teams as measured in distances of punts and kick-offs and the distance the ball was carried after the kick-offs and during the game. The losses in yards and the yards penalized are also given:

Gains	
IOWA	WISCONSIN
Punts 226 yds (6 times)	148 yds 5
Kick-offs 165	160
Carried back	
Prof Kick-off 125	209
Ball carried 316	416
Total 832 yds	1033 yds
Losses	
Distances enalized 60 yds.	85 yds
Loss in play 26	32
Total 86 yds	177 yds.
Subtracting losses from the gains gives Wisconsin credit for a total of 916 yards and Iowa 746, leaving a balance in favor of Wisconsin of 170 yards.	

Due to Hanson's unerring toe, Iowa far outpunted the Badgers, the average kick for Iowa being 38 yards and Wisconsin 29.

That Iowa gained more consistently is shown by the fact that Wisconsin was thrown for losses 32 yards as compared to Iowa's 26.

PROFESSOR NUTTING  
GIVES FINE LECTURE

Head of Zoology Department Addresses Baconian Club on Heredity

Prof. Nutting Friday evening gave a highly instructive lecture on the Progress of Zoology during the last decade. Progress along the lines of the study of heredity in its theoretical and practical aspects, experimental zoology, experimental psychology by zoological expeditions, and systematic zoology was discussed.

In 1900 mendal's law of heredity which had been formulated 30 years earlier was discovered. This law of heredity was unnoticed at the time on account of the attention which was being given to Darwin's law of natural selection. By this law it is possible to secure a pure type of animal or plant without long breeding.

Prof. Nutting gave an interesting probable solution for the high cost of living when he said that we might manufacture our own meat simply by putting a fragment of meat into a suitable culture and letting it grow.

It was interesting to learn that the millions that are gambled away by our steel magnates and other sin gay Monte Carlo are invested in scientific research by the Prince of Monico who has done perhaps more than any other man of our time to further investigation along the line of oceanography.

Hawley Picks Eleven

Coach Hawley yesterday announced his selection of an all-conference eleven. Trickey is given a place at left tackle, and Hanson a place at right guard. He agrees with Eckersall's selection, excepting Samp at left tackle, Hoeffler, left end, and Tanberg, full. Fleming gets the left end, and Erheartt the full back position.

Eckersall's eleven is as follows:

Hoeffler, Wis., (captain), left end; Samp, Wis., left tackle; Gelein, Wis., left guard; Des Jardien, Chicago, center; Keeler, Wis., right guard; Butler, Wis., right tackle; Ofstie, Wis., right end; Gillette, Wis., quarterback; Van Ripper, Wis., left half back; Oliphant, Purdue, right half back; Tandberg, Wis., fullback.

When Hanson Has a Cold

When comes the team, and rooters stand  
To sing for dear Old Gold,  
When "Rambles," loudly brays the band,  
Cap. Hanson has a cold;  
When roar the cheers on every hand,  
And Speeches from Heaven" all demand,  
The hero loses all his sand;  
Cap. Hanson has a cold.  
But when upon the field they tread,  
In suits of gleaming gold,  
Opposing Badger bays in red—  
Ah! Where is Hanson's cold?  
Vanished is his modest dread,  
Excitement fills his soul, instead,  
And everybody knows he's shed,  
All vestige of a cold.

vive of Marshalltown.

Miss Hurley Gauss of Wapello visited over the week-end with Miss Maud Silverthorn, L. A. '14.

Ralph Jones, '07, of Williamsburg came in Saturday to see the big football game and to meet a few of his old classmates.

William Kerman of Cedar Rapids visited at the Beta house over the week-end.

John Leeper, law, '12, and wife spent the week-end in Iowa City. Leo R. Leeper, law, '12, visited friends in Iowa City over Sunday.

Miss Maud Walz, L. A. '12, who is teaching at West Liberty, spent the week-end at her home in Iowa City.

Gus Heiman, pharmacy, '12, who

is working at Cedar Rapids, spent the week-end in Iowa City visiting old friends.

A. C. Strong, medicine '09, of Burlington is visiting at the Phi Psi house.

Charles Safely of Cedar Rapids is pledged to Phi Kappa Psi.

T. T. Taft, ex-L. A. left for his home in Humboldt, yesterday, after a few days visit in Iowa City.

Arthur Fowler of Waterloo visited over Sunday at the Phi Psi house. Atherton Clark of Cedar Rapids spent the week-end at the Phi Psi house.

Leigh Bell, law '12, of Washington was on over Sunday visitor at the Phi Psi house.

Mr. and Mrs. Elghme of Waterloo spent the week-end in Iowa City visiting their son, Paul.

Prof. R. A. Kuever of the pharmacy college has left for a week's trip to New York City. Mr. Kuever will visit the laboratories of the large Essential Oil importers which he is able to do under favorable circumstances owing to his interest and study along this line.

Miss Marvel Stevens of Flouis visited with Mr. B. E. Fridley pharmacy '13.

### BIG HOME-COMING IS SUCCESSFULLY OVER

More Graduates Here than to Any Other Game Ever Held

The big alumni homecoming was a grand success. More graduates returned to see the Hawkeyes battle against the Badgers than ever attended a football game on Iowa field, according to reports yesterday. All parts of the United States were represented and one man came from Alberta Canada. Des Moines probably furnished the largest number of visitors of any one town.

Saturday every old grad was down on Iowa field rooting for the team with all the "pep" of student days. The crowd was about the size of the one at the Ames game last year, the visitors at the homecoming making up for the large crowd that came here from Ames.

In the evening "Football Night" was observed at the Englert theatre. The first number on the program was the Men's Glee Club. This was the first appearance of the club this year and they were called back several times after they had rendered their two numbers.

### No Vespers Sunday

An account of the Thanksgiving vacation, there will be no vesper services next Sunday. The services will continue the following Sunday.

C. J. TOMS

Proprietor

Phone 58  
225 Iowa Avenue

## The Pure Food Emporium

We cater to the class of people who are particular about what they eat but object to being "held up" on the price. Our unusual facilities enable us to give you exceptional SERVICE all along the line.
