NUMBER 111

IOWA GETS THE GOPHERS FRIDAY

HAWKEYES DO THE UNEXPECTED AT MINNEAPOLIS AND MAKE NAME FOR TEAM

Score is 9 to 12—Lose to State Teachers College Thursday by Score of 23 to 15—Berry and Leo Iowa Stars at Minneapolis.

Minneapolis, Mar. 7.—(Special to the Daily Iowan): Iowa defeated Minnesota here tonight in the fastest basketball game of the season by the score of 12 to 9. The feature of the contest was the close guarding of both teams. The first half ended with Minnesota leading by the score of 4 to 3 but the Hawkeyes came back strong in the second period and outplayed the Gophers.

Lawler and Wipperman were the stars for Minnesota, while Captain Berry and Leo played well for Iowa. The team work displayed by the Iowa team in the second half was wonderful and putting up this brand of basketball, it would have little trouble in winning from the majority of the quintettes in the conference. Long shots by Lawler and Berry were made in the second half but the team work of the Iowan's was too much for the proteges of Dr. Cook to solve.

Loose Game to Teachers

The first game of the northern tour of the Iowa basketball team was lost to the Normal school five by the score of 23 to 15. It was a poorly played game and the Hawkeyes were unable to guard the fast forwards of the teachers.

Captain Berry starred for the locals while Ludeman was the shining light on the Cedar Falls aggregation. The latter made 9 baskets from the foul line which spelled the downfall of the Iowa team.

The line-up was as follows:

Iowa:	Normal	
Gardner	LF	Huston
Berry	RF	Clapper
Leo	C	Anderson
Dick	LG	Ludeman
Parsons	RG	Dickinson

Field goals: Leo, 2; Berry, Gardner, Parsons, Brueckner, Huston, Clapper, 2; Dickinson, 3; Krider.

Free throws: Berry 2; Gardner; Ludeman, 9.

Substitutions: Krider for Anderson; Schulte for Leo; Brueckner for Gardner.

COE PROFESSOR COMING

Professor LeRoy D. Weld, professor of physics in Coe college will address the physics seminar next Tuesday at 4:30 on, "The Application of Least Squares in Physical Research". All interested are invited to attend.

NOTICE

The Travel and Mission study class of the English Lutheran church will meet with Mrs. Lee D. Koser Monday afternoon from 5:30 to 7:30 o'clock. Mrs. Aurner will have charge of the lesson.

PARISH TO COME TO UNIVERSITY SOON

Author of "Old Gold" Will Visit His Alma Mater in a Few Days

Dr. John Carl Parish of Denver, Colorado, is spending a few days in Iowa City upon the joint invitation of the graduate college of the university and of the State Historical society. Dr. Parish is well known in university circles as the author of "Old Gold". He graduated from the college of liberal arts in 1905, took his master's degree in 1906, and received the degree of Ph. D. in 1908. Later he spent a year in France and Spain working among the archives of those nations. For several years he taught the classes in Iowa history in the university, and was connected with the State Historical society.

As a writer Dr. Parish already has a considerable number of books and historical monographs to his credit. He is the author of biographies of Robert Lucas, the first territorial governor of Iowa; John Chambers, the second territorial governor, and George Wallace Jones, one of the first United States senators from Iowa. Besides these books, he has written a number of important articles relative to Iowa history. At present Dr. Parish is living in Denver, where he is devoting his time to historical research and literature.

IOWA LOSES TO TEACHERS BY TWO POINTS

Men From Iowa Made Good Showing at Cedar Falls Meet But Were Slightly Outclassed

Cedar Falls, Ia., March 8.—(Special to the Daily Iowan): The Iowa gymnasium team lost to the State Teachers' college here this afternoon by a score of 243.4 to 241.85. The points made in individual contests are as follows: Horizontal bar, Teachers college, 35, Iowa 32.85; parallel bars, Iowa, 54.3, Teachers' college 52.5; horse, Teachers' college 53.75, Iowa 52.9; swinging rings, Teachers' college, 53.15, Iowa 50.5; and tumbling, Iowa 50.9, Teachers' college, 49.

This gave Iowa two out of the five contests. The gold medal for the best individual work went to Sheffield, captain of the Teachers' college team who averaged 9.2 on eight performances.

GRADUATE CLUB NOTICE

The graduate club will meet for a research conference, Tuesday afternoon, March 11th, at 4:00 o'clock at the library of the state historical society L. A. building, top floor. John C. Parish, Ph. D. will address the club and lead the discussion on the topic: "Research and Interpretation." Dr. Parish who is here under the auspices of the graduate college is a well known author and successful investigator. All graduate students are urged to attend. Others interested are also welcome.

COUNTY FAIR IS A GREAT SUCCESS

WORK OF YOUNG WOMEN REWARDED GOOD CROWD AT ARMORY

Cafeteria Serves Meal to Many Students at 5:30—Numerous Side Shows Enliven Occasion—Large Crowds Attend.

The Johnson County Fair was a success. That was the verdict of the throng which attended the university armory last evening and patronized the booths and side shows of the various organizations.

The booths were varied and many. There was the sandwich stand and the confetti dealer. There was the baseball games and the fortune tellers. "Ethel May" was present and cleared up mysteries for many.

The fair opened up with a cafeteria supper served by several organizations. The Y. W. C. A. received most of the food for this from the various churches and Miss Henney served no evening meal at the cafeteria to help the girls.

There were many side shows. "Uncle Tom's Cabin" was there with all its characters and had a good run all evening. A strong Mississippi Minstrel show gave a show with music furnished by a five piece "Band". This same organization had considerable trouble in preserving order and only by the aid of an efficient police department was able to keep the crowd from gazing through the gaps in the walls.

The Y. W. C. A. worked hard for the fair and were ably assisted by several of the university's most enthusiastic clubs and societies. A good sized crowd attended and from remarks all were thoroughly pleased with the fair.

BALLARD WINS IN MATCH

Thursday evening, at the armory occurred the last of the wrestling matches to determine the championship of the university. R. M. Smith, and Fred Ballard wrestled for an hour and 50 minutes for the featherweight title. Ballard has been holder of the title for the last two seasons, but on Thursday evening he failed to gain a fall from Smith who had challenged him to the go. Smith had been injured internally Monday evening in an exhibition match with his brother, the bantam weight champion, at the dental smoker, and because his wound was giving him pain, was forced to forfeit the match before the finish.

PHARMISTS ELECT

At a meeting held in the pharmacy college last Thursday, R. E. Fridley was elected president of the senior class for the remainder of year to fill vacancy of R. C. Havey who is leaving school. R. J. Schneider was also elected "Marshall" for the class day program.

SPEAKERS CHOSEN FOR BIG DINNER

Seat Reservation For University Affair to Occur First Three Days Of This Week

From present indications the university dinner which will occur at the armory next Thursday evening, will be one of the most successful of these functions ever held at Iowa, in seating arrangements, program, attendance, and viands.

Particular attention is being paid this year to the seating arrangement at the armory. Under the new plan of reserving the seats, much confusion will be avoided. The seats have been divided into sections, each college being assigned a section. When the students from the different colleges reserve their seats they will be assigned to their respective sections. This plan is meeting with approval in all colleges of the university. This insures a rousing attendance for the various colleges will vie with one another for the best showing.

The seat reservation will take place between 12:30 and 1:30 p. m. in the Old Capitol building on Monday, Tuesday, and Wednesday, as the capacity of the armory is limited, seats should be secured at once.

Though the particular subjects of the toasts have not been announced, the personnel of the speakers has been given out. Dr. C. S. Chase of the medical college will act as toastmaster. This in itself is a guarantee that the program, will be conducted with a cheeriness and "pep" for which the doctor is well known. As has been announced, the chief speaker of the evening will probably be Senator William S. Kenyon. The other speakers will be President John G. Bowman, Professor E. H. Lauer, J. H. Anderson and Miss Buda Keller.

PRE-MEDICS HAVE

NEW ORGANIZATION

Men Who Will Enter College of Medicine Next Fall Held Meeting Friday

At a meeting held Friday afternoon in the natural science auditorium, the men who will enter the college of medicine next fall organized. The men are now classified as sophomores in the college of liberal arts but as their work is all prescribed for them they are practically in a class by themselves.

The new organization proposes to promote social gatherings among these men. A dance will be given soon after the spring vacation as an initial event. Other events are planned for the spring.

Following are the officers who were elected: President, E. C. Yoder; vice-president, H. J. Secoy; and secretary and treasurer, F. W. Slob.

ZETS CHAMPIONS OF UNIVERSITY

PHILOS ARE DEFEATED BY TWO TO ONE DECISION IN CLOSE CONTEST FRIDAY EVENING

Six Year Term For President of United States Discussed—Three Victories to Winners Out of Six Debates.

Winning in a closely contested debate by a close decision of two to one, the Zetagathian team captured the championship of the university in debate, last Friday night. Professor Merry is on record as saying that it was the best local debate he ever witnessed, and all who heard it will be strongly disposed to agree with his judgment.

This victory gives Zetagathian three out of the six debates held during the last six years. Philomathean won two, and Irving one, during the same period.

The joy of the victory was dimmed somewhat for the winners by the announcement, made just before the decision was given, that one of the donors of the prize has withdrawn his gift, and consequently the prize will be only twenty-five dollars instead of fifty.

Argument of Teams

The arguments of the affirmative were, that a six year term for the president is more desirable than any other length of term, because it gives sufficient time for the completion of policies, yet is not so long as to tend toward monarchical rule, and second, that ineligibility, by avoiding the necessity of the president's attempting to work for reelection, would render his services more efficient, less wasteful of time, and less likely to be influenced by political considerations.

The negative advanced the argument that the evils it is desired to remedy lie, not in the eligibility of the president for a second term, but in the campaign contributions of co-operations, in the system of nominating conventions, and in the use of the electoral college. They suggested as a remedy a direct primary, the limiting of campaign contributions by individuals, and prohibiting all contributions from corporations.

Professors Judge

All the debaters showed the results of thorough preparation, and hard work, and the debate was interesting from start to finish. Opinion was divided as to the outcome up to the moment the decisions were announced.

The judges for this debate were: Professor J. L. Deming, Professor P. S. Peirce, and Dean W. C. Wilcox.

NO WRESTLING RESULTS

Up to a late hour last night the Daily Iowan were unable to get any results from the wrestling team. Telegraph and telephone failed to come in connection with any of the Iowa men.

ARE WE APPRECIATIVE

"I am homesick to see Iowa City and if it is possible to get there I will", such were the words of Senator Kenyon in his recent letter regarding attendance at the university dinner. These words are significant. They show that this alumnus, in the midst of a strenuous public life, yet finds time to think of "Old Gold", that he is "homesick" to come back.

If you are one of the many of us who do not fully appreciate our university while we are here, stop and think of those words. Would not it be a good plan to show our appreciation while we are here by getting all we can out of university life and by giving to the various activities our loyal support?

"JAMES HARLAN" IS SUBJECT OF NEW BOOK

Brigham Writes Life of Pioneer Iowa Educator For Historical Society

"James Harlan" is the subject of a 450 page biograph which the State Historical society of Iowa now has in press. Mr. Johnson Brigham, state librarian of Iowa, is the author.

"James Harlan," the subject of this biograph, stands with Samuel J. Kirkwood of Iowa City and James E. Grimes of Burlington as one of Iowa's leading statesmen of the period of the Civil War and Reconstruction. He was the first state superintendent of public instruction in Iowa.

In 1855 Harlan was elected United States senator from Iowa and he served in that capacity continuously until succeeded by William B. Allison in 1873, with the exception of a short period during which he was secretary of interior in the cabinet of President Johnson. He was one of the leaders in the senate in his day and he was influential in securing much legislation beneficial to the people of Iowa and the west.

STEREOPTICON LECTURE

A stereopticon lecture upon "New Life in the Near East" will be given by Rev. W. L. Waters at the Congregational church, Sunday evening, at 7:30 p. m. About seventy-five slides will be shown, covering the country upon which the attention of the whole world is fastened by the Balkan war. The public is invited to improve this opportunity of seeing the homes, cities, and costumes of the people who are participating in this great struggle, and of learning about the religious and educational work which is being carried on among them.

SPECIAL SERVICES

There will be special services at the Congregational church this evening at 6:30 by the Christian Endeavor. Special music has been provided, the meeting will prove beneficial as well as entertaining to those who attend. Remember the hour and reserve it for this occasion.

About seventy-five pictures of the Balkan war district in the free illustrated lecture: "New Life in the Near East.", Congregational church, Sunday, 7:25 p. m. Come.
