NORMAN D. SCOTT... GETS SCHOLARSHIP

ORESTES D. GUTSER, old Iowa City student, was chosen yesterday to receive the 1916 freshman scholarship for Iowa. He will enter Oxford next October. Scott won the honor over Lewis C. Cole of Grinnell, Orla W. Palmer of Grinnell, and Henry W. Van Pelt of Cornell, the four men who had qualified for the $300 scholarship in 1914. Scott completed his first year of studies last year, and is a sophomore this year.

FRESHMEN WIN AGAIN

Defeated Juniors in Third Game of "Showgirl" Series.

In the latest of the engineering inter-class basketball series, the freshmen defeated the sophomores 58 to 47. A total attendance of 800 was expected from Washington, Hamlen, and a third in the mile against Ames. Iowa is the only university that will compete in the contest. Other universities who are interested are Iowa State College, Michigan, Indiana, and Wisconsin. The series for the mile was stopped after the first two miles, since no further entries were made.

MEYER VERSUS RHOADS

The survey will illustrate how the entire student body feels about their college by the top heavy concentration of the students who will leave the university this coming term. All students who will leave the university this coming term are expected to answer the survey, which will be given at the time the students are taking their final exams.

And let's face the personal question, instead of perpetuating, and so assume it was a year ago for the sake of this.

What Shall I Give him (her)?

After a diligent search through the encyclopedias, the reference manuals, the down Librarian, Dorothy Hall, and the scope and stores of xyst, we are able to give you some of the most filling presents for the male sex on the scarf. With its unique record of ties, as unsolved as it was a year ago at sort of thing. Another tasteful gift can be made by purchasing some day's classy change and making it up into arm bands. The man who is obliged to spend some time every day at a study desk, can cover the coat sleeve with these. These can be made up entirely of finely disdusted with lace and ribbon decorations.

If you wish to show him your sentimental tendencies, why not make a watch, artificial rose, for his coat jacket? He will then need no longer ask 'Where's my hair?'

The hands of every shop independent nowadays. If he is one such, why not make him a watch, little, embled night-cap with a chiffon and a rosette on either side. By questioning his hardness, you might get the color of his bath robe, and make the cap to match it.

If your mind runs out to needle work give him burnt wood. He will enjoy it in the rack or on a top thy match.

For Miss Girl.

For her there are so many things that she should have no difficulty in anything but making the proper selection. Your friend suggests, handmade boudoir trimmed in blue and red roses, with large lilies embroidered in green silk stitch are doing splendid work.

Highly polished, pleasant-looking boxes, fitted with various easily transportable makeup instruments are invaluable. These have to be renewed each year.

If rings are purchased, preference should be given the large red, blue, green or yellow ones. Matching necklace will be harmony with them and will add to draw attention to the imagination of the gift. Another possible place of jewelry is the list.

Always put your paragraphs in it before giving it to her.

In wearing apparel, mufflers which will show off the shoulders, a back of the neck will be appropriate for many of the girls who are going every winter without adequate protection for neck and back. A good suggestion is that of a green spand for the girl who wears low shoes all winter. They may be bought with blue or red for some things at top any bottom and with orange buttons. Gold watches, etching chains, diamond rings, and other pieces of similar.

ALL OF THESE GIFT IDEAS CAN BE OBTAINED AT THE ALEXANDER'S, 500 W. Washington St.

LECTURES BEFORE ENGINEERS

A lecture on Water Power Developments was given from the junior engineers by Leo Garwin, Leon Hammond, J. W. Kuehnle, Raymond Zeigler, S. C. Smith, S. C. A. Paige, J. A. McChesney.

In the other two remaining games the seniors defeated the fourth year by 16 to 10, and at 18:15 the sophomores play for the freshman championship. The game scheduled for last Friday night between the freshmen and seniors was postponed as the freshman basketball series are left to be played before the Christmas vacation.

The juniors should win.

The juniors should win easily from the seniors Saturday as the sophomores defeated the fourth year by 16 to 11 in the opening game of the series and the junior-senior team overpowered the sophomores 20 to 6 last Saturday.

The juniors have the only undefeated team in the freshman-senior game.

Monday evening will see the finish of the engineering intercollegiate which was held the last time when the Alberta university team came to the final game. Saturday evening the seniors defeated the juniors at 7 and the seniors and freshmen will take the stage at 8:15 in the other two remaining games of the series. The football championship is as yet very doubtful. The freshmen lost to the seniors by 17 to 15 Saturday, then came back in their second game and defeated the seniors by the wide margin of 19 to 7.

A competent judging of the junior-senior game will give the freshmen an edge over the senior team as they were overwhelmed by the junior 25 to 10 in September.

MANY HAVE LEARNED TO SWIM DURING THE SUMMER.

Two-thirds of the men who were registered as non-swimmers at the beginning of their course of instruction have learned to swim and those who could just keep up in the water are getting away from the dog paddle and learning game to be in great many of the men are being taught in every diving center under the direction of Frank L. Wheeler and those will be served by late part of the exhibition which will be held some time near the close of the fall season.

The exhibition will be open to all and the attendance will necessarily be limited as seating arrangements can be made for only about seven hundred.

The purpose of the exhibition is to show what progress in this have made and just what can be accomplished in the water.

Incidents of Ford's Peace Mission

Abroad the Oscar II. cruises to London, by wireless to Paris and delayed--one happy thing about this peace voyage has been the fact that Edward Adams of Iowa has been keeping the rest of the peace advocates guessing as to where he gets his tasteful clothes. Adams divulged the secret today by saying that he bought a tailor-made suit from Mike Malone.

SOCIETY

The most prominent event of the week will be the freshman party Friday evening at the armory. Everyone plans have been made, and it promises to be a brilliant affair. A number of out of town guests are coming to attend this party.
Saturday evening the S. A. E. fraternity will give a dancing party at a Hoppes hall, with Professor and Mrs. Burns as chaperones.

Several students are already busy for their holiday visits in spite of the promised ungranted petitions.

Mary Beck leaves Monday for Chicago where she will spend the holidays with her sister.

Mrs. Burnet, mother of the A. E. T. house, has left to spend her vacation at Ann Arbor, Michigan.

Invitations have been received in Iowa City to the wedding of Florence Blankson of La Moon and Frank Mars of Chicago. The wedding will take place Dec. 13, at La Moon.

Mrs. Blankson was graduated from the college of Ethnic arts in 1914, and was active in student and literary circles of the university during her four years here. She was a member of the Kappa Kappa Gamma sorority.

In the Kappa house, before going to her home in Chicago for the holidays.

North Nickel of Mason City will visit in Iowa City this week and on her way switch for the Christmas holidays. She will be a great at the Pi Phi house.

Florence Stroud of Cedar Rapids arrived in Iowa City yesterday to visit at the Pi Pi Pi house. She will return Friday, accompanied by Florence Light.

Helen Jettison will spend the week end in Cedar Rapids, the guest of Helen Hallin.

For the girls, to be used in Iowa City Friday for the freshman party.

Frances Brown will go to Ames tomorrow and will attend the S. A. E. party there Saturday evening.

Jules Allison, a former Iowa student, now attending Northwestern University, will arrive in Iowa City Wednesday to see the Kappa house, before going to her home in Chicago for the holidays.

If you want something done neater and faster, call 1420 and ask for Miss Ole.

To buy one of these pretty new Blouses at $2.00, it would be well worth your while to make a special visit to our Walnut Department tomorrow.

There really is a considerable saving in buying the Blouses we sell at this price are very much like what we would ordinarily have to pay considerably more for. The styles are always so new—so distinctive and so very appealing, and they are so well and dependably made that they are sure to give complete and lasting satisfaction. If you want to save on the Blouses you buy (as we believe every woman does) it will pay you well to acquaint yourself with what we sell at this and at various other prices.

Walworth Blouses at $2.00 are sold here exclusively.

"There he goes! I can't hold him."

"Oh! Oh! Oh! Take it away, don't let it jump on me!"

"Creak, creak, creak."

Such was the confessions of girls and boys of every age and every grade, when instructor Frederick parceled out some fifty wriggling, squirming frogs and toads to many biological laboratories.

After the class animals were finally recognized and fed with a slow string about one leg, each student put his frog in a pan, partly bakes upon fully dissected students was the immediate result:

"Oh, they were just horrible," complained Miss Gauss, "and to hear her never was so palmed in my life, but Dr. Montagu just made me take one anyhow."

All Kansas university gathered at a big meeting recently to honor members of the season's football team.
