AMES-IOWA CONTEST DECIDES STATE TITLE

**BIGGEST GAME IN STATE STARTS
ON IOWA FIELD TOMORROW
AFTERNOON**

**Game Called at 2:30—Hawkeye
Team is Ready—Aggies in Cedar
Rapids Today—Special Train Will
Arrive Tomorrow Morning**

"Granddope", carefully dissected seems to point toward an Iowa victory over the old-time rivals from the state college at Ames. But, fortunately the dope does not decide football games. Contests must be decided on the gridiron but as satisfactory decision is never gained in the columns of newspapers or in various places of student congregation. The Cyclones from Ames are on edge and will fight Hawley's machine to the last ditch to stave off defeat or to gain a victory.

If Ames is beaten, it will not be because of lack of fight. The coaches have analyzed the situation thoroughly and have endeavored to disabuse the minds of the Hawkeyes of any thoughts relative to an easy victory.

Injuries will not mar the chances of a Cyclone victory as they do the chances of Hawley. All men on the Ames team who were not in the best shape were kept out of the Cornell battle last Saturday for no other reason than to be able to present the strongest line-up possible against Iowa. On the other hand Hawley has been forced to use his injured

(Continued on page three)

SOPHOMORE COTILLION COMES ON DECEMBER 5

**First Formal of Year to Be Held After
Thanksgiving**

The committee of the sophomore class has named December fifth as the time for the annual class party. It is the first formal of the year and the committee has pledged itself to put on a good one.

Special music is being planned for the occasion and one of the best parties ever seen at Iowa will be managed by the sophomores, say the committee.

The committee on decorations is working on suitable things for decorating and hope to make a report in a few days.

PHILO NOTICE

There will be no meeting this evening.

SIGMA DELTA CHI MEETING EDITORS

**Journalistic Fraternity Taking Active
Part in Entertainment
This Week**

Sigma Delta Chi, the honorary journalistic fraternity which was organized at the university a couple years ago has been lately awakened to a keener interest in journalism throughout the university.

The organization is alive to all the topics of the day and is helping in the entertainment of the visiting editors.

The following men have been initiated into the fraternity this fall: Lloyd Darling, Henry McClintock, Oval Quist, H. E. Webb, F. C. Kurtz, and Ival McPeak. Don Hnuter has been pledged.

Y. W. C. A. NOTICE

The last of the afternoon meetings will be held this afternoon. Miss Snavely will lead and give a talk on association work in Europe. On Saturday morning, at 7:00, there will be a sunrise prayer meeting at which Mr. Ostrom will lead. Everybody come.

ALL FRESHMEN NOTICE

All freshmen of all colleges are urged to be present at the formation of the pageant tomorrow afternoon at 1:30 in front of the Old Capitol. It is the duty of every freshman to be out for this pageant so that we may show the alumni and the Ames delegation which will be here that the university is not going into a decline. Everybody be sure and come.

PRESIDENT IS BACK

President John G. Bowman, arrived home, yesterday from Washington, D. C., where he has been attending a meeting of the universities of the United States.

MORTAR AND PESTLE

The entire society of Mortar and Pestle attended the first meeting of the year, held last Tuesday evening at the home of Dean Teeters. Herbert Doden read a paper on "The comments of the United States Pharmacopia." Following the reading of the paper an interesting discussion ensued. Dean Teeters had a few instructive remarks to make upon the subject.

A dainty three course supper ended the evening. The supper was served by Mrs. W. J. Teeters, assisted by Miss Combs.

The next meeting of the society will be held on November 25 in the chemistry building.

AMES MASS MEETING HELD THIS EVENING

**BIG PEP MEETING STAGED THIS
EVENING AT THE NATURAL
SCIENCE HALL**

**Music and Speeches Will be Feature
of Occasion—Big Torch Parade
Will Follow Mass Meeting—Parade
to Armory**

"It will be a hummer"

That is the way the committee expressed themselves when speaking of this evening's mass meeting.

Final preparations have been completed and the biggest mass meeting ever held at the university will begin promptly at seven in the science auditorium.

In order to give the alumni a chance to attend, the center section of the downstairs part will be roped off for them. The students will have to be contented with the rest of the big hall. Ushers will be appointed to handle the big crowd and see that no alumni loses a chance for a seat.

An interesting program has been made out and will entertain the crowd for an hour. Music will be furnished by both the band and the dent octette. Several prominent alumni are slated for speeches.

Parade Will Follow

Immediately following the mass meeting the big torch light parade will be staged. This will take the form of the big political parades of years ago. It is expected that over three hundred men will be in line. The torches will be placed on sale this morning. The parade will start from the main entrance and wind up at the armory for the big mixer.

NOTICE TO ALUMNI

Orders for the 1915 Hawkeye will be taken at the alumni headquarters, in the different colleges and other places today and tomorrow. With each order a deposit of fifty cents is asked, the remainder to be paid on the delivery of the book. This canvass is for the old students and alumni only.

The alumni section of the annual will be especially full this year and will include pictures of groups of old students taken during the homecoming celebration.

THOMAS OFFICIATES

Floyd E. Thomas, freshman football coach will referee the Parson-Simpson game at Fairfield today. Tomorrow he journeys to Rock Island where he will act in the same capacity in the Rockford-Rock Island game.

MANY MORE TICKETS WILL BE RECEIVED

**Manager Kellogg Will Reserve Boxes
at Nine To-
morrow**

Manager Kellogg will place on sale six hundred reserved seats tomorrow morning at nine o'clock at Whetstone's. These tickets will be reserved in the boxes which are under construction. In order to give all alumni a chance only two tickets will be sold to a person. No one who has bought tickets before will be allowed to trade for these tickets.

Workmen are busy erecting the basketball ball bleachers at the north end of the field. These have a capacity of 1400 persons and will be used for general admission. With these seats and the two bleachers and the boxes there will be about 7000 seats on the ground tomorrow for the big game.

At the present time the seats are ahead of the number of persons wishing them and the board saying that they will be able to handle the crowd successfully.

DUNLAP ON WATER SUPPLY

The regular meeting of the Baconian club will be held in the physics lecture room this evening at 7:30. Professor J. H. Dunlap will give a paper on the subject, "The Water Supply of Iowa City." The construction of the plant will be described with the aid of slides and the operation of the plant explained. The public is cordially invited to the lecture and it is hoped that all who are interested in this important subject will attend and remain for the discussion of the paper.

CURRIER HALL

It has been found necessary to change the hour of the informal reception at Currier Hall. Instead of Friday evening after the mass meeting as announced on the folders, the hall will be open to alumnae and university visitors on Friday afternoon from 2:30 to 4:30. Tea will be served and guests will be shown about by the young women who live there.

NOMINEES ARE CHANGED

Malvern J. Iles of the senior class of the college of liberal arts has replaced William O'Reilly as nominee for secretary of the Iowa Union. O'Reilly was found to be ineligible for the office. Walter Cardell has also replaced C. A. Ross on the ticket as originally nominated. With the exception of these changes the officers will be voted on as nominated.

IOWA EDITORS MADE WELCOME LAST NIGHT

**CONVENTION OF SOUTHERN
IOWA OPENS WITH BANQUET
AT NEW HOTEL**

**General Mixer and Smoker Held at
the Commercial Club Rooms After
Banquet—Interesting Program
Given by All University Talent**

Over one hundred editors and their friends feasted last night at the new Hotel Jefferson in the first get-together of the convention of Southern Iowa editors which convened here yesterday. Nothing but success attended this first meeting of the newspaper men. With a general mixer for an hour before the banquet, a few minutes after six o'clock the association sat before a banquet board such as only the new hotel can provide.

The "layout" was entirely appropriate for the occasion and was as follows:

- Blue picas on a galley
- Consomme dross
- Side sticks
- Round quads
- Crab flake "pigs," Iowa
- "Phat take" tenderloin, mushroom sauce
- Sorts from the "P" box
- Delinquent Subscribers Grilled
- Green Bay leaves, Hyphenated
- Chap book ornaments
- Cold metal
- Hell box
- Dark Brown Taste
- "Thirty"

Immediately after the banquet the editors adjourned to the Commercial club rooms where smoker and mixer was held. A program staged entirely by university talent was given. Henry McClintock had charge of the program as follows:

J. J. Hemmingson and J. F. Gran, lightweight champion wrestler of the university put on a wrestling match. Dr. F. F. Ballard, former featherweight champion of the university refereed.

Herbert M. Harwood, gave an illustrated lecture entitled "Why I Like Iowa."

Professor C. H. Weller, spoke to the Iowa editors in behalf of the university.

The University Glee club sang a few rousing selections during the course of the evening.

FOSTER WILL SPEAK

President W. T. Foster of Reed college Washington will talk to the students of the school of education this afternoon. The lecture will be held at 1:30 in room 117 of the liberal art building. All students are invited to attend.

Assembly in N. S. Auditorium at 10:00 o'clock

Friday Morning, Nov. 14, 1913.

FRESHMEN GET OUT

To have all of the 879 freshmen all in line for the pageant next Saturday would make one of the grandest showings ever attempted at the university. And the indications are that there will be few blank files when the procession starts. Each of the colleges has promised its cooperation to make this big event one of the greatest successes of the big homecoming program.

The only thing that will mar the occasion is for a number of students to say, "there will be enough without me." Each individual should remember that his place can not be filled and can not be overlooked. Let every man feel that he is responsible for placing himself in this line tomorrow.

WORK FOR BIG PAGEANT

Every college in the university has promised its support for the big freshman pageant to be pulled off on Iowa Field tomorrow afternoon. It is the opinion of those in charge that this will make one of the biggest hits of the entire homecoming program, with the exception of the big game.

"500 IN '15"

What does it mean? Signs were up all over the campus this morning bearing this motto. Five hundred what? in fifteen what? That is the question being asked by the student body. Somebody has said that the sophomore engineers know the answer. Somebody else said that the dents were back of it and then again the report was circulated that the pharmacists were the ones holding the answer.

Get Your Underwood Today

Iowa men and women, you can go this very day and get the best new visible typewriter in the world—the Underwood—the machine all the world's speed and accuracy records are won on, and have it and the National Course in Quick Easy Touch Typewriting in your own room this evening, and on your own request. The National Course makes typewriting easy, accurate, sure. The best should be none too good for you. Learn to operate the Underwood. It's the way to save your time and raise your grades.

The Cost Is Less Than Renting

Inquire of Ralph E. Albright, Y. M. C. A. (Close Hall) 6:45 to 7:45 every evening. Phone 853R any time.

NATIONAL TYPISTS ASSOCIATION

At any rate the answer will probably appear in a few days. "Three can keep a secret if two of them are dead," according to an old saying; but it is probable that those back of the motto are not dead ones.

YESTERDAY MARKED THE START OF HOMECOMING

EDITORS AND CATHOLIC STUDENTS BANQUET—MIXERS AND RECEPTIONS HELD

Governor Clarke Arrived Last Night—Extension Day Program Begins at 10:00 This Morning—Registration of Graduates Starts at Noon

With the registration yesterday morning of the delegates to the conventions of the Southern Iowa Editorial association and the Catholic

Students Association of America the annual alumni homecoming of the University of Iowa officially started. Last night there was two banquets at the new Jefferson Hotel, one in honor of the editors, and the second for the delegates to the Catholic Students' convention. In the evening the editors were entertained at a smoker in the Commercial club rooms.

Governor George W. Clark arrived last night in order to be here bright and early tomorrow for the Extension Day program in the University of Iowa auditorium at 10 o'clock this morning. The governor speaks at that meeting as will also President William T. Foster of Reed College, Oregon, and Professor T. H. Macbride. At 11 o'clock the governor makes the dedicatory address at the new tabernacle recently constructed in this city.

Thousands of badges have been provided by the University of Iowa to give the visitors, including both Iowa and Ames supporters. The Hawkeye souvenirs are old gold, while those for the Iowa state college are made in the Ames colors.

The headquarters for the graduates of both institutions will open today noon and the registering of the college visitors will start at that time. A list of available rooms for those in the city during the Homecoming has been compiled so the committee believes the enormous crowd will be accommodated.

The program of the Southern Iowa Editorial association yesterday was scheduled to include the following papers: "Should Advertising Rates Be Advanced," S. W. Needham, Signourney News; "Country Correspondence," Elmer E. Taylor, Traer Star-Clipper; "Keep Your First Page Clean", Horace Barnes, Albia Republican; "Getting Farm News," F. E. Corbin, West Branch Times; "The Advertiser Who Gets Mad," W. E. Whetstine, Columbus Safeguard.

NOTICE

On Saturday morning at the Iowa Union, there will be a block of fifty seats to the Ames-Iowa game, put on sale. The sale will be conducted by Benj. Boer.

TICKETS GOING FAST FOR VARSITY SHOW

Mail Orders for Tickets Swamping Those in Charge of Seat Sale

Seats for the Saturday night vaudeville entertainment by university students at the Englert Theatre go on sale this morning at 9 o'clock.

House manager, C. D. Meloy, and Treasurer George Williams announce that no more than ten seats will be sold to any one party and that all telephone orders will not be held beyond 6 o'clock Saturday night, unless positively guaranteed. The management also asks that those who ordered seats by mail call at the box office Saturday morning to obtain their envelopes.

The mail order on tickets for this entertainment was unprecedented. However, Manager Englert states that only three times since the house was opened has it been entirely sold out, so it is confidently expected that there will be room for all those who desire to attend this entertainment Saturday evening.

Boxes were arranged yesterday for several parties of legislators who will attend the homecoming. Boxes were also reserved for a party of newspaper men, which will include Harvey Ingham, editor of The Register and Leader, and a graduate of the university in 1880 and from the law college in 1881.

It is also announced that unique souvenir programs containing no advertising, will be printed for the event.

Special music, Soph cotillion, Dec. 5.

AMES-IOWA CONTEST DECIDES STATE TITLE

(Continued from page 1) regulars in all of his contests.

Practice, last evening, was confined to a light signal practice, the coaches not wishing to take a chance of having men injured on the eve of a big battle. During the short exercise the men gave evidence of possessing an abundance of the essence of paprika and no signs of staleness were visible. The team was dismissed early with the injunction to be at the armory at four o'clock today from which point the customary trip to the country club will be started.

After the practice, last night, the coaches announced that unless an unforeseen exigency arose, Carberry would not play tomorrow. His side is still bothering him and it is thought advisable to give it time to heal. This means that Bowen will be forced to enter the contest, although his hip is giving him considerable trouble. Gunderson will be forced to start the other end in spite of the fact that his ankle is still weak. At this writing it is doubtful if Parson's injured shoulder will permit his playing.

To those who have had fears as to the weather conditions for tomorrow's big contest, Manager Kellogg announced last evening, that advices secured from the United States Weather Bureau at Des Moines state that there is no storm in sight between Iowa City and the coast.

The Ames team leaves Ames for Cedar Rapids at 2:00 P. M. today. The night will be spent in the Parlor City, the Aggies leaving early in the morning for the university over the interurban.

Line-up:

Iowa	Ames
Gunderson	le Cowan (capt.)
Barren	lt Wohmthoudt
Wilson	lg Mattison
Houghton	c Johns
Brueckner	dg McKinley
Kirk	rt Reeve
Bowen	re Holmes
Gross	qb Brennan
Penningroth	rh Wilson
Dick	lh Davis
McGinnis (capt.)	fb UNI

Officials:
Reid of Michigan, referee.
Seymour of Springfield college, umpire.
Birch of Earlham, head linesman.
Time of quarters, 15 minutes.

LITERARY SOCIETIES MEET

The regular weekly meetings of the men's literary societies will be held tonight. The Zetagathian program follows:

- Optional—Chamberlain.
 - Debate: Sitz, Cabbage; Safely, Lemly.
 - Optional—Snyder.
- The program of the Irving institute will be postponed for one week.

The English Lutheran ladies will serve chicken pie dinner and hot wiener supper Saturday at 19 1-2 Washington St., next to Citizen office.

SOCCER FOOTBALL LINEUP GIVEN OUT

Positions Not yet Definite—Chance for Others—Close Game Certain

Director Schroeder completed the probable line-up for the soccer football team for the coming battle with Grinnell. Because of the abundance of good material the difficulties of selecting the team were by no means light. The line-up given below is not final but is the most probable judging by the quality of the work displayed on the field thus far. There are several men possible for each position and just which ones will be successful candidates is not yet known. The line-up is as follows:

- Forwards—Derrickson, Pritchard, Bailey, Bakshi, Barny and Derrickson.
- Half-backs—Grakow, Dewees, Damorq, Wild, Grubb, and Hays.
- Full-backs—Brush, Paige, and

Foley.
Goal-keeper—Hanna and Hausler. As five forwards, three half-backs, two full-backs and one goal-keeper are needed there is a multiplicity of men for each position. At a meeting last night Brush of the engineering college was chosen president of the team.

There are a large number of men who have been practicing only on Saturday who still have a chance to make the squad if they show better form than those listed above. It is extremely difficult to select a team early in the season because of the fact that this is the first time that a team has been organized here for the purpose of playing with another institution and consequently the director has no line on the material that turns out for practice. However the team has been at work for several weeks and a close contest is almost a certainty.

UNIVERSITY ARMY SHORT ON RIFLES

MORE KRAGS HAVE BEEN ORDERED FROM THE WAR DEPARTMENT FOR "ARMY"

Men are Being Instructed in Use of Arms—Resignations Are Accepted—New Appointments Will Be Made

Broken heads, damaged corns, and bruised shins marked last evening's drill of the cadet regiment, for last evening for the first time Lieutenant Phinney's recruits were entrusted with the implements of war. Verifications of General Sherman's undying statement were heard on all sides, and to many of the rookies the trusty rifles proved deceptive indeed. As the supply of Krags now loaned to the university by the War Department is but 300 and the number is exceeded by more than 100 cadets, all the companies can not be supplied with guns until an additional supply is received.

Arrangements have been made to procure further allotment and it is thought that the new pieces will be on hand in a few weeks. Until they arrive the companies will alternate in using the rifles and thus each company will drill with the guns two nights a week and without them the other night. Only the rudiments in the handling of the Krag were taken up tonight as it is deemed most important that the men know how to handle a rifle properly before any complicated work with it is taken up. The drill periods next week will most likely be given over to further instruction in handling the rifle.

Under the head of General Orders No. 2, Lieutenant Phinney, Commandant of Cadets, has given out the following announcement:

"The resignation of First Lieutenant and Battalion Adjutant, Karl Engeldinger, 1st Battalion and 2nd Lieutenant Adolph Kolstead, Company D, is announced.

Hereafter all excuses for absences must be made in writing and submitted to the Commandant within 48 hours from the date of absence.

Failure to comply with the above, records against your record, 20 demerits for each absence and 10 demerits for each late.

All absences must be made up before a student is given any credit for work in this department.

No appointments have as yet been made to fill these vacancies but new incumbents will probably be chosen within a week. Lieutenant Engeldinger was recently successful in the competitive examination held by Congressman Pepper for aspirants for the West Point appointment, and will now devote his time to preparation for the West Point entrance examinations which will be held some time during the winter.

JAPANESE STUDENTS TO HAVE NOVEL PROGRAM

"Japan Night" to be Held Next Saturday Evening—Music, Fencing and Jui Jutsu

Under the auspices of the Cosmopolitan club of the state university the Japanese students will hold a "Japan Night," Saturday evening at Close Hall.

Jui jutsu
Music
Gekken (fencing)
Illustrated pictures

The program will be opened by the singing of the Japanese national anthem "Kimi-ga-go."

Jui jutsu is popularly known in America but it has never been demonstrated here at the university. It is one of the favorite games among the Japanese. Gekken is also a favorite game among the Japanese students this, as Jui jutsu, has never before been seen here. The costumes and the outfitting of this game has just been received from Japan by the Japanese students here.

The illustrated pictures to be shown will depict the beauties of Japan, showing the customs and architecture of that far east land.

The public is cordially invited to be present.

STORY OF JIMMIE'S LIFE GOES ON SALE IN MORNING

A booklet will go on sale tomorrow morning which will give in detail the life history of Jimmie Barry, the veteran guardian of Iowa Field.

This is the first time the university students and graduates have had the opportunity of learning the life history of the man who is perhaps better known than any other man ever connected with the university.

Besides the story of Jimmie's life the booklet will contain much interesting data concerning the big football game of tomorrow afternoon. Cuts will be shown illustrating both teams, comparisons will be made and the scores and standing of the two teams will be given in accurate detail.
